What ?

- We wanted to create an awareness among people about the importance of cleanliness in our environment, and also the proper disposal of waste..
- We went to Gwalior Trade fair (Mela).
- We informed the shopkeepers, fair travellers, about the importance of cleanliness and effective waste management.

Why ?

- For creating the awareness.
- To set an example to others.
- Importance of clean & safe environment.
- For a better tomorrow.

Experience.

- It was a wonderful experience for all of us. As we together went to contribute and took our small step's to make our country a Swatch Bharat.
- Also made us realize of our responsibilities towards the nation.

What would have missed if we wouldn't had?

- We would have seriously missed all the experiences that we have mentioned .
- And also would have lost our chance to contribute for a clean India.
- Self satisfaction that we felt after completing the activity.
