Action Plan on Stakeholders Feedback: Part A-Curriculum

	Suggestions	Action Taken
1	Make your foreign language optional, in place of any technical skill student want to pursue.	Compulsory examination clause has been removed. Classes will be held, and students will be evaluated on Continuous assessment basis.
2	According to scientific studies on sedentary lifestyle, a 10 min break after each set of 50 minutes of sitting or screen time is advisable. I request the authorities to seriously consider it for betterment of both students and teachers	Point taken and faculty have been advised accordingly.
3	More activities should be held by the campus	Due to Covid we could not conduct enough activities in campus in last 2 years. Now adequate number of activities will be conducted as per schedule.
4	Lots of opportunities and extracurricular activities are given for personality development	More such activities are planned for future, so that it becomes noticeable by more students.
