# INTRODUCTION TO PROJECT

In this Project we went to “**DD Nagar Slum Area**” in Gwalior. As we know it is an activity project which is based on some Social norms, we three plan to “**Inspire, encourage & aware the children as well as their parents for the Right to education** ”. It was a privileged for us to spent time with them.

# ACTIVITY DETAILS

- We played games with them to make them comfortable with us.
- We provide them supplies for study purpose and then we taught them.
- At last we see their another interest like dancing, singing, painting, etc.
- We all enjoyed each other company.

# CONCLUSSION

Through this activity we spend our whole day with the Children, they were so happy with us. We taught them & they show their interest in studies, the Children were so talented in different areas like painting , dancing , singing etc. We played many games with them. We all enjoyed each other company. After completing this Activity we felt blessed and hope for the bright future of those children .
