

AMITY UNIVERSITY

MADHYA PRADESH

(Established by Ritnam Balved Education Foundation)

Report

AIP, AUMP participated in four events, in the working model category of model presentation, business idea presentation, technical quiz, and master scientist. Faculty coordinator for this event from AIP, AUMP was **Dr. Neeraj Mishra (Professor, AIP)** who have presented one working model for the determination of Spreadability in GIC 2K19 along with his team of B Pharm III Sem. Mr. Adarsh Kumar Tiwari, B. Pharm III Sem, AIP has received the **“Best Campus Ambassador”** award. In the model presentation, we received **first prize** in the college category among 95 other working and non working models (including schools and colleges). It was named MSM Combo made by B Pharm. B Pharm 3rd semester students Ms. Sumana Debgharia, Mr. Pradeep Prajapati, Ms. Priyanjali Sisodia, and Ms. Adamyia Dubey. This model was a combination of three different machines used in the pharmaceutical industry they are Ball Mill, Siever, and Mixer. It can do combined work of size reduction, size separation, and mixing. It can be time saving and economical as compared to other machines in the industry.

Honorable Vice chancellor AUMP with Director AIP,
