

17. Awareness on Cashless Bank Transaction An awareness program was organized by the NSS Unit of Amity University Madhya Pradesh on 3rd January, 2017 visiting various banks and educating the customers of the banks to use cashless services through mobile banking, internet banking and various other apps for cashless payment.

A total of around 150 people were covered through this exercise. AUMP also plans to go to slums, local bazzars and village adopted by the university to bring about awareness regarding cashless transaction and different modes through which it can be done.
