As per the directives of the Department of Higher Education, Govt. of Madhya Pradesh, Amity University is celebrating a three week long Hariyali Mahotsav with the theme “ Ek Abhiyan Dharti Ke Shringaar Ka”.

Under this, ASCENT& ASL organized an Essay Writing Competition on the topic “Bhartiya Sanskriti, Hamare Sanskaar aur Vyavhaar Mein Paryavaran” (The role of Environment in Indian Culture, Our Value System and Conduct) on Wednesday, 07 August 2019. The language of the competition was Hindi. Over 30 students registered themselves for the competition. The competition was held in the Seminar Hall of Academic Block A from 1.15 PM to 2.10 PM.

The topic being highly connected to the Indian culture and ethos, the students explored through the extracts from the scriptures to prepare for the competition. While participating in the competition, the students got an opportunity to introspect the role of environment in their lives and their duty towards its preservation. This fulfilled the objective with which the event was organized – sensitizing the students about conservation of nature.

The winners of the competition were: I Prize - Rohit Kumar (MJMC III sem), II Prize - Eshitva Singh (B. Com. H. III sem)

The winners of the competition will be recognized with certificates on Independence Day, 15 August 2019.
