Action Plan on Stakeholders Feedback: Part A-Curriculum

	Suggestions	Action Taken
1	All contents of subject in the video form should be delivered	Video content should be added comprehensively as per syllabus for science domain.
2	New Case Laws are to be added	Update case laws may be added as part of curriculum for better understanding of Law subjects.
3	Some industry oriented topics needs to be added.	All professional course syllabus may be update as per latest change technology and industry requirement.
4	This subject has limited Research Application. It should be Research In management etc.	One PhD papers should be there keeping latest research trends in concerned domain.
