

JIWAJI UNIVERSITY, GWALIOR - 474011 (INDIA)

Health Centre

4th Nov. 2020

To whom so ever it may concern

It's with great pleasure to state that Prof. A.N Nagappa and his fellow faculty members and students of Amity Institute of Pharmacy, constituent College of Amity University of Madhya Pradesh Gwalior, are engaged in patient counseling service to patients and health consumers at Jiwaji University Health Centre since September 2017.

The services are greatly appreciated by the beneficiaries and the University authorities applaud and appreciate the services being extended since then.
