MEMORANDUM OF UNDERSTANDING

Between

JB Mangharam Foods Pvt. Ltd (ECP of Britannia Industries Ltd), Gwalior
and
Amity University Madhya Pradesh, Gwalior

The MOU is being signed on the prospect that both the entities JB Mangharam Food Pvt. Ltd. (hereafter referred as JBM) and Amity University Madhya Pradesh (hereafter referred as AUMP) collaborate on developing the joint academic and research co-operation between the two organisations.

SCOPE

The scope of MoU is to formulate a mechanism to promote interdisciplinary research; impart vocational and skill oriented training and other programs to benefit students and staff of both organizations; joint research and academic activities leading to academic excellence; new knowledge generation; innovative technology development; professional skill and competence development; vocational training capacity building and many such synergies of interdisciplinary research through collaboration and networking of JBM and AUMP.

OBJECTIVES

JBM and AUMP will undertake joint research work in the areas of mutual interest. The concerned executives of JBM and corresponding faculty members of AUMP together will update/ modify syllabi for academic programs, new courses, joint research projects and training for skill oriented Human Resources with due approval and within the framework of rules and regulations governing both the organizations.

VIRTUAL CENTER FOR INTERDISCIPLINARY RESEARCH

The centre will strive to provide maximum benefit to student community and JBM staff in terms of:

- Suggesting syllabus up-gradation/ modifications to meet current requirement of Industry.
- Project/Research platform to U.G., P.G. and Ph.D. scholars.
- Expert lectures by JBM Executives for AUMP students.
- Skill oriented training and vocational course for JBM staff.
- Technology development and demonstration.

PROJECT WORK OF STUDENTS

A total of about 5 to 7 selected students of U.G., P.G. and Ph.D. in the respective areas of specialization of AUMP will be allowed at a time for project work at JBM. Students will work in mutually agreeable areas identified by both the organizations.

AREAS OF MUTUAL INTEREST

The areas of co-operation will be defined and modified from time to time through mutual discussions. At present the areas identified for co-operation are Management; Commerce; Mechanical, Electrical and Instrumentation Engineering; Food & Nutrition, etc.
