1. Anganwadi Adoption Project of NSS AUMP

Anganwadi Kendra, Chakraipur Village, Gwalior

(18th December 2023)

As per the directives from the **Madhya Pradesh Private University Regulatory Commission (MPPURC) vide circular no. [1736/IT/MPPURC] dated 13/07/2023** and **MP Govt Higher Education commission letter No [538/194/NSS/2022/38] dated 11.07.2023**, it was mandated to adopt one Anganwadi Kendra by NSS unit of Amity University Madhya Pradesh (AUMP). Anganwadi kendra of the NSS adopted village Chakraipur is duly functional and was selected for adoption. Due permissions were obtained from the office of the Child Development Project Officer (CDPO) Morar, WCD (Women and Child Development Department), Distt- Gwalior.

Anganwadi Kendra of village Chakraipur is presently functional in the village community center. Approximately 45 children of age 0-5 years come to Anganwadi on working days. Anganwadi is functional with one Anganwadi worker and one helper. To initiate the project, inspection of circumstances and working conditions prevailing in the Anganwadi premises and the surroundings revealed the requirements to enhance the facilities available for the children of Anganwadi and the capacity building of the caretakers of Anganwadi. Whitewashing and repairing work planned for the Anganwadi adoption project has been accomplished. Books, Copies, color pencils and useful stationery to enhance the cognitive skills of the students of the Anganwadi children along with stationery useful for capacity building of the Anganwadi workers were gifted to the Anganwadi on 3.11.2023. Charts and posters for diversifying their general knowledge and mathematical skills were also gifted. A beautiful function was organized by the NSS unit of AUMP in Anganwadi Kendra on 18th November 2023. Honorable Pro chancellor of Amity University Madhya Pradesh visited the Anganwadi and gifted toys, chairs, study tables and furniture to the Anganwadi children for increasing their comfort and interest to come to the Anganwadi. To teach them the importance of domestic waste management, separate waste bins were given to them. Height Chart and weighing machine were provided for periodic health monitoring of the children. NSS volunteers of AUMP interact with the Anganwadi children to

teach them one specific topic regarding hygiene, healthcare, nutrition, good conduct, good touch and bad touch. It is a very sweet initiative of the Govt. for it bonds Amity University NSS volunteers with children of Anganwadi.

Committee was formed with responsible youngsters from the village and the NSS volunteers of AUMP for safe and regular use of the toys, stationery and furniture in the adopted Anganwadi. Stock registers have been prepared with instructions to maintain the stocks regularly. The youth of the village enthusiastically participated in the celebrations of the Anganwadi adoption. Regular maintenance of Anganwadi has been taken up by Amity University Madhya Pradesh and there are future plans to build boundary walls and further development.

Honorable Pro Chancellor of Amity University Madhya Pradesh Lt Gen VK Sharma, AVSM (Retd), Pro Vice Chancellor, Professor Dr Anil Vashishth, Director Administration, Col Sethi, Mr. Rajnish Sharma, Director, ASET, Dr. Vivek Jaglan and the team of NSS faculties participated in the event with 160 volunteers of NSS, AUMP.

2. Govt. Survey on unemployment in the NSS adopted village Chakraipur

(15th December 2023)

NSS volunteers of AUMP performed “Survey on Youth not in formal education or regular employment” in the NSS adopted village Chakraipur on 15th December 2023. The camp was organized as per the directives of Govt. of MP. The survey format was provided by the Govt of MP. The volunteers worked out in detail about various reasons of illiteracy, lesser literacy and the lack of awareness in respect of Government policies to promote education and employment for the less informed village population. The volunteers created awareness about the need of education for better living and career opportunities among the residents of the village. The

villagers also responded to the efforts of NSS volunteers with maximum turnout from the village and promised to remain vigilant for promoting awareness about the schemes of Govt for building better future of the citizen. 130 NSS volunteers conducted the camps at 0930 hrs and concluded the program at 1430 hrs. The volunteers experienced that NSS provides the extremely valuable contribution of young people from educational institutions to engage with the most vulnerable segments of society. Honorable The NSS volunteers' work was immensely praised by Lt Gen VK Sharma, AVSM (Retd), Pro Chancellor of Amity University, who also bestowed upon them the blessing to carry on providing social services in the future. Pro Vice Chancellor of Amity University Prof. Dr. Anil Vashishtha expressed admiration for the volunteer team and informed the villagers that Amity University Madhya Pradesh would always support their needs as well as the village of Chakraipur's sustainable development. He appreciated the NSS volunteers' efforts and conveyed his satisfaction with their eagerness to contribute to the advancement of the adopted village Chakraipur. Dr. Rachna Kathal, Dr. Manish Dubey and Dr. Arvind Singh Jadon, of NSS, AIB coordinated the unemployment survey camp on 18.11.2023 to 15.12.2023

3.Pradhan Mantri Matru Vandana Yojana Campaign in the NSS adopted villages Sigora

(4th November 2023)

In the NSS-adopted villages of Sigora, AUMP NSS volunteers carried out the Pradhan Mantri Matru Vandana Yojana campaign. On November 4, 2023, a campaign of awareness was held in the NSS-adopted villages of Sigora to inform the villagers of the purpose of the Beti Bachao Beti Padhao scheme, which is to celebrate the birth of a girl child to prevent the interests of girls from being violated due to antiquated and conservative beliefs and practices. The government of India launched the "Save the Girl Child, check female feticide and Educate the Girl Child" campaign with the goal of raising awareness and enhancing the effectiveness of welfare programs designed for females in the country. The volunteers informed the villagers about the different measures taken by the Ministry of Health and Family Affairs and the Ministry of Human Resource Development to guarantee the continuation and preservation of girls' education. This entails coordinated, multisectoral efforts to run the Beti Bachao Beti Padhao Scheme (BBBP). In response to these volunteer efforts, the villagers also pledged to maintain their vigilance to provide the government's initiatives to "Save Girl Child" and "Educate Girl Child" with the greatest amount of support possible. They pledged to help the administration with its BBBP initiative. The

volunteers started the campaign at 0930 hrs and concluded the program at 1430 hrs. 44 NSS volunteers of AUMP visited the adopted village Sigora for Matru Vnadana Yojana campaign. Based on voluntary work, NSS actively advocates for the tremendously beneficial effects that young people from educational institutions have when they interact with the most marginalized groups in society. The event was supervised by Dr. Manish Dubey, ASCO; Dr. Arvind Kumar Jadon, AIP; and Dr. Rachana Kathal, NSS program officers.

The Pro-Chancellor of Amity University Madhya Pradesh, Lt Gen VK Sharma (AVSM), praised the NSS volunteer's dedication to promoting social consciousness. Pro Vice Chancellor Prof. Dr. Anil Vashishth said that a young person who has received a good education ought to be actively engaged in society and take full responsibility for social welfare.
