(ii) Comments: Faculty may develop self-learning material for students. The same study material may be converted into e- content. It may also be helpful in various accreditations.

c. (i) Discussion: Course Credit System

(ii) Comments: Credit rationalization may be adopted. Credit may be reduced, so, as to diminish classroom teaching and vacant time of students may be utilized for industry lectures/ project based learning/ grooming sessions etc.

### 3. Recommendation

- (i) All ABS faculties must have google scholar and research gate account. Profile on these platforms must be updated regularly, as it will help in updating citation and h- index.
- (ii) Cross citation may be done between the faculty of AUMP and AUH. Students may also be motivated to go through the research work of faculty members for their academic upliftment.
- (iii) A warehouse/ database of the publication of faculty members of entire Amity group may be created.
- (iv) Joint workshops/ FDPs/ conferences/ PhD supervision, can be done, so as to explore the expertise of the faculties available with ABS, AUMP and ABS AUH.
- (v) ABS students may be motivated to take into consideration the social and economic challenges of the local region, while preparing their dissertation term projects and summer internships.
