Password : Shared Via Email

**Technical support guide:**

- ❖ DrillBit servers are bound to work 24/7, without interruptions. In case of any server up gradations, a prior message will be displayed in the website.
- ❖ Server maintenance work doesn't take more than one hour.
- ❖ Technical support is provided during working hours. (10 am to 6 pm)
- ❖ If any problem regarding this persists, please contact through mail or phone. ([support@drillbitplagiarism.com](mailto:support@drillbitplagiarism.com) or 8618037008, +91 80 26794277)
- ❖ Users are encouraged to set assignment due dates that avoid these scheduled maintenance windows for DrillBit services.
- ❖ In case of any troubles faced during submissions/Logins always connect us through mail with a snapshot/screenshot of the issue to us.
- ❖ All of our authorized users are permitted to access the service comfortably, if in case any misuse of service is found then they are immediately blocked. (IP addresses of misusers are traced through server to provide better service to our beloved customers).

**Terms of Software License Agreement:**

- ❖ The University/Institute level Repository system is maintained; the papers which are uploaded in the repository will be stored in the server and the ownership rights will be with the University/Institutions only. The papers will not be used any other purpose except for plagiarism check and files are stored in the encrypted format.
- ❖ The files which are submitted for plagiarism check will not be saved automatically in the Repository
- ❖ The files which are submitted for plagiarism check, will be saved in the temporary memory until 3 months and will be deleted automatically if the file is not saved/moved to Repository. Users must download and store in the local system before deleting it. (Temporary memory storage time limit can be increased/decreased as per customer requirement)
- ❖ The files which are submitted to DrillBit will not be shared with any parties and will not be used for any purpose.
- ❖ These Terms of Sale set forth the terms and conditions for Customer's purchase of Services solely for Internal business use only.
- ❖ Customer shall not resell to, make available for use by, or otherwise transfer title to any Product to, any end user or other third party, including any reseller, without such reseller certifications or distribution rights
- ❖ Customer is not authorized by these Terms of Sale to resell Products to other local entity.
- ❖ Prices for Services shall be those specified in quotation
- ❖ Customer shall pay any taxes related to Services provided pursuant to these Terms of Sale or shall present an exemption certificate acceptable to all relevant taxing authorities. Applicable taxes shall, to the extent practical, be billed as a separate item on the invoice.
- ❖ Customer acknowledges that they may each obtain Confidential Information in connection with these Terms of Sale and their relationship. The receiving party shall at all times keep in trust and confidence all such Confidential Information and may use such Confidential Information solely for the purpose of furtherance of the business relationship.
- ❖ Customer shall not share user ID and password of services to any other person, entity or organization, if customer fails to adhere these terms and conditions, DrillBit can terminate the services with immediate effect. In such cases, DrillBit will not be liable to pay loss of any of the profits, revenue and business
- ❖ Customer license shall automatically terminate at the end of the validity period, unless at least will be renewed prior to expiry. Customer shall contact DrillBit for renewal of the software license prior to expiry date
- ❖ Supported File formats- pdf, tiff, doc, docx, txt, html, htm, dotx, odt, pptx, xlsx, rtf, postscript, word perfect

Kind Regards,

Mr. Jayanna Belavadi
