# Online Payment by Student thru microsite :

Two Degrees

University Grants Commission, Govt. of India, since April 2022, has allowed that students can pursue two academic degrees at the same time. Amity University was the first University in India to get UGC approval to offer online degrees. Thus, all Amity University students joining or pursuing full-time degrees can opt to do an additional degree in online mode at subsidised rates. Students have to be first granted admission to a full-time Degree to be able to avail this option. They can choose the option of a second Degree at the Application Stage itself or also later.
