TO WHOME IT MAY CONERN

This is to certify that **Ms. Simran Shandge** has done his internship in **Vnurt Technology**, Bangalore from 30-05-2019 to 14-07-2019.

She has worked on a project titled **Face Detection Music Player**. This project is used to identify the basic human emotions. Facial expressions give important rules about emotions. Computer systems based on affective interaction could play an important role in the next generation of computer vision systems. Face emotion can be used in areas of security, entertainment and human machine interface (HMI).

During the internship she demonstrated good design skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for his future endeavors.
