

INTERNATIONAL CONFERENCE ON COMPUTATION, AUTOMATION AND
KNOWLEDGE MANAGEMENT (ICCAKM - 2020)

IEEE CONFERENCE RECORD NUMBER #46823

All accepted & presented papers of the Conference by duly registered authors, will be submitted to IEEE Xplore Digital Library for Inclusion.

SPECIAL SESSION ON “COMMUNICATION AND HUMAN THINGS”

Invitation for Research Paper in IEEE sponsored

09-11th January 2020 (Venue: Amity University, Dubai)

Conference Website: <https://www.amity.edu/iccakm/default.asp>

**All accepted & presented papers of the Conference by duly
registered authors, will be submitted to IEEE Xplore Digital
Library for Inclusion**

**During the submission of article be aware to submit the paper by clicking “Communication and
Human Things - Prof. (Dr). Praveen Malik, Dr. Narbada Prasad Gupta, Dr. Rajesh Singh & Dr.
Anita”**

(Through Easy Chair Only)

**All accepted & presented papers of the Conference by duly registered authors, will be submitted
to IEEE Xplore Digital Library for Inclusion.**

SESSION CHAIR

Dr. Praveen Kumar Malik, Professor Lovely Professional University, Phagwara (Session chair)

Dr. N P Gupta, Professor Lovely Professional University, Phagwara

Dr. Rajesh Singh, Professor Lovely Professional University, Phagwara

Dr. Anita, Associate Professor Lovely Professional University, Phagwara

AIMS & SCOPE

The invaluable data which the researcher across different domains generates through their research efforts has great interdependence to deduce meaningful hypothesis which germinate new discoveries and creates innovative results. Computational models are often coupled with high performance computing to solve complex physical problems arising in Engineering analysis and design.

Full length original and unpublished research papers based on theoretical or experimental contributions related to the below mentioned tracks are invited for submission in this special session:

Tracks: (Sub-Themes)

- 5G wireless technology Networks and IoT
- MIMO Antenna Systems for Communications
- Antennas and radar in automotive applications
- Beam forming and Multi-Antenna Techniques
- Long Range Low Power Networks
- Modulation & Signal Processing Technologies
- Radio over Fiber & Optical/Wireless Convergence
- Sensor Networks and Technologies
- Software-Defined Radio & Multiple Access
- Space-Time Coding and Systems
- IoT Security and Trust
- IoT and Personal Data Protection
- Artificial Intelligence and IoT
- IoT Interoperability and Multi-Platform Integration
- IoT Protocols and Standards

PAPER SUBMISSION PROCESS:

Paper Submission Process:

Notification of Acceptance Deadline	30th October, 2019
Submission of Accepted Camera-Ready Papers Deadline	10th November, 2019
Author's Registration Deadline	10th November, 2019
Conference Dates	09th-11th January, 2020

Technical Program Committee (TPC):

List of Members from India & Abroad

1. Dr. Madam Singh National university of Lesotho, Southern Africa.
2. Mr. Sumit Agarwal, Department of Biomedical engineering, Pennsylvania state university, State College, Pennsylvania
3. Dr. Ramendra Singh, Professor IPEC Ghaziabad UP
4. Mr. Manish Sharma Amity University Noida.
5. Dr. Puneet Srivastava, Professor and Dean RKGIT Ghaziabad UP
6. Dr. Ankur Dhumka Graphic era University Dehradun.
7. Dr. Pawan Shukla Professor RKGIT Ghaziabad UP
8. Dr. Narbada Gupta, Professor Lovely Professional University, Phagwara
9. Dr. Sanjay Pachauri, Professor IIMT G Noida UP
10. Dr. Kamal Sharma, Professor Lovely Professional University, Phagwara
11. Dr. Kamal Kumar N.I.T Uttarakhand.
12. Dr. Anuj Jain, Professor Lovely Professional University, Phagwara
13. Dr. Aman Ganesh, Professor Lovely Professional University, Phagwara
14. Dr. Shobhit Saxena, Professor Lovely Professional University, Phagwara
15. Dr. J N singh, Galgotia University G Noida UP

Publication Policies:

1. All registered and presented papers/review articles shall be submitted to IEEE Xplore Digital Library for their possible publication in a Conference Proceedings. However the right to accept and subsequent publication of each will be with IEEE Xplore Digital Library, that will be decided on the basis of the quality, novelty of work and the originality of the text, the manuscript will represent.
2. In case, any registered paper/article is rejected by the IEEE Xplore Digital Library for its publication due to any reason, the sole responsibility shall lies with authors of that article. IEEE Xplore Digital Library will conduct quality checks on the accepted papers and only papers that pass these checks will be published.
3. Therefore authors are expected to avoid to use similarity text (copy and paste from other published works), should adhere to original work maintaining technical and result description qualities. Also authors will not allow to make changes in the choice of publication category (I or II) once registered and pay the fee as per category wise.
4. The organizers will have not have any responsibility for any of registered/presented papers, if not accepted/approved by the IEEE Xplore Digital Library for publication in their conference proceeding due to any of the reason as specified in point 1 and 2 or because of any specific reason sometimes depends upon manuscript to manuscript too.
