

### ACADEMIC PORTAL "AMIZONE" – AN ERP SYSTEM

#### Tacking System of Women's Graduating Compared to Men's

The University managed all academic activities through in-house ERP portal known as **Amizone** which is completely integrated. The technology has enabled us to incorporate different functionality in the 'amizone portal' to keep a track on the 'gender wise result' which help us in taking timely action and required attention on the state of gender wise graduends in various programmes. The screen shot of the 'amizone portal' showing gender wise report is shown as below:

The screenshot shows the Amizone ERP portal interface. The browser address bar displays 'amizone.net/AdminAmizone/WebForms/admin/Default.aspx'. The user is logged in as 'Dr Vikas Madhukar [5744]'. The left sidebar contains a navigation menu with 'Passout Gender Result' highlighted in red. The main content area shows a 'Convocation Division -Report' for the institute 'Amity Business School, Gurgaon (Manesar)'. The report table is as follows:
