ESTABLISHMENT OF AMITY UNIVERSITY MADHYA PRADESH

ABOUT AMITY UNIVERSITY MADHYA PRADESH

Amity University Madhya Pradesh (AUMP) was established by Ritnand Balved Education Foundation (RBEF) at Gwalior by Madhya Pradesh Niji Vishwavidyalaya (Sthapna Avam Sanchalan) Adhiniyam – 2007 and Dwitiya Sanshodhan Adhiniyam (No. 27 of 2010) vide State Government Notification No. 7692-406 dated 30 Dec 2010, with the view to promote professional, industry-oriented education in the State of Madhya Pradesh. Amity University Madhya Pradesh, Gwalior located on a **sprawling campus of 102 acres of land** opposite Gwalior Airport, imparts modern, practical and **research-oriented courses** which lead to the development of professionals who are employable and industry ready. This in turn drives the socio-economic upliftment of the region.

Amity University Madhya Pradesh (AUMP) imparts education in almost all areas including Management, Engineering, Architecture, Biotechnology, Law, Journalism & Mass Communication, Behavioral Science, Psychology, Fashion, Political Science, Pharmacy etc.

AUMP has **state of the art infrastructure** with modern amenities which matches with the best across the country and is of international standards. The whole campus is wi-fi enabled. Electricity is available 24X7 and all the buildings are air conditioned.

The University has its **own intranet named AMIZONE (Acronym for Amity Intranet Zone)**, which is equipped to store all the academics and administrative data of the university, thus promoting digitalization. Session Plans, Lesson Plans, Examination Details, Fee Details, Payment Details, Attendance Report, Grievance Redressal, and other administrative details are all available through AMIZONE. The students can access study materials and tutorials anytime, anywhere which is a step towards beyond class room teaching. Mentor Mentee system is in place in the campus with an objective of mentoring and recognizing the potential of students and help improve their self-esteem and confidence. Apart from this, trained counsellors have been appointed to provide prompt assistance on issues related to health and emotional wellness.

The courses offered by AUMP are evaluated regularly to achieve the course objectives based on the feedback on placement, employability and latest development in technology then by keeping pace with the changing times. Faculties and students of AUMP are encouraged to carry out industry oriented cutting edge research work in the university. The faculties of AUMP have been successful in getting several sponsored projects from various State and National funding agencies.

Grooming and etiquette, Communication Enhancement Classes, Behavioural Science, One Foreign Language, **Pre-placement Training Classes, and Aptitude Training Classes** are a part of curriculum, which helps in overall development of the students. **The University offers a Choice Based Credit System, wherein a student can select any one of the 38 Minor Tracks across disciplines.**

In terms of placements, **AUMP has consistently achieved outstanding results, with an average annual campus placement rate exceeding 90%** over the past five years (2018-2019, 2019-2020, 2020-2021, 2021-2022, and 2022-2023). Notably, the highest annual CTC offered last year was INR 34.5 Lac PA, offered by COMMVAULT. This year it has reached INR. 45.00 Lac PA offered by Palo Alto. As far as overall average Annual CTC Package of University is concerned, the same stands strong at INR 5.12 LPA in 2023-24. The average annual CTC package has also seen a remarkable 20% improvement compared to the previous year.

The University was ranked under Top 200 in the University Category by National Institutional Ranking Framework (NIRF) India Ranking 2020 and Amity Institute of Engineering Technology was All India ranked between 201-300 rank band in the year 2024, 151-200 rank band in year 2023, 153rd in the year 2022, 154th in the year 2021 and 162nd in the year 2020 in Engineering Category.

Amity University Madhya Pradesh (AUMP) has achieved a remarkable milestone by securing a distinguished position in the QS South Asia Rankings. The University ranked at 278 in the prestigious QS South Asia Rankings and under the band 801-900 for QS Asia Rankings. AUMP is the first and only University in Madhya Pradesh being recognized as “Institute of Happiness-2024” a recognition awarded based on the online survey conducted by QS I- Gauge.

Amity University Madhya Pradesh was awarded as the Best Private University in Madhya Pradesh in years 2014 by CMAI Association of India and in years 2017, 2018 and 2019 by Dialogue India Group. Amity University Madhya Pradesh was also awarded Excellent Higher Education University in India by CMAI Association of India in 2017. The University was awarded “Utkrisht Vishwavidyalaya Samman” by Madhya Pradesh Private University Regulatory Commission, Bhopal in 2018. The University has been bestowed with ‘Excellent University Award 2020’ by Zee News. AUMP has been awarded a Five Star Rating under “Eat Right Campus” Competition conducted by Food Standard, Safety Authority of India under the aegis of “Eat Right India” campaign launched by Govt. of India. The University was also rated 3 Star in University ranking released by Institutions’ Innovation Council, Ministry of Education 01 Dec 2021. The University secured 2nd rank under band performer in Atal Ranking of Institutions on Innovation Achievements (ARIIA Ranking 2021).

THE AUMP has achieved an overall rank in range 1001-1500 Globally by Times Higher Education Impact Rankings (THE Impact Rankings) out of 1963 Institutions with Overall Score between 45.0 -58.7 out of 100 for the year 2024.

Also, in Sustainable Development Goal (SDG-17) pertaining to Partnership for Goals University ranked between 301-400 out of 1963 Institutions.

The University has been accredited as “Premier University” by Accreditation Service for International Colleges (ASIC).

The Journal Content, Community & Communication (JCCC) published by AUMP is Scopus Indexed and ranked first media journal in India and 5th in Asia.

The University has established following six Centre of Excellence:

- Centre of Excellence for Chemical Biological Radiological and Nuclear (CBRN) Mitigation
- Centre of Excellence in Nanobiotechnology and Alternative Medicine
- Centre of Excellence for Gwalior as a Smart City
- Centre of Excellence for Detection of Fake News and Disinformation
- Centre of Excellence for Environmental Conservation & Biodiversity
- Centre of Excellence for Tribal Development

In addition to opening Legal Aid Centres, Judges/Judicial officers are also being trained in Mediation so that out of court settlement specially in family related court cases, can be resorted to. These twin measures initiated by the Apex Court, High Courts and District Courts will go a long way and will stand in good stead to dispense justice to the poor, which is cheap and quick.

AUMP has wholeheartedly embraced the National Education Policy 2020 (NEP 2020) in line with UGC and the Department of Higher Education, Madhya Pradesh guidelines. This transition has been seamlessly implemented since 2023, and includes the registration of the University on the **Academic Bank of Credits (ABC) portal**. This initiative facilitates student mobility, credit accumulation, and redemption.

Amity University Madhya Pradesh is a research driven University which continues to be a trailblazer in providing world-class education and contributing to research and innovation in the State of Madhya Pradesh. Our unwavering commitment to excellence, extensive academic offerings, remarkable placement records, and recognition from various quarters firmly establish us as a leader in private education in the region.

ACT & NOTIFICATION

Amity University Madhya Pradesh has been established by the Ritnand Balved Education Foundation (RBEF), New Delhi which is a society registered under the Societies Registration Act, 1860 and was established by the Madhya Pradesh Legislature through an amendment in **Madhya Pradesh Niji Vishwavidyalay (Sthapna Avam Sanchalan) Adhiniyam – 2007 as Madhya Pradesh Act (No. 27 of 2010) vide State Government Notification No. 7692-402-इक्कीस-अ-प्रा dated 30.12.2010, and is recognized by UGC vide letter No. 8-33/2010 (CPP- I/PU) dated 24.08.2011.**

The First Statutes of the University were published in Madhya Pradesh Gazette on 28.12.2012 vide Notification No. 52 and the First Ordinances of the University were published in Madhya Pradesh Gazette on 05.04.2013 vide Notification No. 14.

Implementation of National Education Policy 2020

AUMP has wholeheartedly embraced the National Education Policy 2020 (NEP 2020) in line with UGC and the Department of Higher Education, Madhya Pradesh guidelines. This transition has been seamlessly implemented since 2023, and includes the registration of the University on the **Academic Bank of Credits (ABC) portal**. This initiative facilitates student mobility, credit accumulation, and redemption.

Functional and Academic reforms done wrt the Course Structures & Examination for Implementation of NEP 2020 in Amity University Madhya Pradesh.

1. For Undergraduate three years degree course minimum credit requirement is reduced to 120 from 150.
2. For four-year degree courses minimum credit requirement has also been reduced to 160 from 200 (as per AUMP curriculum structure).
3. Whole curriculum structure in r/o B.A, B.Sc., BBA, B.Com, BCA and BJMC programmes has been revised as per the ordinance 38A.

VISION, MISSION & ETHOS

VISION

To make Amity University Madhya Pradesh a center of Excellence in Higher Education by providing value based holistic education, inculcating leadership qualities, encouraging research, innovation and nurturing talent.

MISSION

To provide quality education catering to diverse, contemporary educational and research needs of the nation with emphasis on regional aspirations and develop balanced personalities with positive outlook and leadership qualities.

ETHOS

The world today is shrinking into a global village and therefore it is imperative to provide such education that anchors the youth to its moorings, while enabling them to fly high in the unlimited sky. Amity University Madhya Pradesh, a microcosm of brand Amity, promotes holistic education, nurturing not just skilled citizens for tomorrow but responsible human beings and leaders of men and communities. Amity embraces the diversity of the evolving world and at the same time promotes Indian values, thereby strengthening the moral fibre of the country. The 101 attributes of Amitian are imbibed through the academic eco system that fosters leadership, responsible citizenship and respect for all fellow beings.

UNIVERSITY PROFILE

Amity University Madhya Pradesh ensures inclusive learning and equitable quality education and promotes lifelong learning opportunities for all. The University offers programmes for students and research scholars in all areas of Science, Technology, Engineering, Management, Law, Pharmacy, Arts and Behavioral sciences etc. The goal is to empower and academically prepare young people, especially those at a socioeconomic disadvantage, but who to aspire to a university education. AUMP also works to strengthen the University's relationships with international schools and organizations.

Amity University Madhya Pradesh is in partnership with many International Universities including the offshore campus of the Amity Universities to provide professional and personal skills and capabilities in Higher Education and Research for the all round development of faculty members and students.

Details of Infrastructure, available during the academic year 2023-24 are given below:-

TOTAL BUILD UP ARE: AUMP is located on 102 acres of land opposite Gwalior Airport, with an aim to impart modern, practical and research based courses for churning out highly skilled manpower which is industry ready and easily employable. The primary object of the University is to promote professional, industry-oriented education in the State of Madhya Pradesh and enhance the socio-economic upliftment of the region.

INFRASTRUCTURE

Academic Block - 'A'

Academic Block - 'B'

Academic Block - 'C'

Academic Block - 'D'

Academic Block - 'E'

Hostel Block

CLASS-ROOMS:

Amity University Madhya Pradesh has 117 class rooms. All classrooms are spacious and air-conditioned. They provide the most conducive atmosphere for dynamic and focused discussions with adequate comfort level for the students to pursue their studies in the desirable environment. Classrooms at Amity have been designed to bring together teaching with discussion & analysis and are augmented with integrated audio-visual teaching aids for lectures, presentations etc.

LECTURE THEATERS:

Amity University Madhya Pradesh has 62 air-conditioned Lecture Theatres. These lecture theatres not only cater to the need of larger classes, but are structured to facilitate student seminars, project presentations etc.

LABORATORIES

The changing paradigms have made it mandatory for an academic institution to foster a new breed of professionals – individuals equipped with the right kind of knowledge, technical skills, ability to think out of box and are innovative. The industry expectations have gone higher and only those survive and sustain who have the right attitude & skills to accept challenges and increase the performance ladder each day. Hard work is no more the key to success, but individuals are expected to work smarter and consistent without failure.

Amity University Madhya Pradesh provides students with a wealth of hands-on learning opportunities. There are 67 laboratories where students can get first-hand learning experience in different areas like Mechanical, Electronics, Information Technology, Welding, Construction, Biotechnology, Fashion Design, Communication Skills, Photography, Pharmacy etc.

Computer Laboratories:

Amity University has 12 computer labs with more than 840 computers with latest configurations. All computer labs are well maintained by a dedicated IT staff and have latest hardware and licensed Application and System software available on the systems. The software's take care of the needs of all the students. As an ongoing process, these labs are upgraded regularly with software as per the syllabi of the students.

About The Library

Books and Journals available in the Library

The Library holds a rich collection of more than 36566 books with more than 7031 Titles, near about 97 plus Journals, 17 Newspapers and 25 Magazines. These are extremely useful in the studies of students, research scholars and faculty members of Engineering, Management, Law, Pharmacy, Biotechnology, Journalism, Fashion, Architecture, Psychology etc. Apart from these subject wise other books are also available for the student to make them responsible citizens of the nation. The books like Satyarth Prakash by Maharishi Dayanand Saraswati, Hamlet, Tempest by William Shakespeare, Life of Pie by Martel, Yann, Vilkashan Jannayak, "*Hindutva For Changing Times*" written by Shri J. Nand kumar etc. are kept in the library for reading and motivating the Students/Scholars.

E-Resources: The Library of AUMP is enriched with more than 7500 e- materials like e- Books, e- Magazines, Conference Proceedings, & Audio-visual Lectures etc. via our own domain i.e., Amizone.net, where all e-resources are available for AUMP users.

Beside this the Central Library along with 06 departmental Libraries are fully Automated by KOHA Library Management Software. All these libraries are running under the supervision of fully trained and knowledgeable library staff.

The University also has the membership of very reputed Learning & Reading platforms like DELNET, All India Reporter (AIR), Supreme Court cases Online (SSC Online), World E- Books Library (WEL), South Asian Archives and National Digital Library. The University has also signed an MoU with Shodhganga (INFLIBNET).

The Research scholars & students can use the e-material of AUMP not only from the library they can also access the e-materials from their home via remote access through amizone.net

Hostels

The University has four large hostels, two for boys and two for girls with capacity of around 822 students. Separate facilities for boys and girls, caring wardens, and tight security ensure a pleasant stay for students. The mantra of Amity hostel staff is to create a 'home away from home' for all hostel students.

This is achieved by ensuring 24 hours power and water supply, clean, well-lit, spacious rooms, common rooms with television, geysers in bathrooms, and windows with wire mesh to keep out mosquitoes. Each student is provided with a separate bed, mattress, pillow and study table. Each hostel is surrounded by a boundary wall and entry to the hostel is restricted to only those students who are staying in hostel. The hostellers are required to show their identity cards to the security personnel posted at hostel gates and also sign their entry using bio-metric device installed in each hostel. All hostels are Wi-Fi enabled, and the students can access the net 24/7 from their rooms. The students are provided a free laundry service and have 24 hours access to the Medical Room.

Cafeterias:

In addition to the students' Mess located in the hostels, the University has 05 cafeterias, Momo Mafia, Nestle Parlor and 01 Milk parlor. Each academic block has one cafeteria, which serves hot, hygienic and good quality food at highly subsidized rates. The cafeteria makes a vibrant & informal meeting place for the students where friendships for a lifetime are nurtured. The quality of the food is monitored on a regular basis by a committee comprising University officials and students. The University has 01 mess and 3 Dining Halls for serving food.

Auditorium:

A State-of-the-art auditorium with a combined seating capacity of over 600 persons acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events. This auditorium facilitates in bringing students face to face with global thought leaders, academic gurus and corporate heads to share their experiences.

Seminar Halls:

Amity has 04 Seminar Halls with a seating capacity of 300 each. Extremely well designed, the Seminar Halls have all the audio-visual facilities for conducting seminars, conferences and guest lectures for a large gathering of students.

Conference Halls:

There are 05 Conference Halls in the University, one each in Academic Blocks A, B, C, D & E. These conference halls are equipped with audio-visual aids and can be used for video/audio conferencing as well as presentations.

Moot Court:

Amity has a state-of-the-art moot court which is constantly engaged in providing a hands-on learning experience to the students of Law.

Studio:

Amity School of Communication has a state-of-the-art Studio which has no parallel in the entire State of M.P. The large soundproof studio is designed to facilitate video/audio recording and shooting various events.

Offices and Faculty Rooms:

Amity is committed to the welfare of its staff and students. To enable a harmonious teaching-learning environment, the teaching faculty and staff members are accommodated in 49 staff cabins and 178 workstations which are spread across all Academic Blocks.

Institutional Networking:

The entire Campus including the Hostels is Wi-Fi enabled. Additionally, telephones with networking facility to connect to other Amity Universities and Delhi Office have also been provided. A dedicated bandwidth of 500 MBPS is available.

AMITY UNIVERSITY MADHYA PRADESH

Studio Type Accommodation for Faculty:

Amity provides studio type accommodation to its faculty and staff. 10 such well-furnished studio apartments are available in the campus.

Stationery Shop:

Amity University Madhya Pradesh also has a stationery shop in its campus and is managed by a contractor. Students/Faculty Members/Staff can avail the facility during working hours. Apart from the stationery items it also facilitates photocopy (both color and black & white), Scanning, Printing, Lamination and Internet facilities.

ATM (Automated Teller Machine):

In order to facilitate the students, staff of Amity University ATM Facility is available at prime location in the University campus.

Medical Facility:

The medical room is located within the hostel so that the students can easily avail medical care. For emergencies and major medical problems an ambulance is available to ferry the sick to multi-specialty hospitals. Presence of male as well as female Medical Assistants for boys and girls promotes the necessary medical care. In addition to the above, Amity University Madhya Pradesh also provides Group Medical Coverage (GMC) for its employees & staff and Group Accidental Coverage (GPA) for students to meet out the situation of any medical emergency and hospitalization.

SPORTS

The University has 20 acre sports complex which offers ample opportunities to students for regular work-out, lifestyle management and interaction by providing a host of excellent sports facilities. The University encourages sports and physical health amongst students and provide facilities for outdoor games like Cricket, Football, Basketball, Lawn Tennis, Volleyball as well as indoor games like Chess, Carom, Table -Tennis etc. In addition to that, The University has facility of Gym for Boys and Girls.

SOLID WASTE MANAGEMENT

Amity University Madhya Pradesh ensures availability and sustainable management of water and sanitation for all. The University campus is clean & green, and all efforts are made to make it environmental friendly. Some of the initiatives undertaken by Amity University Madhya Pradesh are Rainwater Harvesting to improve the ground water table, Sewage Water Treatment Plant etc.

1. Solid waste in the campus is generated in the form of packing materials, unserviceable/retrieved maintenance items, stationery paper, food items and dry leaves fallen from trees on the roads/ parking.
2. The stationery paper waste and other food items waste are collected in the waste bins (both degradable and non-degradable) installed in the academic blocks in sufficient numbers. The waste generated in the academic blocks is transported to the central waste rooms and further segregated into sellable and other unusable. And finally, both the sellable and unusable waste is lifted by the local vendor for which he pays monthly charges.
3. The waste retrieved from maintenance items is sold quarterly/half yearly to the local vendor by Board of Staff ordered by Dir Admin.
4. The dry leaves fallen on the roads/parking, are collected by housekeeping staff and transported to the compost pits available in the campus wherein they are dumped into the pits for making compost naturally.

LIQUID WASTE MANAGEMENT

1. Liquid waste in the campus is generated in the form of sewerage and wastewater from toilets and cafeterias. This liquid is channelized to manholes installed outside the blocks and further transported to the collection chambers and then lifted/raised through sewage pumps to the STPs installed in the campus.
2. 02 STPs of capacity 2.8 LLPD and 1.6 LLPD (Lakh liter/Day) respectively are installed for taking care of liquid waste generated in the campus. This waste is further treated with various processes at STPs and finally treated water is used in toilets for flushing (in hostels) and for horticulture purposes.

Sewage Water Treatment Plants

SEWAGE WATER TREATMENT PLANT – 1

SEWAGE WATER TREATMENT PLANT – 2

WASTE RECYCLING SYSTEM

1. Liquid waste generated in academic blocks and hostels is transported to STPs through a sewerage pipeline. This waste is further treated with various processes at STPs and finally treated/recycled water is used in toilets for flushing (in hostels) and for horticulture purposes.
2. The dry leaves/cutting waste obtained from hedge cutting/ tree trimming are further recycled/converted into compost naturally. And this compost is utilized in Campus horticulture.

RAINWATER HARVESTING SYSTEM

Why do almost a million people go without daily access to safe water? How does climate change affect adequate water availability? And why does half the world's population go without adequate sanitation? The Water Without Borders program at Amity University Madhya Pradesh seeks to answer these questions and more.

Rainwater collection systems on campus reduces the University's dependence on municipal water systems by, storing the collected water in cisterns. The water is filtered and disinfected for use for both drinking and non-drinking purposes. The Engineering Technology Building has been designed to reflect the faculty's strategic plan, engineering a Sustainable Future, and features rainwater harvesting for wastewater flushing and landscape irrigation.

1. The University has 10 Nos of Borewells in the campus. The borewells dug in the campus do not have enough ground water to yield water continuously. Half of the borewells dry up during continuous pumping. To recharge these existing borewells and to restrict the out-flow of rainwater Amity University has constructed 10 Water Harvesting Pits of capacity 30,000 ltrs at various locations (Water Catchment Area) to conserve rainwater. These pits have been provided enough filter media to restrict the mud/silt during rains.
2. The above has brought a sea change in saving of rainwater and has thus improved the water level, of our borewells which helps us in meeting our water requirement in peak summers.
3. This has also been applauded by Hon'ble High Court Gwalior as public MP Local Newspaper.

Transportation

Amity University Madhya Pradesh has comprehensive Transport facilities. The University has a fleet of Buses hired on need basis to provide the facility to the students to reach the campus with comfort and safety various parts of the city for easy commutation. At all levels, it is ensured that punctuality of the vehicles is maintained. Besides, public Transport is another option to reach the University campus.

GREEN INITIATIVES

Our Environmentally Conscious Campus integrates sustainable features including solar panels, sewage treatment plants, rainwater harvesting, a ban on single-use plastics, and prioritizes green, energy and routine environmental audits, fostering a commitment to a cleaner and greener future for all.

With an aim to promote clean and green energy, the University has successfully installed roof top solar panels in its 03 Academic Blocks with a total capacity of 305 KW. The electricity bill has been reduced by its earlier amount approximately 10% per month of the total bill amount.

Keeping in view the Global warming and changing climate Amity University Madhya Pradesh has taken urgent action to combat climate change and its impacts by Plantation of more than 13600 trees in the campus.

The University has participated in Inter University Swachhh Bharat Abhiyan competition twice in year 2017 and in year 2018. The effort was appreciated by the Inspecting Team for making clean and green environment in a short duration. The University has maintained the existing and added to the Land scape Environment of the Campus. The layout of the land has not been disturbed and existing hill features have been used for layout of the entire Campus. This has made the campus layout beautiful and has been appreciated by all dignitaries and visitors the campus.

The borewells dug in the campus have not enough ground water to yield water continuously. Half of the borewells dry up due to continuous pumping. To recharge these existing borewells and to restrict the out-flow of rainwater Amity University arranged to construct 10 Nos of Water Harvesting Pits of capacity 30,000 ltrs at various locations (Water Catchment Area) to conserve rainwater. The above has brought sea change in saving of rainwater and has thus improved the water level, of our borewells which helps us in meeting our water requirement in peak summers.

SCHOOLS / INSTITUTES

S. No.	NAME OF THE SCHOOLS /INSTITUTES
1.	Amity Business School (ABS)
2.	Amity School of Engineering and Technology (ASET)
3.	Amity Institute of Biotechnology (AIB)
4.	Amity School of Communication (ASCO)
5.	Amity Law School (ALS)
6.	Amity School of Architecture & Planning (ASAP)
7.	Amity School of Fashion Design & Technology (ASFDT)
8.	Amity Institute of Behavioural and Allied Science (AIBAS)
9.	Amity Institute of Pharmacy (AIP)
10.	Amity Institute of Social Sciences (AISS)

PROGRAMMES RUN BY THE SCHOOLS / INSTITUTES OF THE UNIVERSITY

Amity University Madhya Pradesh runs various UG, PG and Ph.D Programmes through its different Schools / Institutes. The following Programmes were being run in 2023-24:-

Amity School of Engineering & Technology (ASET)

- (i) B. Tech (Computer Science & Engineering)
- (ii) B. Tech (Information Technology)
- (iii) B. Tech (Electronics & Communication Engineering)
- (iv) B. Tech (Mechanical Engineering)
- (v) B. Tech (Civil Engineering)
- (vi) B.Sc (Information Technology)
- (vii) Bachelor of Computer Application
- (viii) M.Tech (Computer Science & Engineering)
- (ix) M.Tech (Electronics & Communication Engineering)
- (x) M.Tech (Civil Engineering)
- (xi) Master of Computer Application (MCA)
- (xii) Ph.D.

Amity Business School (ABS)

- (i) Bachelor of Commerce (Hons.)
- (ii) Bachelor of Business Administration (Hons.)
- (iii) Bachelor of Arts (Economics)
- (iv) Master of Business Administration
- (v) Ph.D.

Amity Institute of Biotechnology (AIB)

- (i) B.Tech (Biotechnology)
- (ii) B.Sc. (H) (Biotechnology)
- (iii) M.Tech (Biotechnology)
- (iv) M.Sc. (Biotechnology)
- (v) M.Sc+B.Sc (Biotechnology)–Dual Degree
- (vi) B.Sc (Biology)
- (vii) Ph.D.

Amity School of Communication (ASCO)

- (i) Bachelor of Arts (Journalism & Mass Comm)
- (ii) Master of Arts (Journalism & Mass Comm)
- (iii) Ph.D.

Amity School of Architecture & Planning (ASAP)

- (i) Bachelor of Architecture
- (ii) Bachelor of Interior Design
- (iii) Master of Planning (Urban & Regional Planning)

Amity Law School (ALS)

- (i) B.A., LL.B (H)
- (ii) B.Com., LL.B. (H)
- (iii) BBA, LL.B. (H)
- (iv) LLB
- (v) LLM
- (vi) Ph.D.

Amity School of Fashion Design & Technology (ASFDT)

- (i) Bachelor of Design (Fashion Design)

Amity Institute of Behavioural & Allied Sciences (AIBAS)

- (i) Bachelor of Arts (Hons.) Applied Psychology
- (ii) Master of Arts (Applied Psychology)
- (iii) Master of Arts (Clinical Psychology)
- (iv) Master of Philosophy (Clinical Psychology)
- (v) Ph.D.

Amity Institute of Pharmacy (AIP)

- (i) Bachelor of Pharmacy

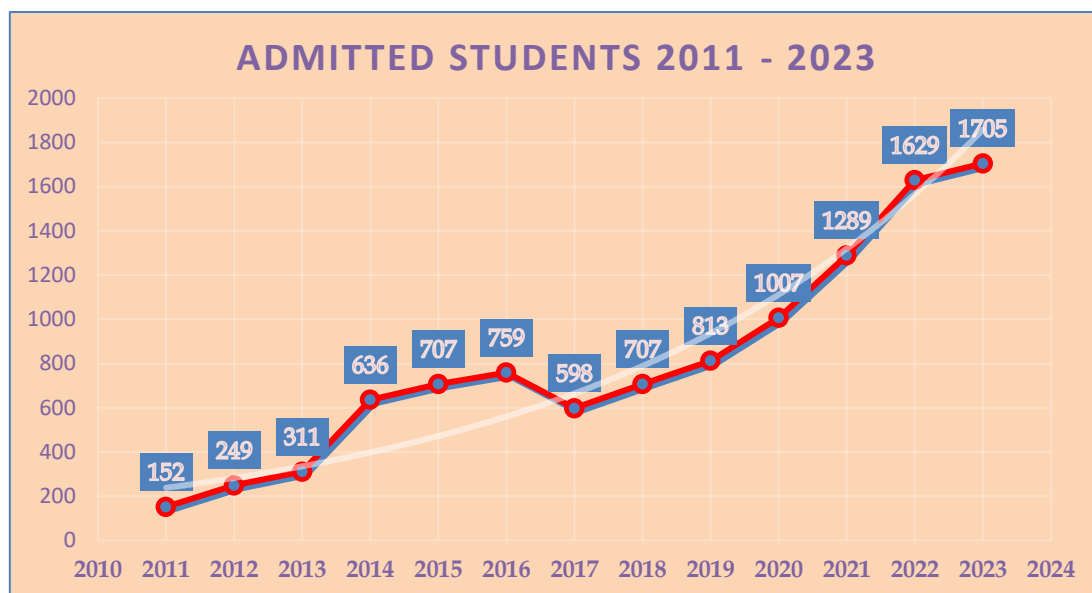

Amity Institute of Social Sciences (AISS)

- (i) B.A. (Hons.) Political Science
- (ii) B.A. (Hons.) History
- (iii) B.A. (Hons.) English

Amity University Madhya Pradesh consistently and regularly provides financial support and assistance in terms of on admission & Continuation of On admission Scholarship to all eligible meritorious students & students belonging to weaker economic class.

The scholarship is given to students who have performed academically well in their qualifying examinations. The scholarship is given at the time of taking the admission in the University and it continues if the student performs equally well as per the laid down criteria of AUMP. The various scholarships offered by AUMP are:

- (a) On admission Scholarship
- (b) Continuation of on admission scholarship
- (c) Merit Scholarship
- (d) Merit cum Means Scholarship

Corporate Resource Center

Connect Between Industry & Academia

AMITY UNIVERSITY

CORPORATE RESOURCE CENTER

The Corporate Resource Center (CRC) of AMITY UNIVERSITY MADHYA PRADESH provides a comprehensive array of services and support for its students and alumni that assist them in their placement and life-long career development.

To meet up and bridge the gap of industry and academia, The Amity University Madhya Pradesh Corporate Resource Centre (CRC) organizes various events from time to time. The aim of these events is to give an exposure to the students to make them industry ready and to provide an interactive platform.

The Corporate Resource Center (CRC) plays an important role in shaping the careers of students through their induction and orientation, summer internships, mid-term projects, right to their final placements and even beyond. CRC also undertakes various academic and non-academic initiatives so that students are well equipped to meet varied industry requirements.

The department organizes activities and workshops that enable students to be effective team leaders as well as team players. This department is operated with twin-fold focus, i.e. augmenting internal competencies by fostering contemporary grooming of students and by enabling industry to identify and absorb intellectuals with requisite technical & managerial skills. CRC department of Amity University Madhya Pradesh supports startups and scale-ups with a focus on Life Sciences, Biotechnology, Pharmacy, Engineering, and Management and advanced Technology AI and Machine Learning, and Information and Communication Technology.

1. The CRC acts as a central hub for all student development and placement related activities and is the repository of all information and resources. It builds in its students the competencies that are valued by prospective employers, forecasting those that will be essential from a future perspective. It provides a forum for future employers to articulate their human resource requirements, and accordingly, groom and recommend students for internships and placement.
2. The CRC recognizes that students' knowledge, skills and attitude play a vital role in their career choices. With this in mind it facilitates various tests to measure the students' career related competencies and develops them further.
3. CRC is headed by the Director CRC, who is an Industry veteran having more than 16 years of industrial experience in large industrial conglomerates. CRC constantly explores the Companies and Industries where our well-groomed students can be placed.
4. CRC interacts with the Industries and co-ordinates various activities like Industry Visits, University - Industry Interaction, Placement for Internship Training and organizing Guest Lectures by prominent industry/ corporate resource personnel. It maintains a strong database of potential recruiters and constantly liaisons with them, assessing trends in their requirement and making efforts to prepare the prospective managers along these lines. The prime objective of the CRC is to maintain strong University Industry linkages and strive for the overall development & grooming of the students according to the industry requirements by conducting workshops, symposia, seminars and conferences both at National and International level. CRC has maintained a sound support with a large number of big companies, industrial conglomerates and reputed business houses.

5. CRC maintains close contact with recruiters throughout the year and conducts numerous workshops on skills like Resume Writing, Group Discussions, Mock Interviews and Sample Aptitude Tests to better prepare our students for job interviews. Our team is fully committed to attending to the individual needs of our students and ensuring that they achieve desired platforms for launching their professional careers.

As part of Recruiter Relations, CRC systematically tracks opportunities across sectors and industries, for students and establishes necessary contacts. CRC also facilitates the extensive on-campus interview processes and conducts rigorous follow-ups. The recruiting teams from companies are appropriately guided about the institutional mechanisms with reference to the placement process.

Key Responsibilities of CRC

- Inviting Industry Experts from various domain / functional areas.
- Identifying the competencies and skills required for different profiles.
- Personality Enhancement & Skill development Sessions for Final Year Students.
- Conducting Mock GD & Interviews for Students.

CAMPUS **Placements**

CAMPUS PLACEMENT 2023

AMITY UNIVERSITY MADHYA PRADESH REGISTERS EXCELLENT PLACEMENT IN ALL SCHOOLS

Amity University Gwalior kick started its 2023-24 Campus Placements season in the first week of July 2023 Total No. of 298 companies from various sectors participated in the Campus Placement processes for full time employment of our students.

AUMP has placed 93.15% of its 2024 Graduate Students

Prominent among the companies which participated in 2023-24 Campus Placements process were

Palo Alto	Commvault	TCS	Xperi	DXC Technologies
Juspay	Josh Technology	SAP Lab	JTP International	Accolite Digital
Genpact	Cloud 4C	Belzabar Software	Hashedin by Deloitte	IBM
Bharti Airtel	Asian Paints	Flipkart	Honda Motorcycle	Hyundai Motors
Volvo Eicher	Tech Mahindra	Yamaha	Human Resocia	L&T Technologies

The compensation level received by B-Tech students has gone up significantly this year as far as the highest package is concerned. Last Year highest annual CTC was INR. 34.50 Lac this year it is INR. 45.00 Lac PA offered by Palo Alto.

As far as overall average Annual CTC Package of University is concerned, the same stands strong at INR 5.12 LPA 2023-24.

Key Highlights of Campus Placements 2023-24 so far is as under: -

- 6932 Job opportunities have been created from 298 companies brought by AUMP.
- 93.15 % is the Overall University Placements Percentage
- Total offers received 371.
- Total students placed 299.
- 62 students have multiple offers.
- Total Dual Offers are 72.
- B-Tech CSE overall Placements % is – 98.88 %
- B-Tech ECE overall Placement % is – 100 %
- ASET Overall Placements % is – 87.40 %
- MBA Overall Placement % is – 100 %
- ABS Overall Placement % is – 100 %

- AIB Overall Placement % is – 100 %
- ASCO Overall Placement % is – 100 %
- AIBAS Overall Placement % is – 100 %
- The highest salary offered is INR. 45.00 lac PA by Palo Alto.
- The highest Package received by engineering student is INR. 45.00 Lac by Palo Alto.
- The highest Package received by Management student is INR. 9.00 Lac by Honda Motorcycle.
- Overall Average Annual CTC of University is INR. 5.12 Lac PA.
- 52 students have been placed at Annual CTC of greater than INR. 6.00 Lacs PA

RESEARCH INFRASTRUCTURE

The pursuit of Research and Innovation is being given utmost priority at Amity University Madhya Pradesh. The brilliant faculty members and students are consistently engaged in cutting-edge research projects covering areas of National & International importance. The major thrust areas of research at AUMP are Microbial Technology, Plant Tissue Culture & Infectious Disease, Bioengineering & Nanotechnology, Bio-resources, Biodiversity & Ecosystem Analysis, Environmental Pollution and Control Technology, Environmental Toxicology, Bioinformatics, Computational Biology, Protein base drug delivery system, Design and development of anti-HIV molecules, Nano carrier based drug delivery system, Depression and anxiety disorders, pain and inflammation (Preclinical), Drug discovery in neurodegenerative disorder, Phyto pharmaceuticals and siRNA delivery for Reproductive cancer (invitro and Invivo), Electronic Materials, Machine design, Material Science, Nano-Materials, Structural Engineering, Artificial Intelligence, Cyber Security, Data Mining and Machine Learning.

Pushing the boundaries of research, the University houses state-of-the-art cutting-edge research infrastructure and facilities. Presently the University has the following R & D Laboratories:

- Chemical, Biological, Radiological and Nuclear (CBRN) Mitigation Lab
- Biotechnology Lab
- Plant Tissue Culture
- Pharmaceuticals Lab
- Pharmacognosy Lab
- Psychometric Analysis Lab
- Advanced Design Lab
- Machine Design Lab
- Pharma Chemistry Lab
- Pharmaceutical Analysis Lab
- Green House
- Textile Design Lab
- Audio Visual Recording & Editing Lab
- Animal Tissue Culture
- Microbiology Lab
- Human Anatomy & Physiology
- Garment Constructing
- Electronics Materials & Nano-magnetism Lab
- Structural Engineering Lab
- Advanced Material Testing Lab
- Machine Room
- Pharmacology/HAP Lab
- Computer Labs
- Moot Court
- Fake News Detection Lab

DIRECTORATE OF RESEARCH & INNOVATION

The Directorate of Research & Innovation at Amity University Madhya Pradesh is responsible for providing research leadership through:

- Promoting and facilitating cutting-edge research.
- Collaborative and inter disciplinary work.
- Building, and providing sufficient support for the community of innovative researchers
- Enhancing research capacity in the University.
- Increasing internal and external research opportunities for faculty, research fellows and students
- Developing networks between the research centres and researchers in the public and private sectors, nationally and internationally.
- Transferring knowledge to society.
- Encouraging faculty members and students to publish quality research in journals of high repute

Research and Publication

1. Quality research and creation of new knowledge

Amity University Madhya Pradesh is a research and innovation driven university wherein faculty are expected to do quality research. Faculty members are motivated to publish research papers only in the journals that are indexed in scopus or web of science. Incentives are being provided to the those faculty members who publish quality research papers, carrying out research projects and consultancy assignments, file/publish a patent etc.

Research Projects Completed:

Sr. No.	Principal Investigator	Title of the Project	Rs. in Lacs of Project	Submitted to
1	PI: Dr. Rajesh Singh Tomar Co-PI: Dr. Vikas Shrivastava	Bio-assisted synthesis of high potential nanoparticles and their antimicrobial efficacy evaluation against wound associated pathogens with special reference to Gwalior region.	7.95	MPCST, Bhopal
2	PI: Dr. Snehal Jani Co-PI: Dr. Ranjeet Kumar (Amity University Haryana)	Development of multifunctional magnetic Fe-Al nanocomposites for high temperature applications	4.50	MPCST, Bhopal
3	PI: Dr. Naveen Sharma	Biotechnological Approaches for Camptothecin Analogs Production from Cell Culture of Nothapoytes Nimmoniana: An Anticancer Medicinal Plant	9.536	MPCST, Bhopal

Research Projects On-Going:

Sr. No.	Principal Investigator	Title of the Project	Rs. in Lacs of Project	Funding Agency
1	PI: Dr. Neeraj Mishra Co-PI: Dr. Vikas Pandey	Dual functional Colon- Targeted Tofacitinib and Probiotics Loaded Microparticles for the Treatment of Inflammatory Bowel Disease	3.20	MPCST, Bhopal
2	PI: Dr. Pankaj Kumar Mishra	Development of Novel Polymer Nanocomposites for Toxic Gas Sensor	6.90	MPCST, Bhopal
3	PI: Dr. Shikha Agrawal, Co-PI: Dr. Manish Gupta	An Intelligent fast and secure extended visual cryptography technique using two-level security for medical images	6.20	MPCST, Bhopal
4	PI; Prof. Kuldip Dwivedi, Co-PI: Dr. Abhishek Bhardwaj	Bioaugmentation of Crude Oil using bacteria and fungus isolates from the oil spilled contaminants site	7.10	MPCST, Bhopal
5	PI: Dr. Vikas Shrivastava, Co-PI: Dr. R. S. Tomar	Antibiofilm activity evaluation of phytochemicals loaded metallic nanoparticles against pathogens with special reference to Gwalior region	6.90	MPCST, Bhopal
6	PI: Dr. Rajeev Sharma, Co-PI: Dr. Wasim Akram	Ligand tethered polymer-lipid based self-assembled nanoconstruct(s) for the effective brain targeting against glioma	6.20	MPCST, Bhopal

CENTRES OF EXCELLENCE

CENTRE OF EXCELLENCE FOR NANO BIOTECHNOLOGY AND ALTERNATIVE MEDICINE

INTRODUCTION

Amity Institute of Biotechnology has established a Centre of Excellence in Nano-biotechnology and Alternative Medicine in order to augment and strengthen institutional research capacity for promotion of interdisciplinary science and innovation in specific areas of biotechnology. It provides flexible long-term support for highly innovative research in Biotechnology.

OBJECTIVES

- To develop and promote R & D activities for applications of Biotechnology.
- To promote Research and Development in all aspects of Nano-Biotechnology and development of Alternative Medicine.
- To develop linkages between industry and R & D for promoting applications of Biotechnology in various sectors.
- To provide consultancy in terms of training, research and dissertation programs for Ph.D., Postgraduate & Undergraduate students.

Following projects are going on in Centre of Excellence in Nano-biotechnology and Alternative Medicine :-

S. No.	Project	Total Amount
1.	<p>Bio-assisted Synthesis of High Potential Nanoparticles and their Antimicrobial Efficacy Evaluation Against Wound Associated Pathogens with special reference to Gwalior region.</p> <p>PI: Prof (Dr.) Rajesh Singh Tomar Co-PI: Dr. Vikas Shrivastava Funding Agency: Madhya Pradesh Council of Science and Technology, Bhopal, Status: Ongoing</p>	Rs.7.95 Lakhs MPCST 2 years
2.	<p>And risk assessment of emerging multi-drug Detection resistant typhoidal Salmonella in potable water and evaluation of gold nanoparticles as potential antimicrobial agents against them.</p> <p>PI: Dr. Anurag Jyoti Co- PI: Dr. Raghvendra Kumar Mishra Funding Agency: Madhya Pradesh Council of Science and Technology, Bhopal, Status : Completed</p>	Rs.4.48 Lakh MPCST 2 years
3.	<p>Large scale development of IL Pmarkers in pea (Pisumsativum) and their potential utility in mapping, diversity, and transferability analysis.</p> <p>PI : Dr. Raghvendra Kumar Mishra Mentor : Dr. Sabhyata Bhatia,(NIPGR New Delhi) Funding Agency : DST-SERB, Status : Ongoing</p>	Rs.8.25 Lakhs DST-TARE 2 years

CENTRE OF EXCELLENCE FOR ENVIRONMENTAL CONSERVATION & BIODIVERSITY

INTRODUCTION

Centre of Excellence for Environmental Conservation & Biodiversity was established in the year 2017 at AUMP, Gwalior. The centre is undertaking R & D activities in the field of environmental conservation and biodiversity analysis.

The Centre is involved in the following efforts:

- Undertaking funded projects from Government agencies and industry.
- Development of eco-friendly techniques and products.
- Assessment and conservation of biodiversity of the State.

OBJECTIVES

- Monitoring of Environmental Pollution and Development of Alternatives Measures.
- Identification and Investigations of Harmful Synthetic Compounds in Environment and Remedial Measures
- Assessment and Conservation of Biodiversity.
- Eco-friendly Product Development

Following projects are going on in Centre of Excellence Environmental Conservation & Biodiversity.

S. No.	Project	Total Amount
1.	Study on Phyto-diversity In-vectorization and Phytosociology of Kuno Palpur sanctuary of North Western Madhya Pradesh	Rs. 10 Lakhs MP Biodiversity Board 3 years

PLANTATION OF MEDICINAL PLANTS

KUNU-PALPUR SANCTUARY

CENTRE OF EXCELLENCE FOR GWALIOR AS SMART CITY

INTRODUCTION

Smart City is the practice of taking advantage of already available technologies to preserve and improve the Quality of life. With this objective, Amity University Madhya Pradesh has joined hands with Gwalior Nagar Nigam and is working as a knowledge partner to create awareness amongst students towards Smart City concept, involve them in developing new ideas for making Gwalior a smart city, propagating these ideas so that local administration could adopt these ideas.

OBJECTIVES

- To create greater citizen awareness for the smart city concept.
- To develop an accountability model for smart city concept.
- To foster discussion on the challenges & concerns of smart city.
- Facilitate interaction among local industries, organizations, academia and local administration.
- To work out models to reduce resource consumption

CENTRE OF EXCELLENCE FOR DETECTION OF FAKE NEWS AND DISINFORMATION

To contribute in the fight against disinformation, Amity School of Communication has established a Centre for Detection of Fake News and Disinformation (CDFND) at Amity University Madhya Pradesh. This Centre remains updated regarding technology for Detection of Fake news/videos/audios/pictures on social media/print/ electronic media. It also liaises with agencies like Google News Initiative, Poynter with know-how and methodology for Detection of Fake News.

The Centre majorly focuses on Open-Source Fact Verifications, Advanced Verification of Photos and Videos on Social Media Platforms, Digital Security and Safety, User Testing, Media Literacy and Crowd Tangles to name a few.

CENTRE OF EXCELLENCE OF CHEMICAL BIOLOGICAL RADIOLOGICAL AND NUCLEAR (CBRN) MITIGATION

The Amity Centre of Excellence for CBRN Mitigation AUMP has been established to take up the Scientific and technological efforts to mitigate chemical, biological and nuclear warfare agents. The centre is also making an effort to create awareness among the students about CBRN.

CENTRE OF EXCELLENCE FOR TRIBAL DEVELOPMENT CENTRE

Amity Centre of Tribal Development has been established in 2018 for Socio-Economic upliftment of Tribals in and around the State of Madhya Pradesh. To generate funding from various Government organizations/institutes and NGOs for tribal development, by submission of projects.

To undertake entrepreneurial culture among the Tribal youth of the region.

To undertake comprehensive and inclusive health, education and livelihood training.

To promote sustainable socio-economic wellbeing of Tribals.

CENTRE FOR POST GRADUATE LEGAL STUDIES

The Centre for Post Graduate Legal Studies is a specialized Centre that offers advanced legal education and training beyond undergraduate degrees. It provides in-depth knowledge and expertise in various areas of law to prepare students for careers in legal practice, research or academia.

ABS faculty member delivering his talk

Dr. Astha Joshi with dignitaries, faculty & students

3. **Amity Institute of Pharmacy (AIP), AUMP** organized a seminar on “The synthesis and biochemical evaluation of nonbenzenoid aromatic scaffold comprising peptides and nucleic acids” on 22nd March 2024.

Felicitating of the Guest by the Director, AIP, AUMP

Students and Expert interaction during the seminar

4. Amity Institute of Pharmacy(AIP), AUMP organized a National Conference on "Cardiovascular Diseases: Prevention, Management, and Treatment" on 9th & 10th April, 2024

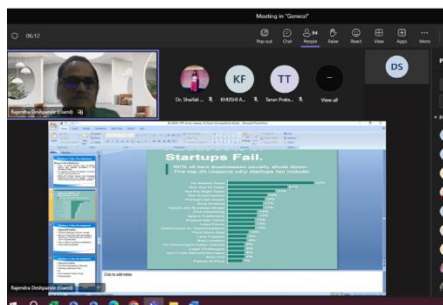

**Keynote address by the Resource person,
Dr. Puneet Rastogi**

**Rajesh Jain, Registrar, AUMP honoring
the Winners of Scientific sessions.**

Workshops

5. **Amity Business School(ABS), Amity University Madhya Pradesh** organized a workshop on **“Accelerators/Incubation- Opportunities for Students & Faculties – Early-Stage Entrepreneurs”** on 4th August, 2023.

Mr. Rajendra Deshpande, CEO, of Business Value India, Harvard Square delivering his talk on importance of Accelerator/ Incubation for students & faculties.

6. **Amity Business School (ABS), AUMP** organized workshop on **“Career Counseling”** on 09th September, 2023

Dr. Minakshi Tripathi delivering her talk

Dr. Kishan Singh Rathor delivering his talk

7. **Amity Institute of Behavioural & Allied Sciences (AIBAS)** organized a workshop on **“Cancer Awareness”** on 21st September, 2023.

Dr. Novrattan Sharma, Director AIBAS delivering his opening remarks

Dr. Novrattan Sharma, Director AIBAS with dignitaries, Students & Faculty members

8. **Amity Business School (ABS), AUMP** organized a workshop on **STARTUP - Growth in Adversity: Strategies, Tools & Tips for Startup Growth Resilience** on 16th January, 2024

Resource Person Dr. Rashmita Singh, Assistant Professor, Amity Business School delivering her talk on Growth in Adversity: Strategies, Tools & Tips for Startup Growth Resilience

9. **Amity Business School (ABS), AUMP** in collaboration with Institution's Innovation Council organized a workshop on **"Business Model Canvas"** on 04th April 2024

Dr. Ankit Singh, Associate Professor, ABS delivering his talk

Group Photo

10. **Amity Institute of Pharmacy (AIP), AUMP** organized a workshop on **"Rotary Vacuum"** (Buchi, India Pvt. Ltd.) on 09th May, 2024

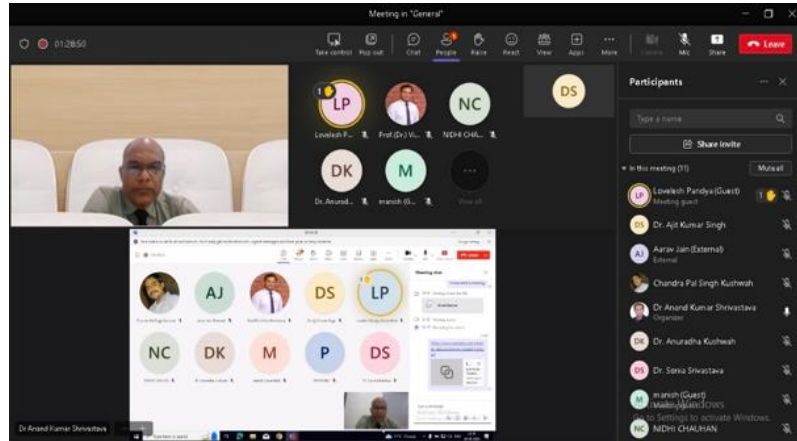

Faculty and non-teaching staff participated in a workshop on the Rotary evaporator

Mr. Naresh Singh explained the setup of the Rotary evaporator to the students

11. Amity Business School (ABS), AUMP organized a workshop on “Risk Free Trading” held on 26th to 28th June, 2024

Dr. Anand Kumar Shrivastava, ABS, delivering his talk on financial markets

Guest Lectures

12. **Amity Institute of Pharmacy (AIP)**, Amity University Madhya Pradesh, Gwalior organized an **Expert Talk and Workshop on Soft Skills Training for Professionals at a Pharmaceutical Company** on 8th November 2023.

Welcome Speech by Mrs Monika Kaushik

Felicitation of Dr. Sarvesh Raj Rocqueby by Dr. S Mohana Lakshmi

Faculty Development Programmes

13. The one-week faculty development programme (FDP) on “**Indian Knowledge System**” was conducted by Amity University Madhya Pradesh from 13th to 19th July 2023.

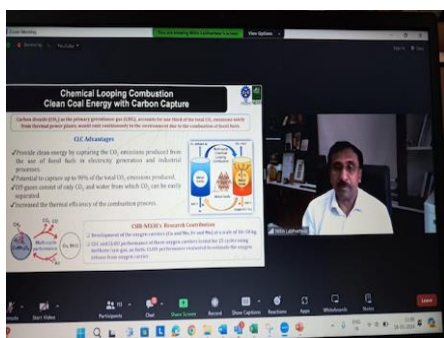

Address by Guest Dr. Yogesh Upadhyay,
Jiwaji University, Gwalior

Address by Guest Dr. Meenu Bajpai,
Jiwaji University, Gwalior

14. Amity University Madhya Pradesh organized an International Workshop on “**Technological Advancements in Renewable Energy: Current Scenario, Future Perspective and Challenges (IWTARE 2024)**” on 18th to 22nd March, 2024

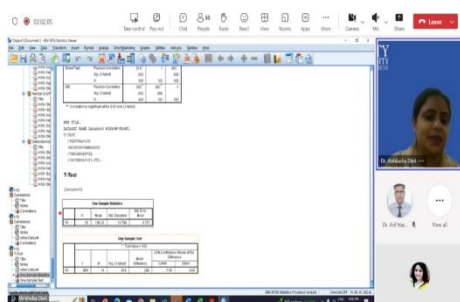

Addressed by Chief Guest, Dr. Nitin
Labhasetwar, Chief Scientist & Head
Energy & Resource Management Division,
CSIR-NEERI and Professor AcSIR

Addressed by Guest of Honour, Dr
Deepak Kharre, Head of Projects Blue
Pine Energy, Gurugram, Haryana

15. The one-week faculty development programme (FDP) on “**Research Methodology and Data Analysis using Statistical Tools (Online Mode)**” was conducted by Amity Business School, AUMP from 10th to 16th June 2024.

Dr. Abhilasha Dixit delivering her talk on
Bibliometric Analysis using VosViewer
and Biblioshiny

AWARDS & PRIZES, RECOGNITIONS

AWARDS RECEIVED BY THE UNIVERSITY IN 2023-24

National Institutional Ranking

1. Amity Institute of Engineering Technology (ASET) was all India ranked 151st in the Engineering Category for the year 2023.

2. Amity School of Engineering & Technology, AUMP has been ranked as below in The Times Annual Ranking Engineering Survey 2023 :-

1. Overall Category : 43rd in top 175 Engineering Institutes.
2. Private Colleges : 34th in 125 Engineering Institutes.
3. Central Zone : 2nd in 8 Engineering Institutes

3. India Today Ranking 2023-24

Amity University Madhya Pradesh has been ranked 29th among the best 62 private universities in India.

Amity University Madhya Pradesh has secured position in India Today “**India’s Best Colleges Ranking Survey 2023**” following categories is below as per India Today – MDRA Survey July Edition 2023:

4. The Hansa Ranking 2023-24

The Week Hansa Research Ranking : In the year 2023-24 AUMP has been ranked **3rd in West Zone**, under the category of Multidisciplinary Emerging University.

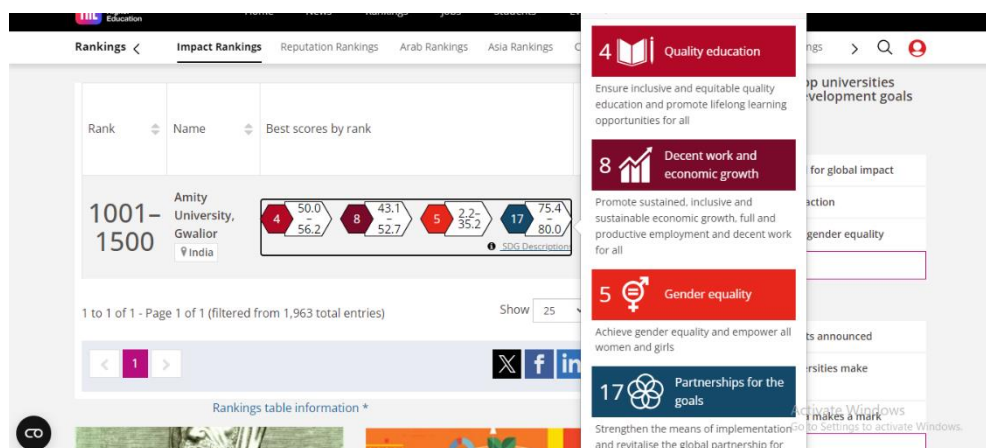

5. Amity University Madhya Pradesh has secured position in 'The Impact Ranking 2024' in the following categories :

Overall Score : 45.0 out of 58.7

Overall Rank : 1000 – 1500th out of 1963 Institutions

Partnership for the Goals 2024 : 301 – 400th

SDG Participated : 4 out of 17 Sustainable Development Goals

6. Amity University Madhya Pradesh has been bestowed with award of "Excellence in Placement Award 2024" by ZEE Madhya Pradesh and Chhattisgarh Education Excellence Conclave on 1st June 2024.

7. Amity University Madhya Pradesh has secured position in National Assessment and Accreditation Council (NAAC) award of “B++” in the academic year 2024.

FACULTY & STUDENTS' ACHIEVEMENTS
