Schedule attached to and forming part of the Balance Sheet and Income & Expenditure account

For the year. ended 31.03.2019

Significant accounting policies and notes to the accounts:

1. Accounting Convention

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention. GAAP comprises Accounting Standards (AS), issued by the Institute of Chartered Accountants of India (ICAI) and other generally accepted accounting principles in India.

Mercantile system of accounting is generally followed where in all incomes and expenditures are accounted for on accrual basis.

2. Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses during the period reported. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

3. Fixed assets, intangible assets and capital work in progress

Fixed Assets have been value at historical costs. The cost of an asset comprises its purchase price and any directly attributable cost of bringing the assets to working condition for its intended use.
