Mr. Ajay Sengar  
 Student ID: 771005036

Dear Ajay,

Congratulations! On behalf of the Graduate Scholarship Committee for Software Engineering, MS, I am pleased to inform you that you have been selected to receive an RIT Graduate Scholarship to support your graduate studies at RIT. This scholarship was awarded based on a review of your application and academic record.

Your award is based on current tuition rates and enrollment of 9 credits per semester beginning with the Fall 2023 term. The scholarship will be adjusted based on your actual credit hours enrolled with the percentage of tuition covered by the scholarship remaining the same. For further explanation of your scholarship, please contact your graduate program director.

Award	Term 1	Term 2	Percentage of Tuition	Estimated Annual Total*
RIT Graduate Scholarship	\$6,094	\$6,094	30%	\$12,188

*\*The Estimated Annual Total is based on two terms and on the 2022-2023 tuition rates. Refer to page 2 of this letter for more details.*

The scholarship is automatically credited to your student account each semester after the drop/add period and is for tuition only. In accordance with current tax laws, scholarships are not taxed unless they exceed the cost of tuition, books, and fees. We look forward to working with you as you pursue your graduate degree. We are certain that you will find your graduate studies at RIT to be fruitful and rewarding.

Sincerely,

RIT's definition of full-time status for graduate students is 9 or more hours of semester credit for academic reporting purposes. For tuition assessment, students will be charged the part-time rate for 1 to 11 credit hours and the full-time rate at 12 to 18 credit hours. Financial aid will be applied accordingly.

The tuition rates below reflect the 2022-2023 RIT Graduate Rate for one term, based on the number of credit hours.
