## Action Plan on Stakeholders Feedback: Part A-Curriculum

| Suggestions |   | Action Taken  |
|-------------|---|---|
| 1           | Should provide the internship opportunities for law students as per BCI regulations and focus on more practical aspect.         | CRC is providing internship opportunities to all final year students. Every year Summer Internship is the part of the Curriculum. ALS is providing Internship opportunities to them who can't arrange at their own.   |
| 2           | Field visit should be there.  | Visits to constitutional Institutions like Supreme Court, Parliament, Rashtrapati Bhawan, Tibet Government in exile, various High Courts have been conducted on regular basis, (Except covid period). It's a continuous process                                     |
| 3           | Internships should be brought for law students also placements are almost 0% in law department. Major drawback for law students | CRC is providing internship opportunities to all final year students. Placements are also under process and 4 students of IX Semester have already placed and joined. In addition to this most of the law students chose practice, so in fact they are well placed. |
