## Action Plan on Stakeholders Feedback: Part A-Curriculum

Suggestions		Action Taken
1	Classroom activities and learning can be more interactive rather than one way teaching.	--
2	Involve more practical exposure through field visits to mental hospitals, NGO's etc.	Due to Covid we could not conduct sufficient number of activities in campus in last 2 years. Now adequate number of activities will be conducted as per schedule.
3	Assignment should be given in a practical and creative ways so that we would do it with much more interest and participate more.	Point taken and faculty have been advised accordingly.
4	Field visits and interactive workshop/activities or program should be arranged, and attendance pattern should be modified.	More such activities are planned for future, so that it becomes noticeable by more students.
