

EUREKA - INNOVATIVE DESIGN PROJECT/POSTER COMPETITION

AT

4th INTERNATIONAL CONFERENCE ON

ENTREPRENEURSHIP, INNOVATION AND LEADERSHIP (ICEIL'2022)

20-22 January 2022

<https://www.amity.edu/iceil2022>

Organised by

Amity Innovation and Design Centre

The Innovative design projects/poster competition is organized during International Conference on Entrepreneurship, Innovation and Leadership, 20-22 January 2022 to showcase the latest innovation and design trends in Engineering & Technology and related areas.

What is Eureka?

The Innovative design project is one of the ways in which the college students can exhibit their creative skills and show entrepreneurial capabilities. The International conference will provide a forum, wherein the participants get opportunity to interact with academicians, scientists, industry experts and other fellow students to get feedback on their work and the latest market trends.

It is an endeavor to foster and enhance the culture of scientific inquiry, entrepreneurship and its relevance in real world applications and underline the strong connection among student community. The project Expo is conducted with the below mentioned themes.

Theme of the Projects/Poster:

- Innovations in Science and Engineering
- Social innovation
- State- of-the Art Design
- Technology and Application
- Green Engineering
- Any other theme related to the conference – ICEIL-2022

Objectives of Eureka:

- i. To create a culture of innovation in an educational institute
- ii. To develop entrepreneurial mindset among students
- iii. To make students aware of latest industry trends
- iv. To make students aware of government support available to them to carry forward their projects as entrepreneurial ventures
- v. To connect with likeminded innovators for further enhancement of the project

Regulations for Selection of Project

- The projects can be in any field or area, but must come under the purview of the above mentioned theme and scope of the conference.
