About AUMP

Amity University Madhya Pradesh (AUMP) was established by Ritnand Balved Education Foundation (RBEF) at Gwalior by Madhya Pradesh Niji Vishwavidyalaya (Sthapna Avam Sanchalan) Adhiniyam – 2007 and Dwitiya Sanshodhan Adhiniyam (No. 27 of 2010) vide State Government Notification No. 7692-406 dated 30 Dec 2010, with the view to promote professional, industry-oriented education in the state of Madhya Pradesh. Amity University Madhya Pradesh, Gwalior located on a sprawling campus of 102 acres of land opposite Gwalior Airport, imparts modern, practical and research-oriented courses which lead to the development of professionals who are employable and industry ready. This in turn drives the socio-economic upliftment of the region.

Amity University Madhya Pradesh (AUMP) imparts education in almost all areas including Management, Engineering, Architecture, Biotechnology, Law, Journalism & Mass Communication, Behavioral Science, Psychology, Fashion, Social Science and Liberal Arts, Pharmacy etc.

AUMP has state of the art infrastructure with modern amenities which matches with the best across the country and is of international standards. The whole campus is wi-fi enabled. Electricity is available 24X7 and all the buildings are airconditioned.

The University has its own intranet named AMIZONE (Acronym for Amity Intranet Zone), which is equipped to store all the academics and administrative data of the University, thus promoting digitalization. Session Plans, Lesson Plans, Examination Details, Fee Details, Payment Details, Attendance Report, Grievance Redressal, and other administrative details are all available on AMIZONE. The students can access study material and tutorials anytime, anywhere which is a step towards beyond classroom teaching. Mentor-Mentee system is in place in the campus with the objective of mentoring and recognizing the potential of students and to help improve their self-esteem and confidence. Apart from this trained counsellors have been appointed to provide prompt assistance on issues related to health and emotional wellness.

The courses offered by AUMP are evaluated regularly to achieve the course objectives based on the feedback on placement, employability and latest development in technology to keep pace with the changing times. Faculties and students of AUMP are encouraged to carry out industry oriented, cutting edge research work in the University. The faculties of AUMP have been

successful in getting several sponsored projects from various state and national funding agencies.

Grooming and etiquette, Communication Enhancement Classes, Behavioural Science, One Foreign Language, Pre-placement Training Classes, and Aptitude Training Classes are a part of curriculum, which helps in overall development of the students. The University offers a Choice Based Credit System, wherein a student can select any one of the 36 minor tracks across disciplines. This encourages inter-disciplinary learning. Amity University Madhya Pradesh has been witnessing stellar placements year after year which are a testimony to the trust of the recruiters in our brand. Our placements over last 3 years i.e 2017-18, 2018-19 & 2019-20 have been ranging between 90.82%, 98.85% & 93.38% respectively. The faith of marquee recruiters like Coca-Cola, Hitachi Consulting, AMAZON, S&P Global, TCS, INFOSYS, WIPRO, ZYCUS, TEK Systems, Asian Paints, Direct i among others was reflected by the increase in the number of offers rolled out. The increase in the number of unique roles and profiles offered by the companies showcased the unwavering support that Amity University Gwalior enjoys and this sets the stage for a mutually beneficial association between the participants and the recruiters in the forthcoming years.

The University was ranked under Top 200 in the University Category by National Institutional Ranking Framework (NIRF) India Ranking 2020 and Amity Institute of Engineering Technology was all India ranked 154th in the year 2021 and 162nd in the year 2020 in Engineering Category.

The University has also signed an MoU with Shodhganga (INFLIBNET).

The Research scholars & student can use the e-material of AUMP not only from the library they can also access the e-materials from their home via remote access through amizone.net

Hostels

The University has three large hostels; two for boys and one for girls with capacity of 240 each totaling to 720. Separate facilities for boys and girls, caring wardens, and tight security ensure a pleasant stay for students. The mantra of Amity hostel staff is to create a 'home away from home' for all hostel students.

This is achieved by ensuring 24 hours power and water supply, clean, well-lit, spacious rooms, common rooms with television, geysers in bathrooms, and windows with wire mesh to keep out mosquitoes. Each student is provided with a separate bed, mattress, pillow and study table. Each hostel is surrounded by a boundary wall and entry to the hostel is restricted to only those students who are staying in hostel. The hostellers are required to show their identity cards to the security personnel posted at hostel gates and also sign their entry using bio-metric device installed in each hostel. All hostels are Wi-Fi enabled, and the students can access the net 24/7 from their rooms. The students are provided a free laundry service and have 24 hours access to the Medical Room.

Cafeterias: In addition to the students' Mess located in the hostels, the University has 04 cafeterias and 01 Milk parlor. Each academic block has one cafeteria, which serves hot, hygienic and good quality food at highly subsidized rates. The cafeteria makes a vibrant & informal meeting place for the students where friendships for a lifetime are nurtured. The quality of the food is monitored on a regular basis by a committee comprising University officials and students.

Auditorium: A State-of-the-art auditorium with a combined seating capacity of over 600 persons acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events. This auditorium facilitates in bringing students face to face with global thought leaders, academic gurus and corporate heads to share their experiences.

Seminar Halls: Amity has 02 Seminar Halls with a seating capacity of 300 each. Extremely well designed, the Seminar Halls have all the audio-visual facilities for conducting seminars, conferences and guest lectures for a large gathering of students.

Conference Halls: There are 02 Conference Halls in the University, one each in Academic Blocks A & B. These conference halls are equipped with audio-visual aids and can be used for video/audio conferencing as well as presentations.

Moot Court: Amity has a state-of-the-art moot court which is constantly engaged in providing a hands-on learning experience to the students of Law.

Studio: Amity School of Communication has a state-of-the-art Studio which has no parallel in the entire state of M.P. The large soundproof studio is designed to facilitate video/audio recording and shooting various events.

Offices and Faculty Rooms: Amity is committed to the welfare of its staff and students. To enable a harmonious teaching-learning environment, the teaching faculty and staff members are accommodated in 49 staff cabins and 178 work stations which are spread across all Academic Blocks.
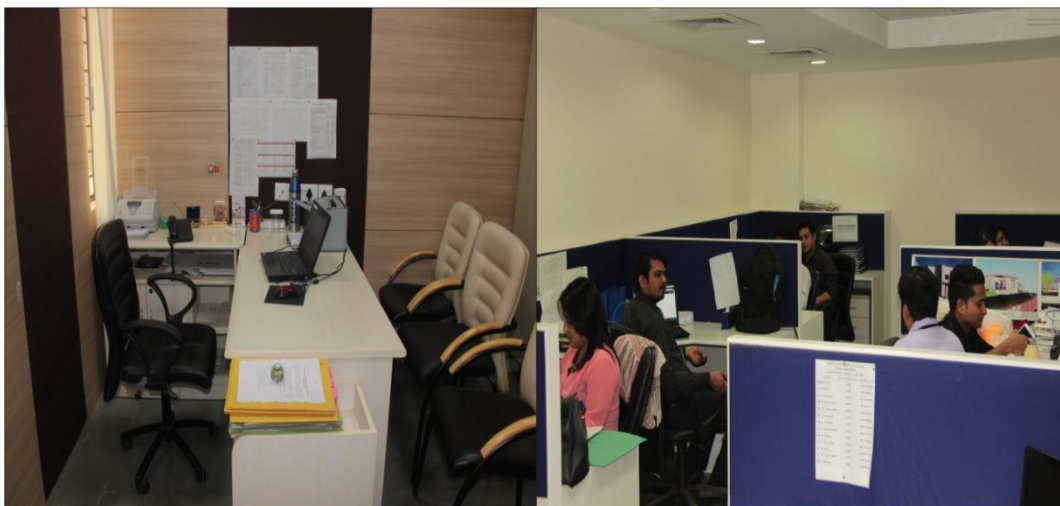

Institutional Networking: Entire Campus including Hostel is Wi-Fi enabled. Additionally, telephones with networking facility to connect to other Amity Universities and Delhi Office have also been provided. A dedicated bandwidth of 300 MBPS is available.
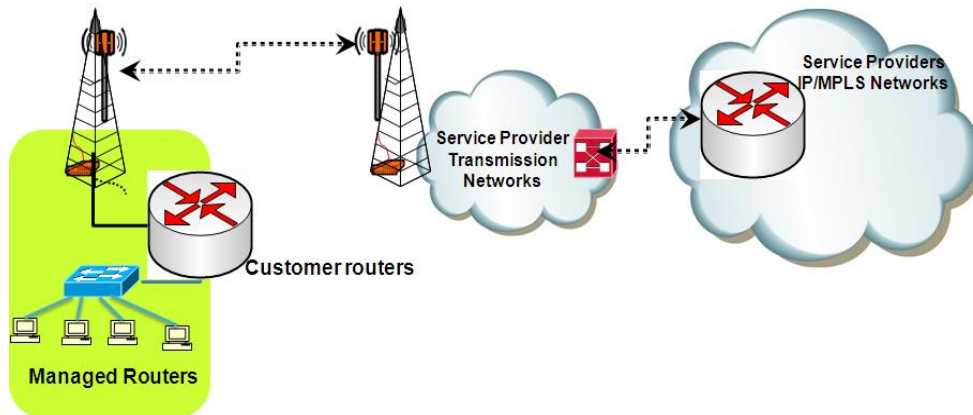

Studio Type Accommodation for Faculty: Amity provides studio type accommodations to its faculty and staff. 10 such well furnished studio apartments are available in the campus.

Stationary Shop: Amity University Madhya Pradesh also has a stationery shop in its campus and is managed by a contractor. Students/faculty members/Staff can avail the facility during the working hours. Apart from the stationery items it also facilitates photocopy (both color and black & white), Scanning, Printing, Lamination and Internet facilities.

ATM (Automated Teller Machine): In order to facilitate the students, staff of Amity University ATM Facility is available at prime location in the University campus.

Medical Facility: The medical room is located within the hostel so that the students can easily avail medical care. For emergencies and major medical problems an ambulance is available to ferry the sick to multi-specialty hospitals. A male as well as female Medical Assistant for boys and girls promote the necessary medical care.

SPORTS

Sports and games are important for all-round development and are an important part of our routine. Moreover, along with routine education, they help to shape our personalities. Also, they keep our bodies strong, healthy, and fit. They give us a change from the same old routine and relax our mind and body. Moreover, they are important because they are a useful means of entertainment as well as a way to do physical activity. Furthermore, they build character and give a huge amount of energy and strength.

SOLID WASTE MANAGEMENT

1. Solid waste is generated by all the staff, students and visitors who visit the campus regularly. This waste is generated in the form of packing materials, unserviceable/retrieved maintenance items, stationery paper, food items and dry leaves fallen from trees on the roads/ parking.

2. The stationery paper waste and other food items is collected in the waste bins (both degradable and non-degradable) installed in the academic blocks in sufficient numbers. The waste generated in the academic blocks is transported to the central waste rooms and further segregated into sellable and other unusable. And finally, both the sellable and unused waste is lifted by the local vendor for which he pays monthly charges.

3. The waste retrieved from maintenance items are sold quarterly/half yearly to the local vendor by Board of Staff ordered by Dir Admin.

4. The dry leaves fallen on the roads/parking, is collected by housekeeping staff and are transported to the compost pits available in the campus wherein they are dumped into the pits for making compost naturally.

LIQUID WASTE MANAGEMENT

1. Liquid waste is generated by all the staff, students and visitors visiting the campus regularly. This waste is generated in the form of sewerage and wastewater from toilets and cafeterias. This liquid is channelized to manhole's installed outside the blocks and further transported to the collection chambers and further lifted/raised through sewage pumps to the STPs installed in the campus.

2. 02 STPs of capacity 2.1 LLPD and 1.6 LLPD are installed for taking care of liquid waste generated in the campus. This waste is further treated with various process at STPs and finally treated water is used in toilets for flushing (in hostels) and for horticulture purposes.

WASTE RECYCLING SYSTEM

1. Liquid waste generated in academic blocks and hostels is transported to STPs through sewerage pipeline. And this waste is further treated with various process at STPs and finally treated/recycled water is used in toilets for flushing (in hostels) and for horticulture purposes.

2. The dry leaves/cutting waste obtained from hedge cutting/ tree trimming are further recycled/converted into compost naturally. And this compost is utilized in Campus horticulture.

RAIN WATER HARVESTING SYSTEM

1. The University has 10 Nos of Borewells in the campus. The borewells dug in the campus do not have enough ground water to yield water continuously. Half of the borewells dry up during continuous pumping. To recharge these existing borewells and to restrict the out-flow of rainwater Amity University has constructed 10 Water Harvesting Pits of capacity 30,000 ltrs at various locations (Water Catchment Area) 10 conserve rainwater. These pits have been provided enough filter media to restrict the mud/silt during rains.

2. The above has brought sea change in saving of rainwater and has thus improved the water level, of our borewells which helps us in meeting our water requirement in peak summers.

3. This has also been applauded by Hon'ble High Court Gwalior MP Local Newspaper.

Transportation

Amity University Madhya Pradesh has 12 buses (two owned and ten hired) for providing Transport Facility to the students. In addition, the following vehicles have also been acquired by the University:

Corporate Resource Center

Connect Between Industry & Academia

Corporate Resource Center

Corporate Resource Center (CRC): The Corporate Resource Center (CRC) of AMITY UNIVERSITY MADHYA PRADESH provides a comprehensive array of services and support for its students and alumni that assist them in their placement and life-long career development.

1. The CRC acts as a central hub for all student development and placement related activities and is the repository of all information and resources. It builds in its students the competencies that are valued by prospective employers, forecasting those that will be essential from a future perspective. It provides a forum for future employers to articulate their human resource requirements, and accordingly, groom and recommend students for internships and placement.

2. The CRC recognizes that students' knowledge, skills and attitude play a vital role in their career choices. With this in mind it facilitates various tests to measure the students' career related competencies and develops them further.

3. CRC is headed by the Director CRC, who is an Industry veteran having more than 16 years of industrial experience in large industrial conglomerates. CRC constantly explores the Companies and Industries where our well-groomed students can be placed.

4. CRC interacts with the Industries and Co-ordinates various activities like Industry Visits, University - Industry Interaction, Placement for Internship Training and organizing Guest Lectures by prominent industry/ corporate resource personnel. It maintains a strong database of potential recruiters and constantly liaisons with them, assessing trends in their requirement and making efforts to prepare the prospective managers along these lines. The prime objective of the CRC is to maintain strong University Industry linkages and strive for the overall development & grooming of the students according to the Industry requirements by conducting workshops, symposia, seminars and conferences both at National and International level. CRC has maintained a sound report with large number of big companies, industrial conglomerates and reputed business houses.

5. CRC maintains close contact with recruiters throughout the year and conducts numerous workshops on skills like Resume Writing, Group Discussions, Mock Interviews and Sample Aptitude Tests to better prepare our students for job interviews. Our team is fully committed to attending to the individual needs of our students and ensuring that they achieve desired platforms for launching their professional careers.

As part of Recruiter Relations, CRC systematically tracks opportunities across sectors and industries, for students and establishes necessary contacts. CRC also facilitates the extensive on-campus interview processes and conducts rigorous follow-ups. The recruiting teams from companies are appropriately guided about the institutional mechanisms with reference to the placement process.

(Optimal Operations and Effectiveness of Online Classes at AUMP in the Lockdown Scenario)

In view of Government orders, all Higher Education Institutions were during closed the lockdown with effect from 16th March 2020 till further orders, as a precautionary measure against COVID-19. During such crucial period following best practices are being followed at AUMP to overcome the situation so that the students' academic progression was not hampered.

Amity University Madhya Pradesh is committed to extend its services to the learners through various modes by actively engaging them to ensure the effective progression in their respective courses and timely completion of their syllabus in online mode.

Apart from this the University has also evolved an effective campus management for administration using online tools, monitoring and daily reporting system.

The practices followed at Amity University Madhya Pradesh are as follows:

Teaching Learning Methodologies

1. The Online Classes are being ensured for students of all the courses through Microsoft Team as per the time table and attendance is being marked on AMIZONE on daily basis by the respective faculty members. The Microsoft Team app is extensively used by the faculty member of the University for Online teaching, sharing assignment, quizzes, assessment etc. Overall the feedback of online classes has been very positive.

2. Daily reporting of online classes, progress, sharing and resolving the difficulties is being done by the respective HoI, Dean Academics, Pro-Vice Chancellor and Vice Chancellor, through online meetings, telecon, WhatsApp messaging and through vide email.

3. In case of any class being not engaged by the faculty member online, it is reported to the respective HoIs who is responsible to effectively engage the class or sort out the technical issue faced by the faculty member. The IT team remains on stand by for resolving any technical issue arising during the Online Classes.

4. The Office of the Pro-Vice Chancellor compiles the daily CDC data received from various institutions which is uploaded on the CDC portal by the Office of the Registrar for perusal of Head Office.

5. Respective HoIs, Dean Academics, Pro-Vice Chancellor and Vice Chancellor are added in the participants list of every class and meeting schedules, so that they can monitor the class in real time.

6. The power point presentation, reference materials, assignment and quizzes are uploaded on AMIZONE/Learning and Management System before class, so that the student can go through the same and clear their doubt during the online class.

7. The faculty members have been told to complete their internal evaluation online and report of completion is to be submitted by the HoI by 10thApril, 2020.

General & Campus Management System

1. All the faculty members and majority of non teaching staff members have been asked to work from home in this scenario and remain active on phone, WhatsApp, email and respond to any query, observation, suggestion at the earliest but no later than 24 hours in case of email and 60 minutes in case of call and WhatsApp on its receipt.

2. The necessary information / advisories and protocol to be followed are regularly posted through various modes by the Vice Chancellor / Pro-Vice Chancellor / Registrar / Dy Director HR, to keep the faculty and staff members updated and well versed with the situation.

3. Functioning of the essential staff in campus has been to a reduced in great extend. However, minimum required essential staff, to include Catering staff, Security staff, Housekeeping staff, Nursing staff, Facilities staff (to ensure continuous provision of essential services like electricity, running water etc.) have been asked to be available on campus and mark attendance regularly (through ID card/ Biometric Scanners/ Attendance Registers). In case the prevailing situation restricts the movement, the aforementioned essential staff shall be accommodated on campus.

4. Most of the students have left the hostel, however the hostellers staying in the campus are updated with the prevailing scenario and instructed timely to take necessary precautionary measures. Issue of out pass to the student has been stopped and outside movement / meeting prohibited.

5. Staff and faculty members residing in the campus are not allowed to go out until the lockdown period as a precautionary measure. No residents of hostel are allowed who have come from outside.

6. Any person coming from outside for maintenance is screened and allowed entry only after found fit.

7. A review online meeting with Pro VC, Dy Pro VC, Deans, Registrar, all HoIs and HoD chaired by Vice Chancellor through Microsoft Team is conducted daily at 1715 hrs. Necessary instructions for further action by the concerned are also given by the Vice Chancellor during the review meeting, so that the functioning of AUMP remain smooth.

8. The classes are held online and being monitored regularly. AUMP uses blended learning and ICT based teaching learning methods.

9. As per the Govt order the End Semester Examinations are being conducted through Open Book Examinations (OBE) method.

10. As per Govt order, dispensation has been given to the students for attendance.

11. Tele counseling cell to counsel the students, faculty and staff members has been formulated at Institute and Central Level
