AMITY UNIVERSITY

MADHYA PRADESH

Established vide Government of Madhya Pradesh Act No. 27 of 2010

Ref: AUMP/RO/2012/317

Date: 17 December, 2012

GREEN CAMPUS, ENERGY AND ENVIRONMENT POLICY

1. INTRODUCTION

Amity University Madhya Pradesh is fully committed to promoting sustainable development and adopting environmentally responsible practices. The University is making constant efforts to make its campus clean and green, conserve the natural resources and spread awareness about need to protect the environment amongst its students, staff, faculty and community.

2. SCOPE

This policy governs the framing of rules and regulations wrt green campus initiatives and practices.

3. AIM and OBJECTIVES

The aim and objectives of this policy are to encourage and adopt practices that would lead to sustainable development, minimize carbon foot prints and depletion of natural resources and maximize recycling of resources.

4. POLICY

The University shall

- 4.1 Take Initiatives to make the campus green and clean and conserve energy and water, as also manage waste judiciously.
- 4.2 To ensure that the efforts are being made in the right directions, the University shall periodically conduct Internal and External Audit.

4.1.1. ENERGY CONSERVATION

In order to conserve energy, the University will build several alternate sources of energy such as Solar Plants, connection to distribution grid and widespread use of LED bulbs and energy efficient equipment.

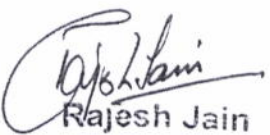

4.1.2 WASTE MANAGEMENT

The University shall make conscious effort to minimize its waste and recycle where possible.

- Solid Waste: Waste shall be segregated into biodegradable and nonbiodegradable sets and disposed off accordingly in authorized areas only.

Page 2 of 3

Registrar
Amity University Madhya Pradesh
Maharajpura Gwalior

- Liquid Waste: Professionally run Sewage Treatment Plants and Effluent Treatment Plants will be set up and maintained by the University.
- E Waste: The University shall dispose of its e waste through an authorized vendor.
- Bio Medical Waste: The University shall buy suitable equipment to dispose of bio medical waste in a responsible manner.

4.1.3 WATER CONSERVATION

With depleting water resources, it is imperative that the University make systematic approach to conserve water and minimize its wastage.

The University shall

- Build tanks to ensure adequate supply of water in the campus
- Build Rain Water Harvesting System
- Recycle Waste water in an efficient manner
- Maintain an efficient water distribution system

4.2 GREEN INITIATIVES

The University shall make constant endeavor to promote green practices and initiatives throughout the year

- A Student driven Eco Club will be a part of the Eco System of the University to drive green and clean campus initiatives.
- NSS activities shall include promotion of green practices in the community.
- Periodic events like Work Environment Day, Earth Day shall be celebrated in the campus.
- The Dept of EVS shall not only teach but also promote/ undertake projects to sustain the environment.
- A regular tree plantation will be carried out every year to enhance the green cover.

Subject: Management of Pick and drop Vehicles inside Campus

Dear All,

- 1 Due to very heavy incoming traffic of vehicles through single entry gate in morning hours, adhering to the laid down norms to ensure smooth and accident-free flow is an absolute imperative by all.
- 2 It is re-iterated that during peak time between 8.30 to 9.15 am, the flow of traffic is **one way only** i.e. main gate - hostel junction - Junction between B & C blocks - B block Road - slope leading to T junction. Any kind of reverse traffic during this time is **not allowed**. Besides, vehicles (private & autos) permitted to drop faculty / student will be required to wait at places inside the campus indicated by security guards till 9.15 am and then only would they be allowed to go back.
- 3 All students and faculty/ staff using drop facility must brief drivers accordingly. In case such vehicles need to go immediately for some reason, and they cannot wait, it is advised that affected student/ faculty/ staff gets down at the main gate itself and does not bring the vehicle inside the campus.
- 4 Cooperation of all is solicited to help security staff to perform their job effectively.

Dear all,

1. There have been quite a few instances of minor accidents taking place within the University premises. Fortunately, we have not had any serious accidents/ injuries so far, however, we mustn't be complacent about the same. With immediate effect, the following must be ensured:-

- Speed limit of all transport within AUMP premises be limited to 30 kms/ hr.
- All students and staff members using 2 wheelers, including pillion riders, shall wear helmets.
- All vehicles must have valid insurance.
- All vehicles must have the AUMP vehicle pass.
- All drivers MUST possess a valid driver's license.

2. Security personnel have been instructed to make random checks not only at the main gate but

Ref. No. AUMP/RO/2018/403 (a)

Date: 24.08.2018

Policy for Ban of Single Use of Plastic

Introduction:

In view of the UN sustainable development goals (SDG), Amity University, Madhya Pradesh acknowledges the detrimental impact of single-use plastic on the environment, human health, and ecosystems. In alignment with its commitment to sustainability and environmental stewardship, the university hereby establishes a policy to ban the use of single-use plastic on campus. This policy aims to promote responsible consumption, reduce plastic waste generation, and encourage the adoption of sustainable alternatives.

Scope:

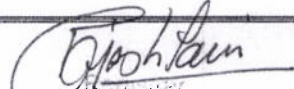

This policy applies to all members of the university community, including students, faculty, staff, visitors, and vendors. It encompasses all single-use plastic items, including but not limited to plastic bags, straws, cutlery, cups, water bottles, food packaging, and any other disposable plastic items.

Objectives:

The objectives of this policy are as follows:

- **Reduce Plastic Waste:** By banning single-use plastic, the university aims to significantly reduce the amount of plastic waste generated on campus, thereby mitigating its environmental impact, and promoting sustainable waste management practices.
- **Encourage Sustainable Alternatives:** The policy aims to foster a culture of responsible consumption by encouraging the use of sustainable alternatives to single-use plastic. This includes promoting the use of reusable items, biodegradable materials, and environmentally friendly packaging options.
- **Raise Awareness and Education:** The university will conduct awareness campaigns, educational programs, and workshops to inform and educate the university community about the negative consequences of single-use plastic and the benefits of adopting sustainable alternatives.
- **Support Sustainable Practices:** The policy will support and collaborate with local suppliers, vendors, and businesses that provide sustainable alternatives to single-use plastic, thereby contributing to the development of a sustainable market.

Registrar
Amity University Madhya Pradesh
Gwalior

Registrar
Amity University Madhya Pradesh
Gwalior

Types of Plastic Banned:

All types of single-use plastic items are banned on campus. This includes plastic bags, straws, cutlery, cups, water bottles, and food packaging. The use of biodegradable plastic is also discouraged, as it is not a sustainable solution and can contribute to environmental pollution.

Alternative Materials:

The university encourages the use of sustainable alternatives to plastic, such as paper bags, cloth bags, metal or glass bottles, and utensils made of bamboo, wood, or other sustainable materials. Retail outlets and canteens on campus are required to comply with this policy by using alternative materials and ensuring that single use plastic items are not provided to customers. The university will provide training and awareness programs to encourage all members of the university community to reduce their single use of plastic and adopt sustainable alternatives.

Implementation Plan:

To effectively implement the Ban of Single-Use Plastic policy, the following measures will be undertaken:

- **Communication and Education:** The policy will be communicated to all members of the university community through various channels, including the university website, email, social media, posters, and information sessions. Educational campaigns will be conducted regularly to promote understanding and awareness.
- **Compliance and Enforcement:** All individuals and entities on campus, including retail outlets, canteens, and vendors, must comply with the policy. Regular inspections will be conducted to ensure compliance, and non-compliant parties will be provided with guidance and support to transition to sustainable alternatives.
- **Availability of Sustainable Alternatives:** The university will facilitate access to sustainable alternatives by partnering with suppliers and vendors who offer eco-friendly options. This may involve establishing partnerships, providing resources and information, and incentivizing the use of sustainable alternatives.
- **Waste Management:** Proper waste management practices will be implemented to ensure the segregation, recycling, or safe disposal of any residual plastic waste generated on campus. Collaborations with waste management agencies will be established to optimize waste management systems.

Monitoring and Evaluation:

The university will establish a monitoring and evaluation framework to assess the effectiveness of the policy. This includes:

- Regular assessments of plastic waste generation, reduction, and diversion rates on

Registrar
Amity University Madhya Pradesh
Gwalior

Registrar
Amity University Madhya Pradesh
Gwalior

campus.

- Feedback mechanisms to gather input and suggestions from the university community.
- Performance indicators to measure the adoption of sustainable alternatives and compliance with the policy.
- Annual reporting on the progress and outcomes of the policy to stakeholders and the university administration.

Conclusion:

The Ban of Single-Use Plastic policy reflects the university commitment to environmental sustainability and responsible practices. By eliminating single-use plastic, the university aims to create a cleaner, healthier, and more sustainable campus environment. Through collaboration and awareness, the policy encourages the adoption of sustainable alternatives and fosters a culture of environmental responsibility among the university community. The policy will be reviewed periodically to ensure its effectiveness and alignment with emerging best practices and technologies in plastic waste management.

was put up before the Academic Council for approval of its implementation. The same was approved by the Council and is attached as Appendix - 5

21. **Agenda No. 18: Other Points with the Permission to the Chair.**

(a) Director, ASCENT raised the questions about the continuation of Communication Skill course in 2nd Semester onwards for B.Pharm.

(b) It was decided that the Communication Skill course would be taught in 5th and 7th Semesters when the credit load of core subjects is low.

22. (a) The Chairman asked the views of all the members on how to better prepare the students for placements, particularly the final year students.

(b) Dr Vikas Thakre said that University should have 3-4 days training workshop for preparation of resume, how to face the interview etc.

(c) Mr Rajat Pathak, Director CRC said that we should give more emphasis to train the students in coding & programming from 1st year onwards, in r/o CSE and ECE students.

(d) The Chairman said that the companies who come for placement basically check the following through online test(s):-

(i) Logic.

(ii) Statistics and Probabilities.

(iii) Coding and Computer Skills.

(iv) Aptitude and Reasoning.

(e) The Chairman requested Director CRC to share the following details with the Hols, so that the students could be trained accordingly:-

(i) Question papers of past recruiters.

(ii) Feedback received from the companies.

(iii) Information about website of the companies who are empanelled for upcoming placement.

(a) **Skill Based Quiz Competition.** The Chairman directed all Hols to organize some skill based quiz competition and keep some prizes/incentives for winners to motivate the students.

(b) **Home Assignments.** The Chairman asked all Hols to give adequate home assignments to the students to train them to be future ready.

- (c) **English Language Skills.** The Chairman requested all Hols to ask all your respective faculty members and students to speak in English in the campus, so that the English language skills of the students could be enhanced.
- (d) **Students Seminars.** The Chairman said that we should organize students seminar in the respective institutes, where the students will be required to speak on a particular topic given by the Hols. The topic should be higher than the syllabus being taught. The Chairman said that this should be started from 1st year itself.

23. Since there was no other point to discuss, the meeting concluded at 1330 hrs with thanks to the chair.

OUTCOME REPORT

of

Celebration of World Environment Day, 5 June, 2018

By

Department of Environmental Science

1. General Introduction (50-80 words)

The World Environment Day was celebrated on 5th June 2018 at Amity University Madhya Pradesh campus in Gwalior. It was done through Tree Plantation programme inside the University Campus. This was an effort to enhance Sustainable Development and Environmental Awareness amongst all. India is the global host of 2018 World Environment Day in collaboration with The United Nations Environment Programme. To be at par with the theme of World Environment Day 2018, i.e. “Beat Plastic Pollution”, single-use plastic is banned inside Amity University Madhya Pradesh campus to combat plastic pollution.

2. Objective(s) of the Event (Point-wise)

- Mass awareness on disposal of plastic
- Restrict single-use plastic products like bottles, pots, glasses, plates, cups
- Exhaustive tree plantation and encourage afforestation programme
- Maintenance of dignity of labour in the University campus and all supporting staffs to be given proper respect and included in all University Functions.
- Sound health and physical fitness of every member of the University.

3. Envisaged Vs Achieved – Tangible Outcomes

Sn	Envisaged Outcome	Achieved Outcome	Remarks, if any
1	Tree plantation at AUMP	Tree Plantation of 25 plants	
2	Gathering of all academic, non academic and supporting staff	Gathering of All members of AUMP	
3	Maintenance of dignity of labour in the University campus	All academic and non-academic members of

Amity University Madhya Pradesh Organized Essay Writing Competition to Celebrate Swachchhata Pakhwada

Amity University Gwalior organized an Essay Writing Competition on the topic “Innovative Ways for Spreading the Message of Hygiene” on 05 September 2017. The competition was organized as a part of Swachchhata Pakhwada being observed in the university from 01-15 September 2017 following the mandate by the Ministry of Human Resource Development, Govt. of India, with a vision to spread awareness and sensitize the university students regarding their role in making India a clean country.

The competition was organized at two levels – University Level and National Level. In all, 21 students from all across the university participated at University Level Competition out of which 05 students were selected, and were registered for participating in National Essay Writing Competition on the topic “What I Can do for a Clean India”. The winners of the first round were - Pragati Shivhare BBA V, Malika Singh Chauhan BBA III, Mrinalini Parmar BTB V, Nimish Anand CSE III, Mansi Taneja BTB V.

निर्देश

हाईकोर्ट परिसर में वाटर हारवेस्टिंग के लिए अब तक क्या हुआ बताएं

शासन को भी पेश करना है पालन प्रतिवेदन

प्रिंसिपल रजिस्ट्रार को अगली सुनवाई पर रिपोर्ट पेश करने के निर्देश

पत्रिका न्यूज नेटवर्क

patrika.com

ग्वालियर. उच्च न्यायालय ने वाटर हारवेस्टिंग मामले में उच्च न्यायालय खंडपीठ ग्वालियर के प्रिंसिपल रजिस्ट्रार को निर्देश दिए हैं कि उच्च न्यायालय परिसर में वाटर हारवेस्टिंग के लिए अब तक क्या किया गया है, इसकी रिपोर्ट अगली सुनवाई पर पेश करें।

उन्होंने इस संबंध में कहा, त्वरित कार्रवाई की जाए। वही न्यायालय के निर्देश पर नगरीय विकास विभाग तथा पीएचई सहित चार विभागों को पार्टी बनाया गया है। न्यायमूर्ति शील नाग तथा न्यायमूर्ति सुश्रुत अरविंद धर्माधिकारी की युगलपीठ ने डॉ. राखी शर्मा द्वारा प्रस्तुत जनहित

याचिका पर सुनवाई करते हुए यह निर्देश दिए। वर्ष 2016 में मानसून से पूर्व शहर में वाटर हारवेस्टिंग कराए जाने के लिए पेश जनहित याचिका पर जब भी सुनवाई हुई तब न्यायालय द्वारा यह टिप्पणी की जाती रही कि क्या मानसून के बाद वाटर हारवेस्टिंग की जाएगी? शहर की समस्या को देखते हुए न्यायालय ने इस याचिका को प्रमुखता से लिया है। सोमवार को हुई सुनवाई में युगलपीठ ने इस संबंध में रिपोर्ट पेश करने के निर्देश दिए हैं। याचिकाकर्ता के अधिवक्ता राजू शर्मा के अनुसार चार विभागों को इस मामले में पार्टी बनाया गया है। इस मामले में शासन की ओर प्रतिपालन रिपोर्ट पेश करने के लिए तीन सप्ताह का समय मांगा गया। इस पर न्यायालय ने कलेक्टर व निगम आयुक्त को अगली सुनवाई पर पालन प्रतिवेदन प्रस्तुत करने के निर्देश दिए हैं।

जेयू और एमिटी की प्रशंसा

सुनवाई के दौरान न्यायालय में जीवाजी विश्वविद्यालय तथा एमिटी विश्वविद्यालय की अधिवक्ता अनुराधा सिंह ने बताया, उनके द्वारा सबसे पहले प्रतिपालन रिपोर्ट पेश की गई थी। इस पर न्यायालय ने दोनों विश्वविद्यालयों की इस कार्य के लिए प्रशंसा भी की।
