Principal Investigator, DST, DBT & ICMR Projects
Director IQAC, convener Steering Committee & coordinator NAAC

Date: 13.07.2019

TO WHOM IT MAY CONCERN

This is to certify that Mr. Abhijeet Baptist (Enrollment No. A-60104117016), student of B.Tech. Biotechnology, IV Sem. Amity Institute of Biotechnology, Amity University, Gwalior, M.P. has successfully done a short term project entitled as, "DNA based identification of vector of Bluetongue disease" from 03/06/2019 to 13/07/2019 under my supervision. He has learnt the following basic techniques during his project:

1. Collection techniques of Bluetongue Vector
2. Dissection & mounting techniques of the fly
3. Identification techniques of the vector fly
4. DNA isolation technique and
5. DNA based identification of the Bluetongue vector

We wish him all success for future ventures.
