Cleanliness Awareness Campaign in the NSS adopted villages Chakraipur

(4th November 2023)

NSS volunteers of Amity University Madhya Pradesh (AUMP) conducted cleanliness awareness campaign in the NSS adopted villages Chakraipur. Awareness campaign was organized on 4th November 2023 in the NSS adopted villages Chakraipur to educate the villagers about healthier ways of living and better management of surrounding environment. It enhances the productivity of all individuals if clean environments and ecofriendly modes of living are adopted. The volunteers gave the villagers a thorough insight about clean kitchen practices, drawbacks of open defecation, disposal of waste with proper segregation, use of dustbins, minimal wastage in their lifestyles etc. To create awareness among the common people regarding cleanliness, volunteers visited their homes and advised the villagers about the benefits of performing the duty of a worthy citizen of India to refuse, reuse, recycle, reduce, recover and repurpose the plastics, metals used in day-to-day life. The villagers also responded to these efforts of volunteers and promised to remain vigilant for maximum refuse, reuse, recycle, reduce, recover and repurpose the plastics, metals as the 6R fundamental for ecofriendly lifestyles. They promised to support the efforts of the government for making Chakraipur a total open defecation free village. The volunteers started the campaign at 0930 hrs and concluded the program at 1430 hrs. 40 NSS volunteers of AUMP visited the adopted village Chakraipur for cleanliness campaign. The volunteer experience revealed that NSS actively advocates for the tremendously beneficial contribution made by youth from educational institutions in interacting with the most marginalized groups in society. 200 volunteers of NSS also took the oath to vote. The event was coordinated by Program officers of NSS, Dr. Rachana Kathal, Dr. Manish Dubey, ASCO, and Dr. Arvind Kumar Jadon from AIP.

The NSS volunteer's commitment to raising social consciousness was commended by Lt Gen VK Sharma (AVSM), the Pro-Chancellor of Amity University Madhya Pradesh. Pro Vice Chancellor, Prof. Dr. Anil Vashishth said that a young person with a good education should always be involved in society and take full responsibility for social welfare.

As per the directives from the **Madhya Pradesh Private University Regulatory Commission (MPPURC)** vide circular no. **[1736/IT/MPPURC]** dated **13/07/2023** and **MP Govt Higher Education commission letter No [538/194/NSS/2022/38]** dated **11.07.2023**, it was mandated to adopt one Anganwadi Kendra by NSS unit of Amity University Madhya Pradesh (AUMP). Anganwadi kendra of the NSS adopted village Chakraipur is duly functional and was selected for adoption. Due permissions were obtained from the office of the Child Development Project Officer (CDPO) Morar, WCD (Women and Child Development Department), Distt-Gwalior.

Anganwadi Kendra of village Chakraipur is presently functional in the village community center. Approximately 45 children of age 0-5 year come to the Anganwadi on working days. The Anganwadi is functional with one Anganwadi worker and one helper. To initiate the project, inspection of circumstances and working conditions prevailing in the Anganwadi premises and the surroundings revealed the requirements to enhance the facilities available for the children of Anganwadi and also the capacity building of the caretakers of the Anganwadi. Whitewashing and repairing work planned for the Anganwadi adoption project has been accomplished. Books, Copies, color pencils and useful stationery to enhance the cognitive skills of the students of the Anganwadi children along with stationery useful for capacity building of the Anganwadi workers were gifted to the Anganwadi on 3.11.2023. Charts and posters for diversifying their general knowledge and mathematical skills were also gifted.
