

**REPORT: COMMUNITY SCREENING AND ASSESSMENT PROGRAM**

**Date: October 12, 2018**

**Venue: Amar Jyoti Rehabilitation Center, Gwalior**

**Organizers: Amity Institute of Behavioural & Allied Sciences (AIBAS), AUMP**

**Introduction:**

On October 12, 2018, AIBAS, AUMP organized a Community Screening and Assessment Program at the Amar Jyoti Rehabilitation Center in Gwalior. The program aimed to provide screening and profiling services to individuals in need, under the leadership of Dr. Rajendra Kumar Sharma, Head of Department, and Program Coordinator Shubham K Suryavanshi, alongside M.Phil students.

**Program Details:**

The program commenced with a comprehensive screening process conducted by the team of professionals and M.Phil students. A total of 12 individuals were screened and profiled at the center. The screening encompassed various aspects, including mental health assessments, behavioral analysis, and personalized consultations to address specific needs.

**Positive Outcome:**

The Community Screening and Assessment Program yielded promising outcomes. By reaching out to individuals in need, the program played a pivotal role in identifying potential mental health concerns and providing timely interventions. The personalized approach adopted by the team facilitated a conducive environment for individuals to express their concerns and seek appropriate assistance.

**Follow-Up:**

In line with our commitment to holistic well-being, AIBAS, AUMP plans to conduct regular follow-up sessions to monitor the progress of individuals identified during the screening

program. Follow-up sessions will include personalized counseling, therapy sessions, and access to support networks, ensuring sustained support and continuity of care for the participants.

**Conclusion:**

The Community Screening and Assessment Program underscored the importance of proactive intervention in addressing mental health issues within the community. By extending support to individuals in need, AIBAS, AUMP reaffirms its commitment to promoting mental well-being and fostering a supportive environment for all.

Moving forward, we remain dedicated to organizing similar initiatives aimed at reaching out to underserved communities and providing them with the necessary resources and support. Together, we can make a meaningful difference in the lives of individuals struggling with mental health challenges.
