

AMITY EDUCATION GROUP

Amity is not just a group of institutions which imparts world class education, but an experience where everyone associated is part of a dream, a mission to see that India becomes a knowledge superpower by 2020.

Amity Education Group is one of the leading education brands of India with more than 1,25,000 students studying in its 250 Programmes across 9 universities and 150 top ranked institutions. Amity offers world class high tech infrastructure in its 30 campuses spread over 1000 acres of land with 6 million sq. ft. of built-up area. More than 4500 faculty and staff members are dedicated to make Amity Institutions world class. Amity Universities have consistently been ranked as the top private universities of India by leading publications. Amity has established its presence at international level and has successfully established 10 global campuses at London, Singapore, Australia, New York, California, South Africa, Romania, Mauritius, Dubai and China.

At Amity we benchmark only with the best institutions around the globe. That is why, we are proud to be the first wireless campus of India, years before people had even heard of this technology. While our libraries are equipped with more than 1,00,000 books, periodicals, international journals and other research material, our air-conditioned amphitheatre styled classrooms provide the most conducive atmosphere for learning. Teaching at Amity is highly practical, focused and industry specific as it is evolved through regular interaction with leading industry professionals and academicians. Our researchers and scientists have the distinction of filing more than 850 patents. Amity is a combination of the most hi-tech campuses, a dedicated faculty comprising quality leaders and practicing professionals, innovative teaching methodology and unparalleled corporate interaction.

Amity has under its umbrella a wide range of activities apart from education that underlines its vision of nation building. Amityans always have an edge over their counterparts owing to the well-researched curriculum and a host of extracurricular activities that lead to successful professional as well as personal development.

All Amity Institutions /Universities including Amity University Madhya Pradesh, Gwalior are established under Ritnand Balved Education Foundation (RBEF), which is an umbrella organization for all Amity Educational Establishments , Universities and Institutions and is registered under the Societies Registration Act, 1860.

We draw our inspiration and guidance from respected :-

ABOUT AMITY UNIVERSITY MADHYA PRADESH

1. Amity University Madhya Pradesh (AUMP) was established by RitnandBalved Education Foundation (RBEF) at Gwalior by Madhya Pradesh NijiVishwavidyalaya (SthapnaAvamSanchalan) Adhiniyam – 2007 and Dwitiya SanshodhanAdhiniyam (No. 27 of 2010) vide State Government Notification No. 7692-402 –इकीस - अ - (प्रा) dated 30 Dec 2010, with the view to promote professional, industry-oriented education in the state of Madhya Pradesh. Amity University Madhya Pradesh, Gwalior located on a sprawling campus of 102 acres of land opposite Gwalior Airport, imparts modern, practical and research-oriented courses which lead to the development of professionals who are employable and industry ready. This in turn drives the socio-economic upliftment of the region.
2. Amity University Madhya Pradesh (AUMP) imparts education in almost all areas including management, engineering, architecture, biotechnology, law, Journalism & mass communication, behavioral science, Psychology, fashion, etc.
3. AUMP has state of the art infrastructure with modern amenities which matches with the best across the country and is of international standards. **The whole campus is wi-fi enabled. Electricity is available round the clock and all the buildings are air conditioned.**
4. **The university has its own intranet named AMIZONE (Acronym for Amity Intranet Zone)**, which is equipped to store all the academics and administrative data of the university, thus promoting digitalization. Session Plans, Lesson Plans, Examination Details, Fee Details, Payment Details, Attendance Report, Grievance Redressal, and other administrative details are all available through AMIZONE. The students can access study materials and tutorials anytime, anywhere which is a step towards beyond class room teaching. **Mentor Mentee systems are in place in the campus with an objective of mentoring and recognizing the potential of students** and help improve their self-esteem and confidence. Apart from this, trained counsellors have been appointed to provide prompt assistance on issues related to health and emotional wellness.
5. The courses offered by AUMP are evaluated regularly to achieve the course objectives based on the feedback on placement, employability and latest development in technology to keep pace with the changing times. Faculties and students of AUMP are encouraged to carry out industry oriented cutting edge research work in the university. The faculties of AUMP have been successful in

HOSTELS

The University has three large hostels two for boys and one for girls with capacity of 240 each totaling to 720. Separate facilities for boys and girls, caring wardens, and tight security ensure a pleasant stay for students. The mantra of Amity hostel staff is to create a home away from home for all hostel students. This is achieved by ensuring 24 hours power and water supply, clean, well-lit, spacious rooms, common rooms with television, geysers in bathrooms, and window with wire mesh to keep out mosquitoes. Each student is provided with a separate bed, mattress, pillow and study table. Each hostel is surrounded by a boundary wall and entry to the hostel is restricted to only those students who are staying in hostel. The hostellers are required to show their identity cards to the security personnel posted at hostel gates and also sign their entry using bio-metric device installed in each hostel.

All hostels are Wi-Fi enabled, and the students can access the net 24/7 from their rooms. The students are provided a free laundry service, and have 24 hours access to the Medical Room.

Hybrid Lawn Mower

A lawn mower is a device which reduces the human effort and cut the grass by the use of revolving blades powered by some external source of energy like burning of conventional fuels i.e. petrol or diesel. Battery operated lawn mower were also reported.

Crop Cutting Machine

Crop Cutting Machine is based on slider crank mechanism which is used in shaper machine. The unique feature of this machine is compact, light weight & Low maintenance. 125 CC Engine is used to make this machine.

Automatic Can Crusher

This project will include every area of the manufacturing of the Automatic Can Crusher. We got our plan from various research papers based on the automation and crushing.

Design & Fabrication of Copy Carver

A new duplicating carving machine that will allow individuals to easily and accurately carve wooden propellers, musical instruments, sculpture or other items

Eijah Jain

Automatic Hacksaw Machine

An automatic hacksaw machine is a cutting tool designed for cutting various metals, metallic alloys and non-metal materials such as wood etc. Manual operation of hacksaw requires a lot of human effort and is time consuming which makes its use complicated and limited

Electric Scooter

It works on the principle of magnetic fields but this type of product in present scenario is difficult to make and too costly

INDUSTRIAL VISITS FOR STUDENTS

Industrial Visit is very important to any students undergoing professional education helping to gain first hand information regarding functioning of the industry, providing an insight of the real working environment of industry and opportunity to engage in active learning process inside and outside the classroom. It also helps in building the relations between institute and industry.

CRC Department had organized several industry visits for its students in their core sectors and relative sectors for enriching their experience for the real industrial world. The companies visited by the students during the Academic Year 2016-17 are SRF Limited, Vikram Woolens, Britannia Industry, Mother Dairy, Punj Lloyd and Supreme Industry.

INTERNATIONALIZATION

Study Abroad Programme (SAP) - 2016

In line with the vision of our **Founder President** to provide international exposure to the students of Amity University, the prestigious SAP program has been designed. Study Abroad Programme (SAP) has been designed to provide the students of Amity an excellent opportunity to gain international exposure so as to build up their knowledge, expertise and rich quality experience.

SAP not only gives the students hands on experience of the foreign culture, industry and academic delivery module but also ensures that there is no loss of teaching to the students and develops themselves as global leaders.

This programme allows students of AUMP to undergo 4-6 weeks of extensive learning at various international campuses to earn a maximum of 16 credits abroad. They also get a chance to interact with international students in an intercultural and interdisciplinary context and to provide international exposure. A student can opt of any one destination out of LONDON, SINGAPORE, DUBAI, MAURITIUS, AUSTRALIA, CANADA and USA.

Some of our students visited Amity London, Amity Singapore and Amity Australia for the same and had an enriching experience.

Testimonials of students are mentioned below:

Ayush(B.com IIIrd Semester) Amity London

"It was an awesome experience as I learnt the importance of research and innovation and also would suggest all business students to participate for the same."

Suyash (BBA IIIrd Semester) Amity London

"My perspective changed completely when I visited Amity London and was very happy to see the hybrid world."

Upendra(MBA IIIrd Semester) Amity Australia

"I learnt a lot about Aussie business style and their culture. My country report was successfully accepted by the university authority and was complemented for the same."

Prachi (BA Psychology, Vth Semester) Amity Singapore

"It was a thrilling experience to be a part of SAP programme. It gave me great opportunity for international exposure and learning."

Abhishek(MBA, Ist) Amity London

“It is one of the most beneficial initiatives of Amity University as it opens many paths both personally and professionally. I am very thankful for this opportunity.”

Pallak (MBA, Ist) Amity London

“The experience of living and studying in London was as eye-opening as it tested preconceptions and habits. I am very happy and I feel more enriched today after the SAP programme.”

Corporate Resource Center (CRC): The Corporate Resource Center (CRC) of AMITY UNIVERSITY MADHYA PRADESH aims at providing a comprehensive array of services and support for its students and alumni which will assist them in their placement and life-long career development.

- a) The CRC acts as a central hub for all student development and placement related activities and is the repository of all information and resources. It builds in its students the competencies that are valued by prospective employers, forecasting those that will be essential from a future perspective. It provides a forum for future employers to articulate their human resource requirements, and accordingly, groom and recommend students for internships and placement.
- b) The CRC recognizes that student knowledge, skills and attitude play a vital role in their career choices. With this in mind it facilitates various tests to measure the students' career related competencies, and develop them further.
- c) CRC is headed by the Director CRC, who is an Industry veteran having more than 16 years of industrial experience in large industrial conglomerates. CRC constantly explores the companies and Industries where our well groomed students can be placed.
- d) CRC interacts with the Industries and Co-ordinate various activities like Industry Visits, University - Industry Interaction, Placement for Internship Training and organizing Guest Lectures by prominent industry/ corporate resource personnel. It maintains a strong database of potential recruiters and constantly liaisons with them, assessing trends in their requirement and making efforts to prepare the prospective managers on these lines. The prime objective of the CRC is to maintain strong University Industry linkages and strive for the overall development & grooming of the students according to the Industry requirements by conducting workshops, symposia, seminars and conferences both at National and International level. CRC has maintained a sound rapport with large number of big companies, industrial conglomerates and reputed business houses.
- e) CRC maintains close contact with recruiters throughout the year and conducts numerous workshops on skills like Resume Writing, Group Discussions, Mock Interviews and Sample Aptitude Tests to better prepare our students for job interviews. Our team is fully committed to attending to the individual needs of our students and ensuring that they achieve desired platforms for launching their professional careers.

As part of Recruiter Relations, CRC systematically tracks opportunities across sectors and industries, for students and establishes necessary contacts. CRC also facilitates the extensive on-campus interview processes and conducts rigorous follow-ups. The recruiting teams from companies are appropriately guided about the institutional mechanisms with reference to the placement process.

NATIONAL SERVICES SCHEME (NSS): ACTIVITIES & SOCIAL OUTREACH

National Service Scheme: Two units of NSS consisting of 100 students each in one unit is functional at AUMP. Out of this a total of 139 students of NSS have been awarded with 'B' Certificates.

Awareness on Cashless Bank Transaction An awareness program was organized by the NSS Unit of Amity University Madhya Pradesh on 3rd January, 2017 visiting various banks and educating the customers of the banks to use cashless services through mobile banking, internet banking and various other apps for cashless payment. A great amount of zeal was seen in people especially youths on using cashless services. Senior citizens and women also showed their interest in knowing about the various applications available through which they can do cashless transactions.

A total of around 150 people were covered through this exercise. AUMP is also planning to go to slums, local bazzars and village adopted by the university to bring about awareness regarding cashless transaction and different modes through which it can be done.
