				Nursing students learn the importance of conducting mass awareness programme for motivating people to take COVID 19 Vaccination
<b>5. Any other</b>				

### 3. Event Report along with glimpses of the event (Photographs)

#### 3.1 General Introduction of the Event

Every year, April 7 is celebrated and observed as World Health Day. The day is celebrated annually in accordance with the World Health Organization's aim to discuss health-related issues and to draw attention to specific health issues concerning people across the world. The theme for this year's World Health Day is "Our Planet, Our Health". Amid the ongoing pandemic and pollution growing on the planet, diseases like cancer, asthma, and heart diseases are increasing rapidly. World Health Organization aims to focus global attention on the urgent actions needed to "keep humans and the planet healthy."

On this occasion, Amity college of Nursing students planned to conduct mass awareness programme on importance of water, Hand Hygiene and Plantation drive.

**3.2 Inspiration & Objectives of the Event:** Global warming and excessive raise in Earth temperature is the biggest problem in present times. We are lacking in protecting the sources of water and Poor hand hygiene leading to many water borne diseases in children. So with this inspiration B.Sc Nursing IV sem students from Amity college of nursing were planned to conduct Mass awareness programme in Jami Public school, Bhiwadi.

**3.3 Brief about the event:** On the occasion of WHO Day, 18 students from B.Sc Nursing IV sem, Amity college of Nursing, ACON were conducted mass awareness programme on Save water & Hand Hygiene at Jamia Public school located in Pataudi. Role play was organised and conducted systematically for primary school students on the following topics:

- ❖ Importance of water
- ❖ Hand Hygiene
- ❖ Water borne diseases and its prevention
- ❖ Plantation drive

Mr. Abdul Khalid, Head master of Jamia Public school was a convener of this event and coordinated with nursing students and helped to convey the message of school children.

# ... हम सभी के लिए स्वास्थ्य, पहली प्राथमिकता

## अटल हिंद संवाददाता

पटौदी । हम सभी के लिए स्वास्थ्य रहना पहली प्राथमिकता होनी चाहिए। सही मायने में हमारा अपना स्वास्थ्य ही सबसे बड़ा धन है। यह एक ऐसा धन है, जो एक बार हाथ से निकल गया दोबारा से प्राप्त करना बहुत बड़ी चुनौती बन जाता है। स्वस्थ व्यक्ति ही स्वस्थ समाज और स्वस्थ राष्ट्र निर्माण में अपना योगदान प्रदान करता है। हम अपनी दिनचर्या और खानपान में सावधानी रखते हुए अपने आप को पूरी तरह से स्वस्थ रख सकते हैं। यह बात अमेठी कॉलेज ऑफ नर्सिंग टीम के सदस्यों के द्वारा पटौदी के जामिया अलह सुन्नत मदरसा में यहां पढ़ने वाले छात्र

छात्राओं एक नाटक के माध्यम से समझाई गई।

अमेठी कॉलेज ऑफ नर्सिंग की टीम की तरफ से कॉलेज के प्रिंसिपल डॉ तमिल सेल्वी, सहायक प्रोफेसर नवीन झा, अंजना चंद्रन व अन्य ने इस मौके पर मदरसा परिसर में पढ़ने वाले

छात्र छात्राओं के सहयोग से विभिन्न प्रकार के पौधे भी लगाए। पौधे लगाने के साथ ही मदरसा के छात्र छात्राओं को बताया गया कि पेड़ पौधों का हमारे अपने जीवन में और पर्यावरण को शुद्ध रखने में कितना महत्वपूर्ण योगदान है। इसी मौके पर बच्चों को इस बात के

लिए प्रेरित किया गया कि जो पौधे बच्चों के द्वारा लगाए गए हैं, बड़े होने तक इन पौधों की देखभाल भी अवश्य करें। इसी मौके पर मदरसा के छात्र छात्राओं को पानी के महत्व के विषय में भी जानकारी दी गई। पानी के दो ही स्रोत हैं, भूमिगत जल और बरसात। पानी को अनावश्यक रूप से बिल्कुल भी बर्बाद नहीं करना चाहिए। पानी की एक-एक बूंद बहुत कीमती है। पानी के बिना इंसान और जीव दोनों का जीवन बहुत लंबे समय तक नहीं चल सकता। पानी के सीमित संसाधनों को ध्यान में रखते हुए पानी की अधिक से अधिक बचत करने की बचपन से ही आदत डालना जरूरी है।
