

**To whomsoever it may concern**

This is to certify that Suchi Shrivastava student of B.Sc. (Hons.), V semester, Amity Institute of Biotechnology, Amity University, Madhya Pradesh, has done her Summer Internship entitled “**Isolation and characterization of arsenic tolerant bacteria from arsenic contaminated soil from West Bengal**” in the Institute of Environment and Sustainable Development (IESD), Banaras Hindu University (BHU) under my supervision during 1<sup>st</sup> June 2019 – 12 July 2019. The conceptualization of the project, detailed planning, and its execution was all done in IESD, BHU.

The work was satisfactory. She has shown complete dedication and devotion to the given project work.

(Dr. Sudhakar Srivastava)
