To
Prof. Saroj Bohra,
Director, Amity Law School,
Amity University Rajasthan

Dear Ma'am,

We would like to extend a heartfelt gratitude to you for gracing our event and sparing your precious time for being the **Chairperson (Technical session-I, 2:30 p.m. to 4:00 p.m.)** of the Interdisciplinary National Seminar on *Knowledge and Awareness of The Reproductive Rights of Women: Issues and Challenges* organized by University Five Year Law College, University of Rajasthan, Jaipur in collaboration with National Commission for Women (NCW), New Delhi on 22nd February, 2020. Your presence gave a new dimension to our event and expand the knowledge horizon of the participants. The vigour with which you gave a detailed analysis of the meduring the session was truly commendable.

Thank you very much for sharing your words of wisdom that, without a doubt instilled a sense of enlightenment. It gave us irrevocable pleasure to have you as a prolific resource person for the event.

Yours Sincerely,

3/3/2020

Subject: 10th International Workshop on Tropical Marine Environmental Changes (MEC 2019)

Dear colleagues,

Thanks for your time to visit Beijing, China.

We hope you know the 10th International Workshop on Tropical Marine Environmental Changes (MEC 2019) will be organized by our South China Sea Institute of Oceanology in Guangzhou during 24-25 November 2019. Please mark your calendar and submit your abstract before 30 September 2019. Please find the details via <http://ito.scsio.ac.cn/Mec/Detail38.html>

Hope to see you in Guangzhou!

Sincerely yours,

Yuan SHEN

Mission of the International Goat Association: to promote goat research and development for the benefit of humankind, to alleviate poverty, to promote prosperity and to improve the quality of life.

Beth A. Miller, DVM

**MEMORANDUM OF INTEREST
FOR FUTURE COLLABORATION BETWEEN IGA AND AMITY UNIVERSITY
TO FORM THE "IGA INDIA PROJECT"**

Concept Note

India is the home of the second largest goat population in the world but there is room for enhancing extension and training activities, and applied (translational) research. This initiative will benefit farm families through sustainable goat rearing, promote coordinated goat activities across the country, and strengthen the Indian goat industry.

Proposed activities of the IGA India Goat Project include:

- Establish the IGA India Goat Project Advisory Board to manage the project
- Design and implement training programs for goat producers, beginning in Rajasthan
- Build a bridge between academia and farmers through comprehensive extension and farmer services
- Improve goat marketing by linking goat producer groups with industries for different goat products
- Establish financial services including loans to help small-scale producers upgrade and expand their operations through herd health and management improvements.
- Advance gender equality and women's empowerment through integrated goat husbandry and gender-responsive programming
- Establish a training center on sustainable goat production
- Strengthen IGA activities in India to build membership, strengthen professional networks and advocate for a vibrant and healthy goat sector in India

Officers:

President:

Beth Miller, USA

Past President:

Juan Capote, Spain

Vice President:

Lucia Sepe, Italy

Vice President:

Carina Visser, South Africa

Secretary-Treasurer:

J. M. Luginbuhl, USA

Associate Sec-Treasurer:

Noemí Castro Navarro, Spain

Editor-in-Chief:

Small Ruminant Research

Yan Landau, Israel

Board Members:

Dilip Bhandari, USA (Nepal)

Hervé Hoste, France

Nazan Koluman, Turkey

Sándor Kukovics, Hungary

Paula Menzies, Canada

Tilahun Sahlu, USA

Davinia Sanchez Macias, Ecuador

J. Felipe Torres-Acosta, Mexico

Yoko Tsukahara, Japan

Yingjie Zhang, China

Executive Director:

Christian DeVries, USA

Governance

- The IGA India Goat Project will be housed at Amity University-Rajasthan Campus, as a unit of the University.
- The Advisory Board will develop proposals for each activity, for IGA to approve.
- IGA will establish an India Goat Project committee to interact with the Advisory Board, and send proposals to the IGA Board of Directors for approval.
- Proposals will include baseline data collection, process for establishing indicators, budget, action plan, and a monitoring, evaluation and learning timetable.
- The budget will include consultant fees for the IGA Committee members.
- Approved activities will be submitted to Government of India Agencies/private sector industries for funding.
- The Advisory Board will manage the project, and be responsible for hiring personnel, and submitting financial and progress reports.
- The Advisory Board will meet at least every six month to review the progress of the activities, identify obstacles, and revise plans as necessary.

Proposed Local Administration

- Chair: Prof. G. K. Aseri
- Vice-Chair & Secretary: Dr. Jagdip Singh Sohal
- Treasurer: Dr. Deepansh Sharma
- 3 members-at-large, at least 1 of whom will be a woman (to be appointed)
- IGA Representative (decided by IGA Board)

Advisory Board (Founding members)

- President: IGA President
- Chair: Rajasthan Livestock Development Board
- Director: Central Institute for Research on Goats, Mathura
- Director: Central Sheep and Wool Research Institute, Avikanagar
- Director: The Vice-Chancellor of Rajasthan University of Veterinary & Animal Sciences, Bikaner
- Director: Chair, Ahmednagar Goat Federation, Ahmednagar

25 October 2018

Beth A. Miller, DVM
President, IGA

(Amity University Rajasthan)

OUTCOME REPORT

of

(Asian Regional Conference on Goats-2018)

by

(Amity Institute of Microbial Technology, AUR)

1. General Introduction (50-80 words)

India is the home of the second largest goat population in the world but there is room for enhancing extension and training activities, and applied (translational) research. This initiative will benefit farm families through sustainable goat rearing, promote coordinated goat activities across the country, and strengthen the Indian goat industry.

2. Objective(s) of the Event (Point-wise)

- To Bring all stakeholders at common Platform
- To Collaborate with IGA for scientific and academic interventions
- To Collaborate with goat industries for industry driven R &D and income generation

3. Envisaged Vs Achieved Outcomes

S. No.	Envisaged Outcome	Is the outcome tangible or intangible?*	Achieved Outcome	Remarks, if any
1.	Farmer awareness Programme with IGA	Tangible	Sensitization and upliftment of goat farmers	-
2.	Objective based training Programme for farmers under the aegis of Mission of Higher Education in Agriculture, India (October 2019)	Tangible	Skill development in farmers	-
3.	Student Exchange from AUR to University of Hebei, China and Vice	Tangible	Scientific exchange for students	-

	<i>versa</i> (December 2019)			
--	------------------------------	--	--	--

4. Actionable Progressive Outcomes

Outcomes requiring prolonged monitoring are as under:

S. No.	Envisaged Outcome (a)	Outcome activity yet to be achieved (b)	Is the outcome tangible or intangible?*	Action plan to achieve the Outcome activity described in column “(b)” (c)	Target Date (d)	Responsibility (e)	Remarks, if any (f)
1.	Farmer awareness Programme with IGA	Concept is under discussion with IGA India Project	Tangible	Scheduling and Programme is under discussion with IGA India Project	(June-July, 2019)	IGA India project team	-
2.	Objective based training Programme for farmers under the aegis of Mission of Higher Education in Agriculture, India	Under Discussion with ICAR authorities	Tangible	Grants will be open in due course of time for Programme by GOI	(October 2019)	IGA India project team	-
3.	Student Exchange from AUR to University of Hebei, China and <i>Vice versa</i>	Scientific expertise and options are under consideration	Tangible	Alignment of the scientific staff as per the student working are need to be workout	(December 2019)	IGA India project team	-

(* – *Tangible outcomes should have a specific target date. Intangible outcomes need not have a specific target date.*

5. Scientific/ Technological/ Administrative strengths of the institution/s visited.

The Central Sheep and Wool Research Institute is a premier institute of Indian Council of Agricultural Research engaged in research, training and extension activities on sheep and rabbits. Indian Council of Agricultural Research (ICAR) is an autonomous organization under the Department of Agricultural Research and Education (DARE), Ministry of Agriculture, Government of India.

6. Establishing linkages or possibilities of collaboration with other Organization(s)/ Participants and their strengths.

1. **Signed LOI with IGA to open IGA – INDIA project** led by Amity University Rajasthan. Key activities as under:
 - Establish the IGA India Goat Project Advisory Board to manage the project
 - Design and implement training programs for goat producers, beginning in Rajasthan
 - Build a bridge between academia and farmers through comprehensive extension and farmer services
 - Improve goat marketing by linking goat producer groups with industries for different goat products
 - Establish financial services including loans to help small-scale producers upgrade and expand their operations
 - Advance gender equality and women's empowerment through integrated goat husbandry and gender-responsive programming
 - Establish a training center on sustainable goat production
 - Strengthen IGA activities in India to build membership, strengthen professional networks and advocate for a vibrant and healthy goat sector in India.
2. **Dr. Yin Zie Zhang** (Dean – College of Animal Sci. & Tech. – Agriculture University of Hebei - China) has given their consent to initiate student exchange program.

3. **Dr. Davinia Sanchez Maicas** (National University of Chimborazo – Ecuador) has given their consent to initiate student exchange program.
4. **Dr. R B Sharma** (National Director – Mission of Higher Education in Agriculture – ICAR - GOI) has shown his interest to help AUR for Agricultural programs.

Scientist, academicians and industry personals are in discussion for further collaborations, scientific exchange and joint grant proposals.

Appendix 1 – Attendance of all the participants

Appendix 2- Few Feedback forms received from participants

Appendix 3- Photographs

1. ARCG - Registration:

2. Dr. Aseem Chauhan (Chancellor - AUR) welcoming Chief Guest Shri Gajender Singh Shekhawat (Union minister of Agriculture & Farmers Welfare MOS - GOI)

3. ARCG – Inauguration dt. 22.10.2018

4. Inaugural Speech by Chief Guest Shri Gajender Singh Shekhawat (Union minister of Agriculture & Farmers Welfare MOS - GOI)

5. Prof. Arun Patil (Vice Chancellor – AUR) is felicitating Guest of Honors: Director – CIRG & CSWRI

6. Address by Dr. Beth Miller, President - IGA

7. Display of Goat Breeds in ARCG.

8. Brainstorming Session with Key Note Speakers.

9. Gala Dinner & Cultural Evening at Hotel Indiana Palace - Jaipur

AMITY UNIVERSITY

RAJASTHAN

Amity University Rajasthan distributed Tulsi plant in Bhuranpura village under the Unnat Bharat Abhiyan Scheme by Ministry of Education, the Government of India. Speaking on the occasion, Provost Professor (Dr.) GK Aseri inspired the farmers to promote organic farming. He encouraged the farmers of Bhuranpura to cultivate Aloe Vera in the state of minimum water level and further he stated that realizing the need of the time, Amity University is bound to provide training to the farmers for medicinal plant cultivation, water conservation, advanced technology of integrated farming so that the income of the farmers can be increased. On this occasion, Mr. Mahendra Meena, Bhuranpura Sarpanch, advised all the villagers to wear masks.

On this occasion, Coordinator Dr. Manoj Kumar distributed masks to the villagers and stated the importance of Tulsi which is helpful to increase immunity to avoid seasonal diseases. On this occasion, the university's Mr. Vikas Chauhan (Deputy Director Admin), Dr. Jagdeep Singh Sohal, Dr. Dipansh Sharma appealed to the villagers to follow the Corona guidelines. Unnat Bharat Abhiyan Coordinator Dr. Manoj Kumar thanked all the people for their presence in the program. On this occasion, Dinesh Singh Shekhawat (Sport Officer) Amit Singh and Deepak Singh of Amity University and people from all the villages of Bhuranpura Gram Panchayat were present.

A tree plantation program was organized in Amity University Rajasthan Campus under the aegis of UBA Cell and NSS units of Amity University Rajasthan, Jaipur. Pro-President Professor (Dr.) Amit Jain started the program by planting saplings, and he stated the importance of trees and advised people to plant more and more trees. He appreciated the efforts of NSS and UBA team, Horticulture team and Admin department for the programme.

Blood donation camp was organized on 18 October 2019 from 10.00 AM to 4.00 PM. The camp was organized in collaboration with Santokba Durlabh Jee Memorial Hospital (SDMH), Jaipur and HDFC bank, Jaipur. Team of ten members from SDMH led by Dr. Lokesh Garg reached the venue well in time. They got the registration form from the donor and then checked the donor

for medical fitness and then collected blood from only the fit donor. Students, faculty members and staff members donated blood with enthusiasm and 135 units of blood was collected. Visit of Vice Chancellor Prof. Arun Patil, Brig. G. S. Rathore, Prof. G. K. Asei, Prof. S. S. Bhal and Dr. Rahul Tripathi was motivating for the donors.

AMITY UNIVERSITY

RAJASTHAN

From academic year 2015-2016, the University has implemented Choice Based Credit System (CBCS), in which the courses in each programme are categorized into core courses, domain electives, open electives, and value-added courses.

In all the programmes, the student is required to study three regular value-added courses Any one Foreign Language (out of French/German/Spanish/Chinese); English / Communication Skills/ Business Communication – Professional writing, Social & Business Communication and Employability Skills. Behavioral Science – Self-Assessment, Problem Solving & Creative Thinking, Interpersonal Relationship, Team building, Stress & Coping Strategies, Personal & Professional Ethics.

Some of the Value- added courses offered to towards commitment to specific areas of sustainability and SDG Goals.

Subjects	Goals
1) Tropical Climate	SDG 6 & 7
2) Graphic Skills	SDG 4
3) Basic Painting & Landscape	SDG 4
4) Law & Legal Studies	SDG 16
5) Hospitality Management	SDG 4 – Vocational Training
6) Food Quality Analysis & Assurance	SDG 4 Skill Development
7) Philosophy	SDG 4 Ethics /Gender

National Service Scheme Units

Duration: August 2019 to May 2020

Amity University Rajasthan Jaipur

Team NSS

A team comprising of following members was constituted by the registrar of Amity University Rajasthan, Jaipur to execute the activities of NSS at AUR campus:

1. Dr. Manoj Kumar- Program Coordinator
2. Dr. Yogita Madan- Program officer
3. Dr. Prashant Mishra- Program officer
4. Dr. Girish Paliwal- Program officer
5. Mr. Rituraj Taye- Program officer
6. Mr. Anjani Kumar Shukla - Program officer

This team is working under supervision of Prof. S. S. Bhal, DSW & CL.

REPORT

Five self-financed National Service Scheme Units are actively working at Amity University Rajasthan Jaipur. During session 2019-2020, 45 volunteers joined NSS by paying annual fee of Rs. 500/- and worked in several social activities and events organized by NSS to meet the motive of NSS, Government of India “personality development through social service”. Right from inception of NSS at AUR campus several events have been organized, the details are given in following pages.

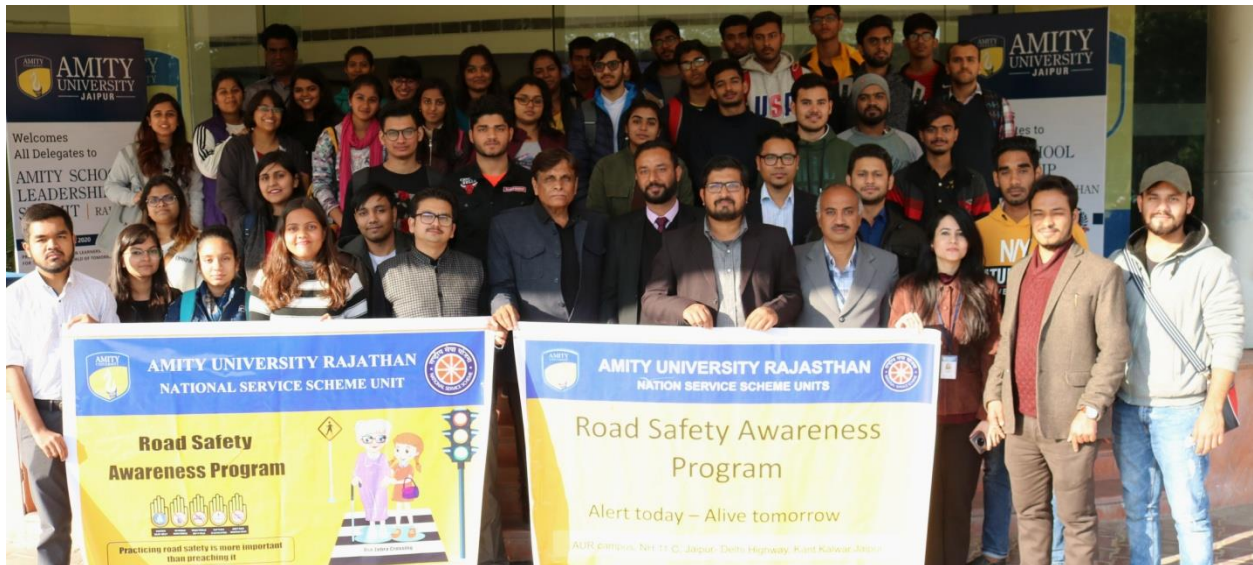

Month wise list of the events:

1. Road Safety Awareness Program on 11th January, 2020
2. Blood Donation Camp on 19th February-2020
3. NSS Special Events during Lockdown: A Glimpse
 - a. Motivation for Plasma Donation- The Greatest Good Anyone Can Do,
 - b. Poetry competition: spill the ink
 - c. Slogan and Poster Making Competition,
 - d. Save Animals Program,
 - e. Awareness on stigma and discrimination against healthcare, COVID-19 frontline workers and persons affected with COVID-19
 - f. Stress Management during Lockdown
4. An online essay and drawing competition on the occasion of death anniversary of ex-Prime Ministers Shri Rajeev Gandhi (21st May) and Shri Jawahar Lal Nehra (27th May).

Event Report

NSS- Road Safety Awareness Program- 11th January, 2020

NSS Units of Amity University Rajasthan organized **Road Safety Awareness Program** on 11th January, 2020. The main aim of this program to educate youngsters regarding traffic rules considering the fact youngsters are more prone to rash driving. Dr. Manoj Kumar, Coordinator, NSS Units of AUR welcomed the chief speaker of this program, Mr. Mahendra Singh, Deputy Director Security, AUR. In his address, Mr. Singh urged the audience to abide by traffic rules and not to indulge in rash driving and avoid overtaking in turnings etc. Further, he cited some accidents incidents in the vicinity of AUR campus. He emphasized on the use of helmet and seat belt. Further, all volunteers took pledge for following road safety rules. NSS volunteers expressed their views on “Bringing change through youth power.” Dr. Manoj Kumar concluded the ceremony by urging the participants to inculcate the road safety measures in word and spirit. Mr. S.S. Bhal, DSW, AUR expressed the dire need of the conduction of such events in the university. The program was attended Dr. Prashant, Dr. Yogita Madan, Mr. Rituraj Taye, Mr. Raunak Parekh, Dr. Kaushal Kishore Sharma and Mr. Ravi Kumar.

Blood Donation Camp-2020

Blood donation camp was organized by National Service Scheme units of Amity University Rajasthan, Jaipur and Shri Lokendra Singh Mahalawat along with his friends in the memory of Late Pushpendra Singh, RAS, Xavierite '94 Batch on 19th February, 2020. Medical team from Swasthya Kalyan Blood Bank, Jaipur led by Mr. Shubhas Sharma collected blood from the volunteers after ensuring their medical fitness. Dr. Manoj Kumar welcomed the medical team, blood donors and the team. Dr. Nitin Bhardwaj, Registrar, AUR and Mr. S.S. Bhal, DSW, AUR visited the blood donation camp and congratulated the donors and extended their gratitude to the medical team. Their visits were motivating for the volunteers. Students, faculty members, staff and security guards of AUR donated 131 units of blood. Blood donation by senior officials Mr. Sunil Bhargava, Mr. Pankaj Sharma, Dinesh Shekhawat, Dr. Parul Mishra was inspiring for the volunteers. Dr. Manoj Kumar and Dr. Prashant, coordinated this program. Significant contribution was made by Dr. Yogita Madan, Program officers NSS, Shri Vikas Chouhan, Dy Director Admin, Mr. Dharmendra Thakan, Dr. Kaushal Kishore Sharma and Maha Singh, Senior Security Supervisor for successful organization of the camp. Photography was covered by Mr Sanjeet Singh from ASCO.

Motivation for Plasma Donation- The Greatest Good Anyone Can Do

In the same series, an event named **Motivation for Plasma Donation- The Greatest Good Anyone Can Do** was conducted today by Dr. Yogita Madan NSS Program Officer of ASAS and Dr. Manoj Kumar, Overall Coordinator of NSS Unit, AUR. Ms. Priyanshi Khare, Student of Int. Mtech 4th Sem., Ms. Patel Rajal and their team members have delivered a presentation and Ms. Patel Rajal, in which she has given the basic introduction of plasma therapy, how it help in curing the covid 19 patient, criteria for plasma donation like who can donate the plasma and message given by first plasma donor Ms. Smriti Thakkar. The aim of the event is to spread the awareness among people about plasma donation and for eliminating the panic among people. NSS volunteers have also given the message of equality i.e. all are same; all have one blood, one plasma. We should not discriminate among the people on the basis of caste, religion, colour etc. The content presented in the event has been successfully circulated among all the volunteers for wide publicity so as to spread awareness among human society. Presenters and Organisers appealed all the

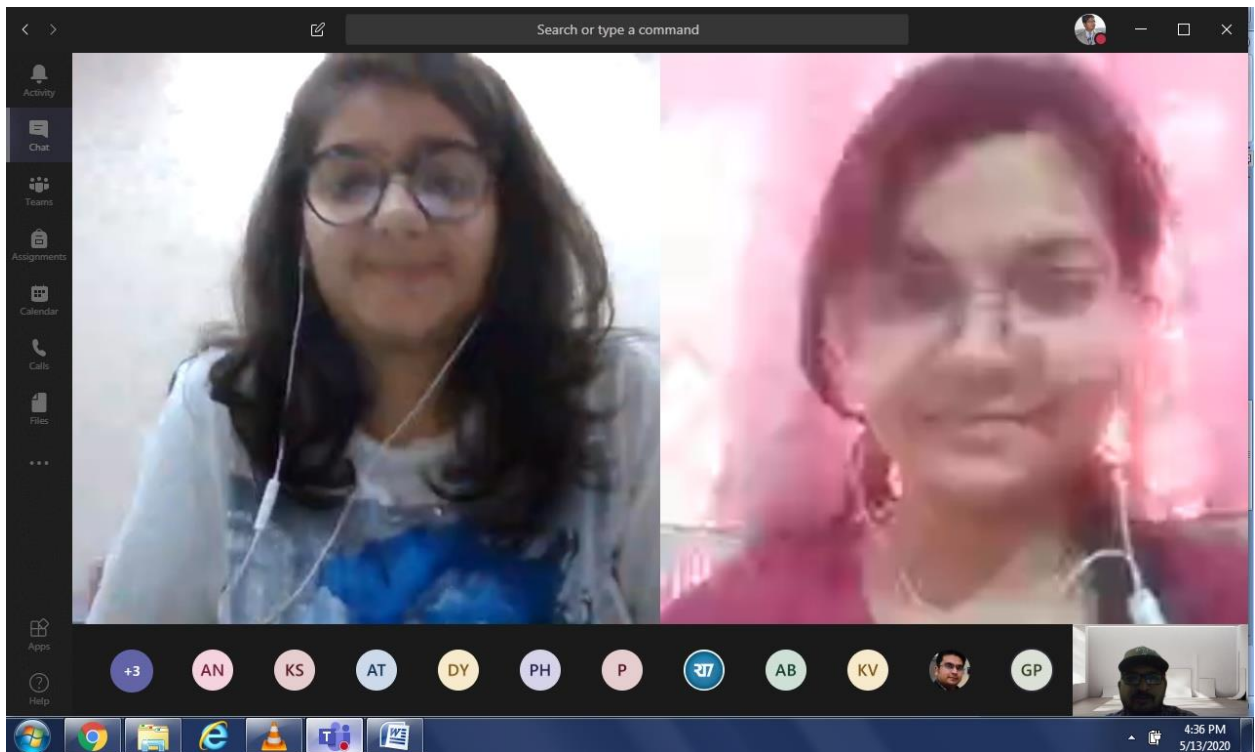

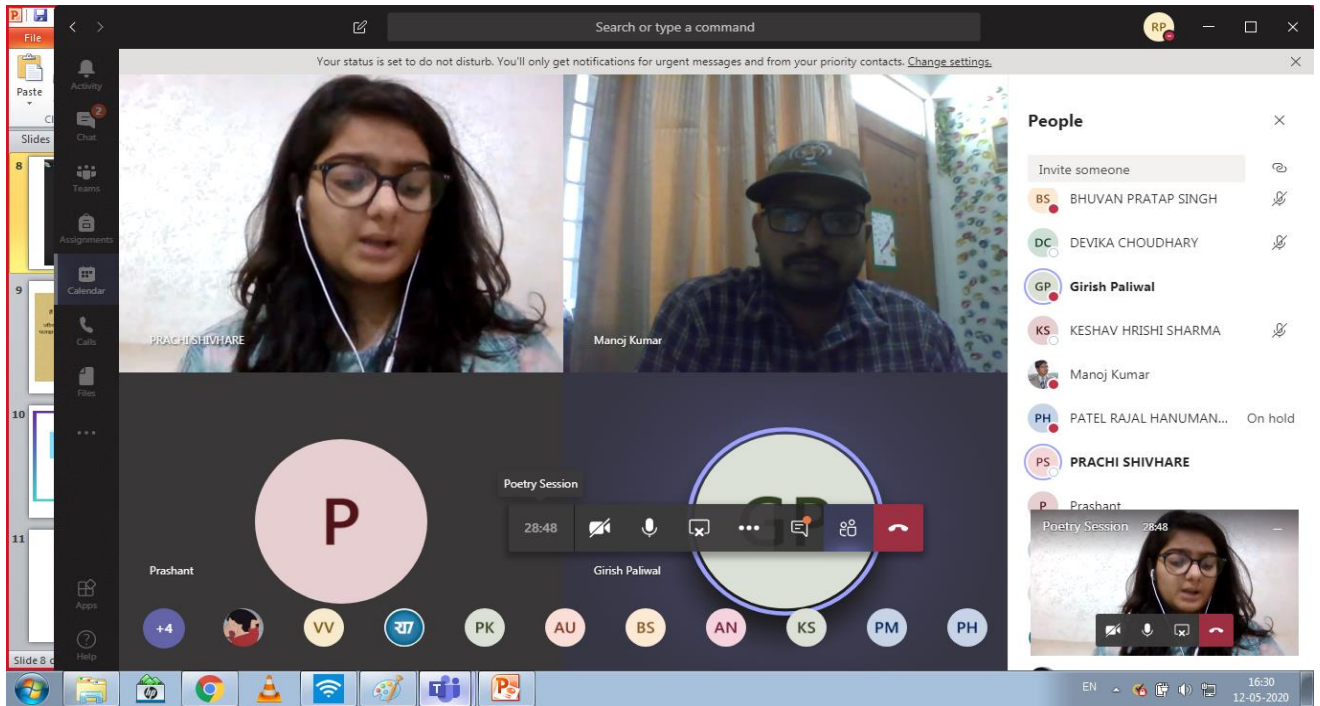

attendee to wear mask and follow the general guideline for prevention of Covid-19 and requested to make aware people about it by sharing the words of knowledge and with the uploaded content. The program was attended by volunteers of various departments of AUR and Dr. Prashant, Mr. Ronak Parekh, Mr. Anjani Kumar Shukla and Mr. Rituraj Taye.

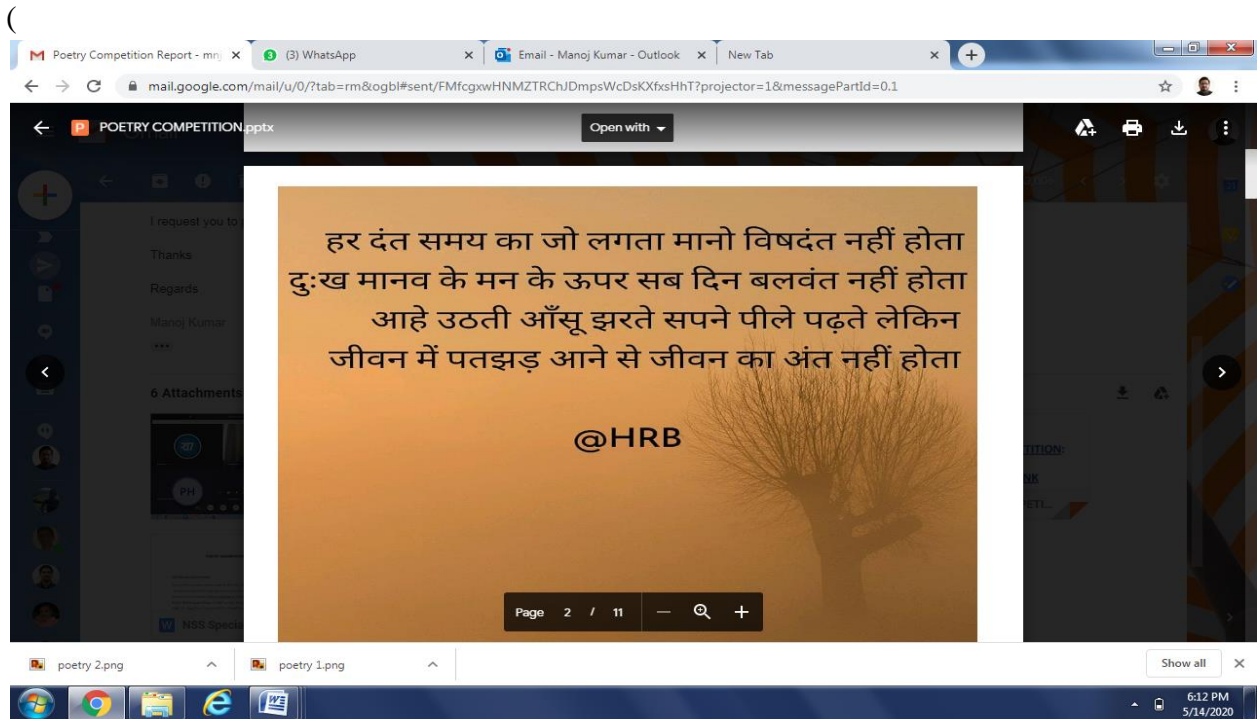

POETRY COMPETITION: SPILL THE INK

During the one week special camp of NSS Units of AUR, many events have been planned on the theme Covid-99 through online platform from 11th May to 15th May, 2020. In the same series, an event named **Poetry competition: Spill the ink** was conducted today by Mr. Ronak Parikh NSS Program Officer of ASET and Dr. Manoj Kumar, Overall Coordinator of NSS Unit, AUR. Ms. RajalPatel student of B.Tech Food Technology, Ms. Arya Malika student of B.Tech Biotech, Ms. KomalSoni student of BA HonorsPsychology, Ms. Prachishivhare student of BSC Biotech and Mr. YashChitransh BA HonorsPsychology recite poetry on “social issues and impact of Covid-19”. The aim of the event is to motivate and inspire students. The program was attended by volunteers of

various departments of AUR Dr. Prashant, Dr.Girishpaliwal, Mr. Anjani Kumar Shukla, Mr. RiturajTaye and Dr.Yogita Madan.

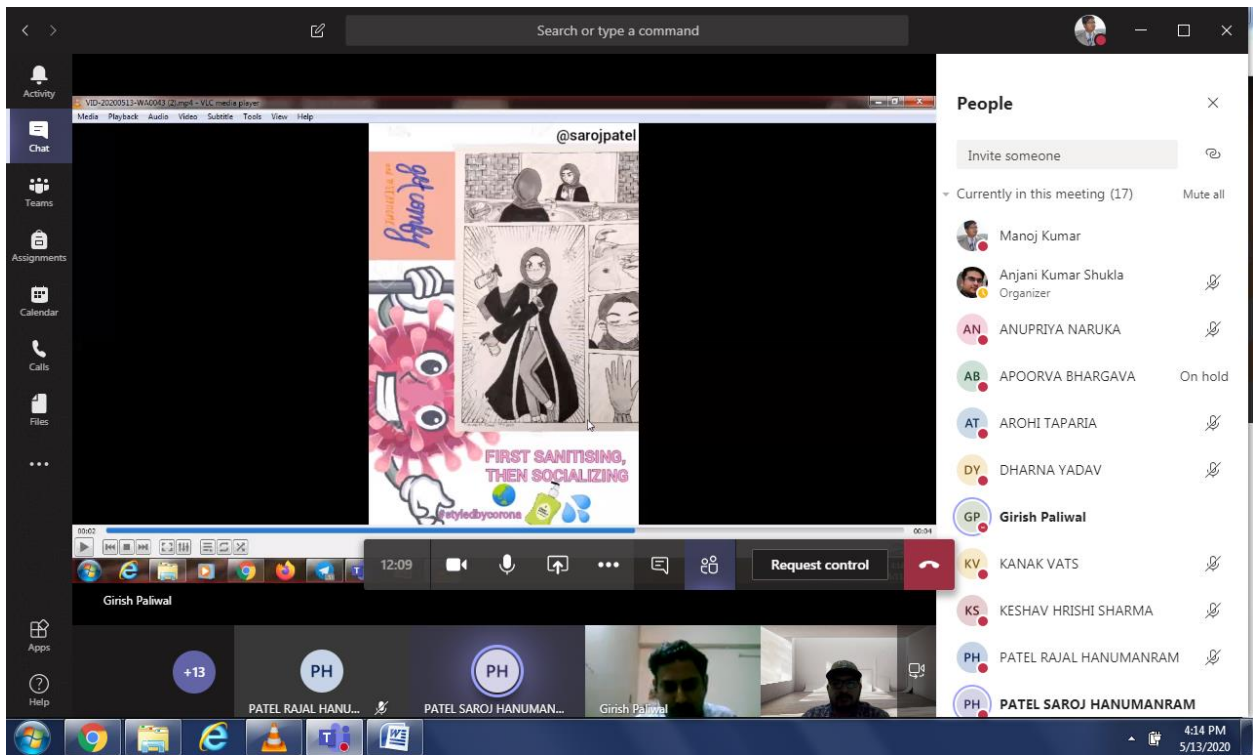

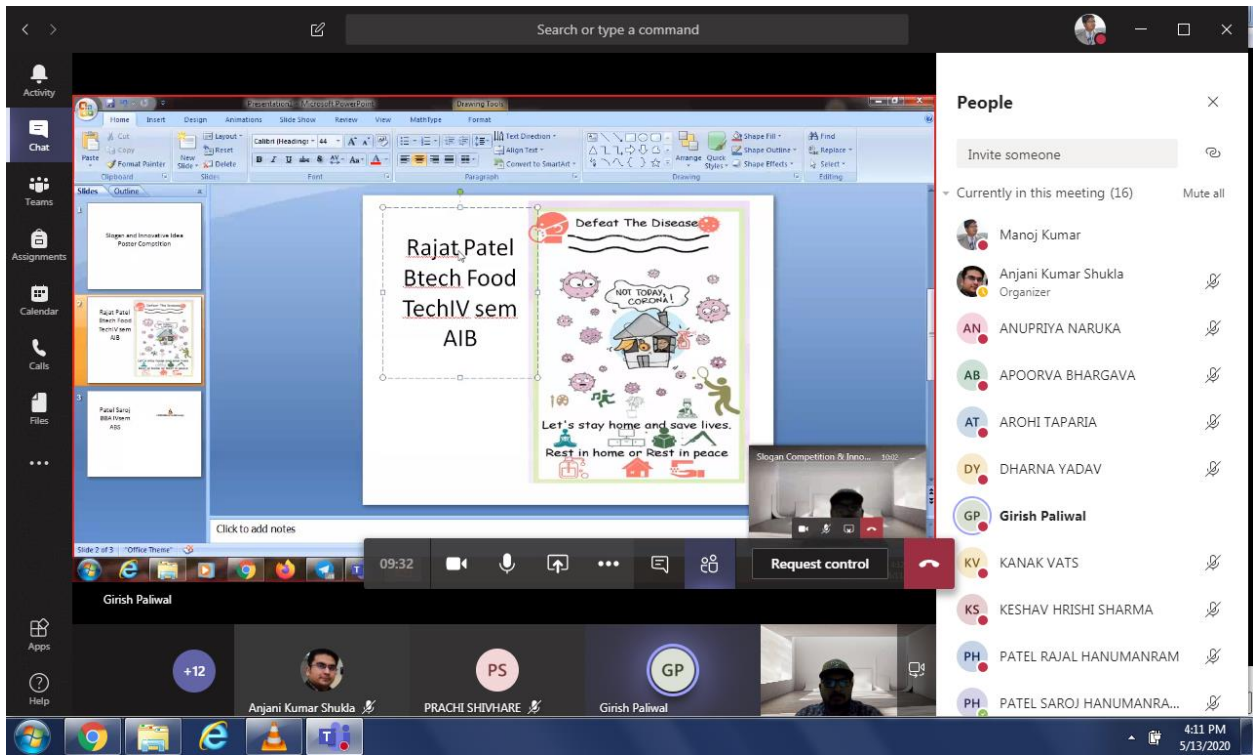

(Priyanshi Khare and Prachi reciting poems)

Slogan and Poster Making Competition

During NSS special camp activities, a **Slogan and Innovative Poster Making Competition** was conducted today by Mr. Anjani Shukla and Dr. Girish Paliwal, NSS Program Officer. Ms. Rajal Patel student of B.Tech Food Technology, Saroj Patal, BBA-IV, Sejal Govil, BID, Deep Shikha Verma, B. Arch-IV presented their posters and slogans on issues related to Covid-19. The aim of the event is to showcase their creativity and make others aware about the on-going problem. The program was attended by volunteers of various departments of AUR. Dr. Prashant, Mr. Rituraj Taye and Dr. Yogita Madan were present during the program. Dr. Manoj Kumar, Overall Coordinator of NSS Unit, AUR thanked all the participants for their innovative ideas on issues related to Covid-19.

Save Animals Program

In the series of events on Covid-19 awareness program by NSS units of AUR, Save Animals Program was conducted by Mr. Rituraj Taye, Program Officer, NSS. Dr. Manoj Kumar, Coordinator, NSS motivated volunteers to spread awareness on stigma and discrimination against healthcare, COVID-19 frontline workers and persons affected with COVID-19.

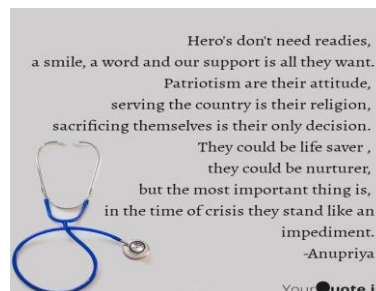

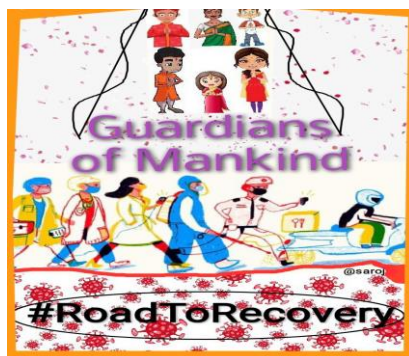

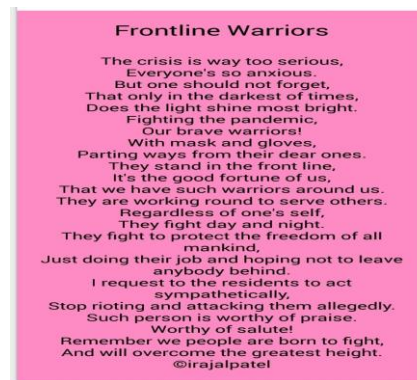

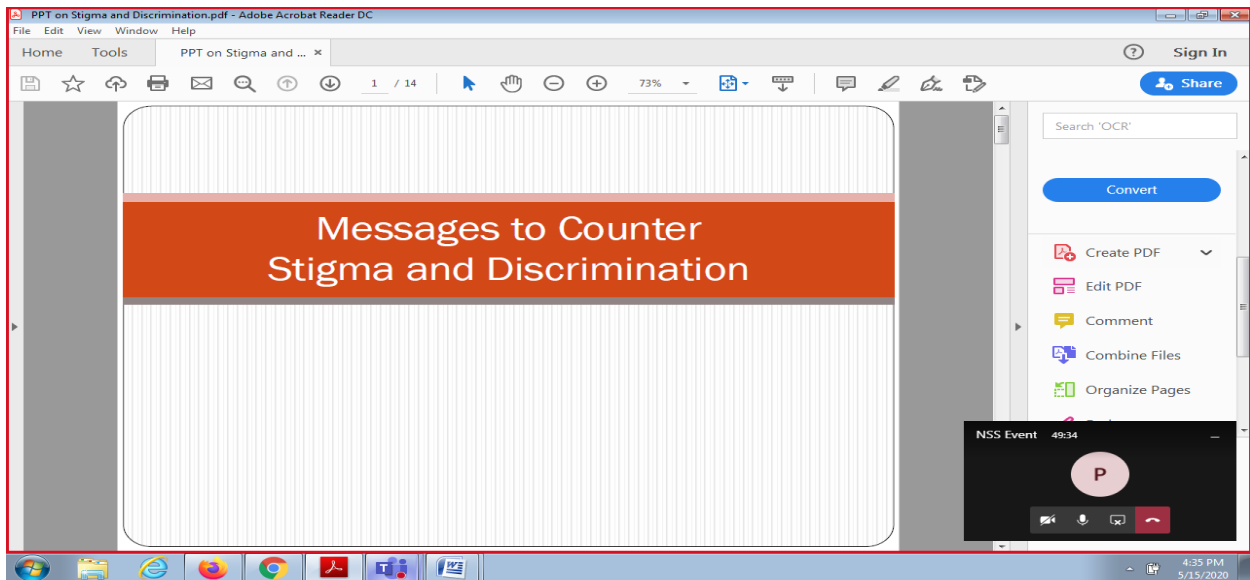

The main purpose of Save Animals Program was to show how we can help the stray animals around us during this lockdown period. These stray animals mainly depend on human beings & restaurants for food, but due to lockdown, these stray animals are left hungry and unattended.

Two short films were screened during this program- The first film delivered a strong message on saving the stray animals around us and the initiatives taken by the Government of India to protect the stray animals. The second film was a collection of videos across PAN INDIA where individuals, organizations & societies are extending their helping hand to these helpless and hungry stray animals by feeding food on a daily basis.

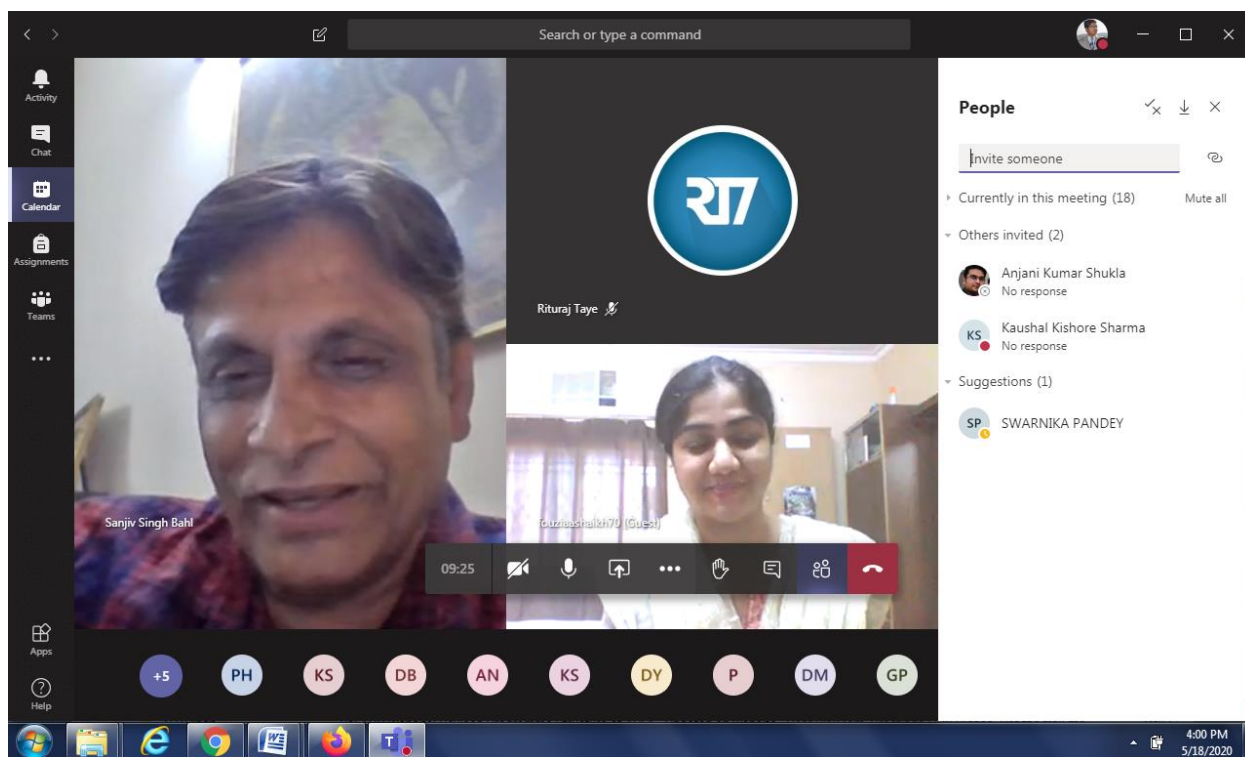

Awareness on stigma and discrimination against healthcare, COVID-19 frontline workers and persons affected with COVID-19

In the series of events on Covid-19 awareness program by NSS units of AUR, an event was organized by Dr. Manoj Kumar, Coordinator, NSS to motivate volunteers to spread awareness on stigma and discrimination against healthcare, COVID-19 frontline workers and persons affected with COVID-19. Ms. Patel Raja, B.Tech(FT) IV Semester, Ms. Saroj Patel, BBA, Ms. Dharna Yadav, and Ms. Anupriya, BA (Psy) presented posters and recited poems in honor of the front line workers and health workers. The program was attended by volunteers of various departments of AUR and Dr. Yogita Madan, Dr. Prashant, Mr. Ronak Parekh, Mr. Anjani Kumar Shukla, Dr. Girish Paliwal and Mr. Rituraj Taye.

Stress Management during Lockdown

In the same series of special camp on Covid-19 theme by NSS units of AUR, A guest lecture on Stress Management was organized by Dr. Prashant, Program Officer. The guest speakers for the session were Dr. Fouzia A Shaikh and Dr. K C Barmola. Dr. Sanjiv Bhal DSW , AUR welcomed the guest and volunteers. Dr. Fouzia stated that denial is not solution; we have to confront with this. Adjustment is very important quality to deal with new environment and listen to your inner voice. Besides, she also talked about some techniques to manage stress. The other speaker Dr. K C .barmola talked about how to deal with stress of COVID-19 . He also suggested some ways to deal with COVID stress such as Anuloam Vilom Pranayam, Kapal Bhanti Pranayam, meditate etc. Students asked various questions from the both of the experts. Experts have handled their queries and doubts. Dr. Manoj Kumar, Coordinator, NSS AUR, has extended vote of thanks. Dr.Sanjiv Bhal, Mr. A k Shukla, Dr. Yogita Madan, Dr. Girish Paliwal, Dr. Rituraj Taye, Mr. Ronak Parekh, Dr. K K Sharma were present during the lecture.

Report on Online Essay and Drawing Competition

NSS units of AUR conducted online essay and drawing competition on the occasion of death anniversary of ex- Prime Ministers Shri Rajeev Gandhi (21st May) and Shri Jawahar Lal Nehra (27th May). Volunteers from various departments participated in the event and submitted their drawing and essays via online mode. Students paid the tribute through creative tasks. Many of them presented their views on topic "Youth and Non-Violence" and tried to explain the importance of non-violence in one's life. Besides, volunteers presented their e-posters on "Bapu ke Sapno ka Bharat" theme and showed their creativity. DSW Shri S.S. Bhal and Dr. Manoj Kumar, NSS volunteers thanked all the volunteers for showing creativity during lockdown to mark the occasion of death anniversary of Shri Rajeev Gandhi and Shri J.L. Nehru.

SDG 4::

Promoting Quality Education through Student's Engagement with Public learning opportunities.

Amity University Rajasthan organized a number of Webinars on topics related to the industry in both the forms- knowledge sharing as well as providing Vocational Training. All the sessions were conducted by Industry experts and experts specialized in their given field. The strength of Amity in terms of promoting Quality Education is met through the [events](#) being conducted by the different schools.

**177 Webinars
conducted between
July 2019 to
December 2020**

Some of the prominent Webinars which targeted Life -long learning are – “Violence against women with special reference to counselling”, “Tips for healthy life and cancer prevention”, ”Live your passion to shape your future”, Utilizing the time productively during lockdown”, “ Know thyself- mental health assessment.

Education Outreach Activities.

As India's leading education group, Amity is also committed to nation-building beyond education reflected in the efforts and initiatives of the Amity Humanity Foundation. Established in 1995, the mission of [Amity Humanity Foundation](#) is to support and initiate social welfare activities and create possibilities for equitable social development. Strongly committed to encourage potential for excellence in education and research, Amity University, Rajasthan, has six Centers of Excellence:

Amity Centre for Positivism and Happiness

Amity Centre for Converging Technology and Sciences (ACCTS)

Amity Centre for Mycobacterial Disease Research (ACMDR)

Yunus Social Business Centers (YSBC)

Amity Centre for Ocean Atmospheric Science and Technology (Amity COAST)

Amity Interdisciplinary Centre for Climate and Research & Policy (AICCRP)

Various Outreach Activities were organized by the NSS & UBA Cell of Amity University Rajasthan.

**35 Activities
conducted by
NSS & UBA Cell
as outreach
activity**

Dedicated Gender Cell and Committee for Equal Opportunity.

Amity University having a dedicated Presiding Officer for [Gender Cell](#) and Cell to promote equal opportunity. A [students handbook](#) also provides information regarding every activity and support available within the University irrespective of Caste/Gender/Religion/Ethnicity/Disability or Immigration status.

SDG 6::

Clean Water and Sanitation- Availability to all.

Water Management in Cities for Sustaining Urbanisation

To add to the problem is the poor availability of water. The per capita water availability on our planet has been consistently dipping. This was over 6000 cubic metres in 1947 and is projected to decrease to less than 1150 cubic metres in 2050, which is regarded by WHO as insufficient for healthy living. As global population grows to over 9 billion by 2050, water scarcity could 'blow up' the world through failure of crops, breakdown of ecosystems, collapse of industries etc. Majority of India survives on ground water. Ground water levels are receding all over the country, rivers are drying up and fertile lands are turning towards desertification. Global warming is making the situation even worse. Already, parts of India are facing drought due to failure of the monsoon year after year. Nature had created the surface and ground water habitats for fresh water through geological activities millions of years ago. Until about a hundred years ago, fresh water from these habitats appeared to be perennial. But its traditional habitats are being systematically destroyed by human activities and the ignorant public remains a mute spectator.

Amity University Rajasthan is not only promoting the sustainable use of water in ensuring availability of clean and sanitized water but also practicing different initiatives for the same.

Conserving Water and Preventing Wastage Water conservation is very important at AUR. The aim is to reduce wastage of water. To this end the following measures are being taken:

(a) Rainwater harvesting Lake The artificial lake gets treated water from the Sewage Treatment Plant and also all the rainwater from terraces of buildings, and other rain water drains comes to this lake. This water is used for horticulture, thus ensuring literally zero wastage of water.

(b) Water Level Indicators A panel having three indicators denoting the water level is being established at ground level for ease of information to the plumbers for switching pumps On/Off, thus avoiding spillage and waste of water.

(c) Automated water filling system A Solenoid valve, pressure switch, float switch arrangement is being planned for implementation for automatic water filling system at one of the hostels on trial basis. This system if implemented at all locations will promote zero wastage of water therefore conserving water.

(d) Ground Water Recharging Ground water recharging had been done at various places. The ground water recharging is planned to be extended to borewell recharging. Two borewells have been identified for the pilot project. As AUR is in a semi bowl shape, water during rains also flows into the campus from the front and rear gates. The aim is to channelize this water to the nearest borewell for recharging through proper filtration.

(e) Use of STP water in flush system hostels Hostel Blocks are connected with a separate flush line for using the STP water.

(f) Ground Mapping Ground mapping of AUR periphery has been done by 2 D image resistivity method. Cracks fixtures which could store water have been found. The intent is to recharge these zones so that the water resource is within the campus.

AMITY UNIVERSITY

— R A J A S T H A N —

Amity University Rajasthan is spread over 152 acres lush green campus located on Jaipur Delhi highway surrounded by Aravali mountains. We are shifting towards conventional energy sources to non-conventional energy sources by implementing national renewable energy policies. We have strong energy strategies in implementing the following activity on the energy sector and contributing towards the conservation of natural resources- listed below.

- Solar Park and roof top Solar Plant
- Golf Carts and Battery operated autos for visitors and student, and staff with in the campus
- Neem Forest with walking track
- Waste Management –(Electronic Waste & Plastic Waste)

Solar Plant and dedicated Solar Park at Amity University Rajasthan

AMITY UNIVERSITY

RAJASTHAN

Amity University Rajasthan has established a dedicated research centre ,“COAST- Centre for Ocean & Atmosphere Science and Technology”, in the year 2015 to plan and execute climate related R&D.

Centre is first of its kind in the state of Rajasthan to promote interdisciplinary research on numerical modeling of Ocean & Atmosphere state, monsoon studies, climate modeling, extreme weather as well as academic programs at graduate, post-graduate and doctoral levels. The Research is focused on

- Prediction of High Impact Weather Hazards such as heavy rainfall, tropical cyclone
- Regional Climate Modeling for prediction of climate change disasters
- Environmental Monitoring and Modeling

Environmental Monitoring Facility (EMF) has been established at Amity University Campus with the collaboration of India Meteorological Department (IMD), Ministry of Earth Sciences, New Delhi to monitor air quality.

Climate related projects are implemented with the support of Department of science & technology which helps the planners, disaster managers and coastal zone authorities for planning and implementation of climate change hazards. The University is also organizing Webinars to create awareness by inviting experts from NGO's , Govt Organizations and Reputed Institutes.

SDG : 16 Peace & Justice

Amity University Rajasthan (AUR) follows a strict policy on Bribery and Anti-corruption and takes zero-tolerance approach for the same. The University follows a strict system and mandate on Freedom to Academic affairs which is applicable to all the Faculty Members, Staffs and students at the University. There is a system of Class Representative, wherein the students vote and elect their representative who in turn attends all the meetings with the Management Representatives on behalf of the students body. AUR follows a system of Mentor Mentee where all the students are provided with a Faculty Member (Mentor) to address, resolve and help the students in different affairs related to academics as well as personal.

Choice Based Credit System (CBCS) is a part of all the programs at AUR. This ensures student centric contextual curriculum and achievement of desired student learning outcomes. Choice Based Credit System enables the students to satisfy their scholastic needs and aspirations as the system provides enhanced learning opportunities. It offers flexibility, as the student, apart from the core courses, has a choice in selecting courses (as electives, relevant to the programme of study and as per the programme structure) out of those offered by other AUR Institutions/Departments/Disciplines. The aim is to provide students to undertake interdisciplinary courses (as electives). Interdisciplinary approach enables integration of concepts, theories, techniques, and perspectives from two or more disciplines to advance fundamental understanding or to solve problems whose solutions are beyond the scope of a single discipline.

Amity University Rajasthan strongly believes in creating open platform for its stakeholders to discuss various issues/ policies/ current affairs /practices. where political experts are visiting university and utilizing the platform. Domain specific experts from government and oppositions have recently visited universities and shared their views and planning which they are inducting in near future.

Amity University Faculties are participating in various National /International - workshop / Seminars /Conferences /Brain storming sessions for sharing ideas & suggestions in different domains.

SDG : 17 Partnership for Sustainable Development and OVERALL !!

Amity University Rajasthan has completed several MOU's to address different aspects of management and provide necessary support and solutions. The University believes in participating management and integrates domain specific Industries/HEI's /Research organizations with its departments for strengthening academics and R&D output.

Industry Advisor Board shares Industrial need which will be helpful to design programs accordingly and similarly leading R&D Institutions expertise will be invited as one of the guides for Doctoral research.

For smooth implementation University has signed several MOU's /LOA's with these organization and continuously encourages its faculty members and students to add required organizations for outcome-based R&D.

University encourages its departments to plan and execute various events which are targeting cutting age domains including cross sectorial in nature. Faculty members are encouraged to organize as well as participate in various conferences and programmes related to Sustainable Development Goals.

Amity University is always at the forefront on Humanitarian responses to disasters caused due to unforeseen consequences. Covid 19 was such an unforeseen emergency which arose as a pandemic. The Volunteers working under Unnat Bharat Abhiyan and other NCC Units helped the villagers sustain their Hunger through distribution of Food Packets. During the lockdown period, food packets were distributed to villagers of Chak, Gunavta, Kant, Achrol and to MGNREGA labour. The distribution was done in three phases on 5th, 6th and 9th May 2020. 200 packets were distributed on 5th May, 500 on 6th May and 225 on 9th May 2020. Poori, Potato vegetable and pickle was distributed on 5th and 6th May. On 9th Vegetable Biryani packets were distributed. Directors and faculties were a part of the distributing committee.

SDG 1: University believes in participative management and provide wider platform to its students for their holistic development. Besides National and International issues, university focusses on regional development, recently adopted 5 local villages for the same. University provides its facilities and expertise across the categories and sections of the society, in recent past we have initiated work for mentoring region-specific start-ups and providing guidance in agricultural upliftment.

SDG 2: Being research focused and Industry integrated University we understand the importance of food security and specially for developing countries it is the need of the hour. Besides organizing sessions on spreading awareness among stakeholders, University manages its Food chain with zero waste policy.

SDG 3: As Amity University Rajasthan is located on foothills of the Aravalli range and maintains almost zero pollution which will be appreciate by its stakeholders thereby contributing to good health and wellbeing.

SDG 8: Being a global university we are organizing sessions to aware its stakeholders about national and international economy / employment practices to prepare future ready students.

SDG 10: University also addresses issues related to inequalities and kept the same in its plan to reduce.

SDG 11: University strongly believes in participative management and share its expertise and facilities with its stakeholders and also kept available for public access. University promotes sustainable practices in its regular functioning and create platform for the same.

SDG 12: As University believes in green campus concept, we have laid down waste management policies under the canopy of environment consciousness. University has adopted state of art technology to handle various types of domestic waste. University has implemented zero waste discharge policy on below listed areas.

- Solid Waste
- Liquid Waste
- Hazardous Waste
- E-waste
- Hydro- carbon waste
- Landfill & composting

We are targeting to reduce carbon footprint in line with govt of India, carbon reduction mission.

SDG 14: University believes in smart use of natural resources, as we are located in semi-arid zone of Indian that dessert, we encourage its stake holders for strategy-based water shade management. University has constituted a dedicated department COAST in recent past, to address R&D on Ocean Water.

SDG 15: University maintains 70% of its land untouched and protect indigenous biodiversity in line with green campus mission. Besides justifiable harvesting of natural resources we believe in its replenishment.
