1. The quality and content have relevance with the Programme offered.
2. Student was provided with the related course content & study material by the university.
3. Sufficient industrial exposures have been provided through summer trainings/Internships/industrial visits/ industry lecture series etc.
4. There are adequate numbers of personal and professional development activities in the curriculum and are also offered as value added courses
5. Value added courses enhanced the student's communication, behavioural and analytical skills
6. The placement opportunities provided by the university are relevant to the domain of the students
7. The distribution of the courses in the program structure is evenly distributed and helps the student in leading a balanced social life.
8. Allotted co-curricular activities are relevant and help the student to improve their synergies as team member/leader
9. University provides domain expert faculty members and support staff to deliver quality education
10. Student performance, result analysis, mentoring and counselling are the regular initiatives

Any Other Suggestions

Excellent faculty & institute is the best. But due to the situation of Lock down period all faculty could be availed by my daughter. Ebe very Nice & Very Good.
