

Report on SDG 11 - Sustainable Cities and Communities

Inside and Outside beautiful campus-

Amity University Madhya Pradesh located on 100 acres of land opposite Gwalior Airport, impart modern, practical and research-based courses which will lead to the development of manpower which is employable and ready for industry. This in turn will drive the socio-economic upliftment of the region. It was established with the view to promote professional, industry-oriented education in the state of Madhya Pradesh.

Urbanization has resulted into creation of new jobs & opportunities and reduction in poverty, However Rapid urbanization has gave rise to or caused several challenges on infrastructure, for example, pressure of resources like water, energy, transport etc. solid, liquid and e waste management is one of the major environmental problems to any city, for this regard university has well organized system for the all type of liquid, solid and e waste management. To reduce the number of cars coming to campus, the university has a Separate car parking block wise that provides designated parking spots, as well as the opportunity to split dense parking in the campus premises by separate facility of the parking in the block wise building for various programmes running in the university.

Revitalizing underused land- Amity University Madhya Pradesh is a key player in revitalizing city hilly sites and underused land – putting them to good use and providing a boost to the local economy. Closer to campus, ambitious plans are underway to transform underused land for new proposed programmes , providing valuable habitats in a sensitive ecological area as well as opportunities for research.

Home Away from Home for 720 Students

The University has three large hostels, two for boys and one for girls, with in the premises. The accommodation is 'Apartment Style' with suites of bedrooms that share a common lounge and bathroom. Each bedroom provides for double occupancy & so each 'apartment' has six occupants. The total capacity of hostels is 240 each.

The mantra of Amity hostel staff to create a home away from home.

The well appointed rooms are well lit & well ventilated, with geysers in bathrooms & television in the common rooms. Each student is provided with a separate bed, mattress, pillow, pillow covers and sheets, almirah and study table with chair.

All the hostels are Wi-Fi enabled and the student can access the net 24/7 from their rooms. The free laundry services are also provided to students.

To make the environment safe, healthy and more conducive to study, the University ensure 24 hours water & power supply, tight security with surveillance cameras and 24/7 security guards. 24 hours Medical Room is also available for any medical assistance.
