

AMITY UNIVERSITY

MADHYA PRADESH

Established vide Government of Madhya Pradesh Act No. 27 of 2010

4.3.3: University as an educational body host events at university that are open to the general public: Executive Education Programmes

Amity University Madhya Pradesh (AUMP), Gwalior, is committed to promoting skill development and professional growth through a wide range of vocational training programs and capacity-building initiatives. The university regularly organizes educational programmes, workshops, training sessions, and short-term courses tailored for participants who are not enrolled in the university. These events are open to the general public, including students, academicians, researchers, and professionals from other institutions, both at the national and international levels.

Designed to enhance practical knowledge and employable skills, these programmes cover diverse fields such as biotechnology, engineering, applied sciences, business management, and data analytics. Specialized Faculty Development Programmes (FDPs) and professional workshops are also conducted to strengthen academic and research competencies among educators and practitioners.

To ensure high-quality learning experiences, AUMP invites eminent resource persons, industry experts, and faculty members from reputed national and international institutions to share their expertise. These interactive sessions combine theoretical insights with hands-on training, fostering innovation, problem-solving, and professional excellence.

Through its vocational and professional training initiatives, Amity University Madhya Pradesh continues to empower learners with relevant skills, promote lifelong learning, and contribute to the nation's vision of creating a skilled and knowledge-driven workforce.
