- 4 The development and implementation of specific activities based on this MoU will be separately negotiated and agreed between faculties, schools or institutes which carry out the specific projects. Both institutions agree to carry out these activities in accordance with the laws and regulations of the respective countries after full consultation and approval.
- 5 Amity and IPTSB recognize the value of this Memorandum of Understanding to each other in promoting their programmes and activities, but any promotional material / activity which includes reference to concerned countries must be sent to and be approved by the Deans of the relevant School or any other person authorized by both the Universities before use and print.
- 6 It is understood that the implementation of any of the types of co-operation stated shall depend upon the availability of resources and financial support at the institutions concerned.
- 7 Should the collaborative research activities under the MoU result in any potential for intellectual property, both institutions shall seek an equitable and fair understanding as to ownership and other property interests that may arise.
- 8 This MoU may be amended or modified by a written agreement signed by the representatives of both institutions.
- 9 The MoU will be for 3 years in the first instance, and will be reviewed thereafter. Each party has the right to discontinue the arrangement subject to a period of 12 months' notice being given. The Understanding may also be terminated at any time by mutual consent of all the parties.
- 10 In any case of discontinuance, the parties will honor agreed commitments either via the accepted arrangement or suitable alternative negotiated at that point.
