## SCI-ART 2019

SCI-ART 2019 is a national level competition to showcase your innovative ideas, special talents, flairs and skills through a display of your Models and Artefacts. It is the biggest Science and Art Exhibition & Competition in the region and, a platform to bring out your creative best. Whether your proclivity lies in the domains of art or science, this is the ideal stage to let your talent make its mark.

This in-situ competition will see students from across the nation congregating at the sprawling 100 acre state-of-the-art Amity University Gwalior campus. The event also offers you the added advantage of Mentorship by the highly qualified, skilled and experienced faculty of AUMP, so that your idea meets its full potential and showcased to its full advantage.

The Two Day SCI-ART 2019 event is expected to have a foot fall of more than 2000 students from across the country, thereby earning you appreciation, accolades and audience not just locally but nationally. The competition will exhibit captivating entries by brilliant students of standards 10th, 11th, & 12th and will be judged by leading domain leaders from reputable institutions and organisations like DRDO, CBRN Centre among others.

The Top Three entries in each discipline will take home winner's trophies and also lucrative cash prizes. Needless to say they will also be conferred upon with immense recognition along with a certificate of participation.
