VNURT

Date: 14-07-2019

TO WHOME IT MAY CONERN

This is to certify that Ms. Ajeesha S. Nair has done his internship in Vnurt Technology, Bangalore from 30-05-2019 to 14-07-2019.

She has worked on a project titled Advanced Traffic Control Management System. This project was aim is to control the traffic time management system on each lane by the proper adjustment of signal time according to the traffic density of vehicles present on each lane. As part of the project, he designed and developed a model for the management of traffic signal by understanding the GMR Magnetic Sensors and Microcontroller through the proper synchronization.

During the internship he demonstrated good design skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for his future endeavors.

Warm regards,
