- Basic components of the '**examination**' for each theory paper are:
  - A. Continuous Evaluation (50 marks)
  - B. End Semester Examinations (50 Marks)
- Continuous Evaluation (50 marks) must be completed by taking following components:
  - A. Mid Term Test (15 Marks)
  - B. Flip Class / Presentation (10 Marks)
  - C. Case Study (10 Marks)

- Semester performance of a student will be indicated as "Semester Grade Point Average (SGPA)". The SGPA is the weighted average of Grade Points of all letter grades received by a student for all the courses (both theory and practical) in the semester.
- A student is required to secure a minimum of 30% marks in each paper independently in the End Semester Examination to qualify for the pass grade.
- Minimum aggregate marks are 35% in UG and 40% in PG Courses to be considered as 'PASS'.
- Students of both UG and PG programmes should also pass in each semester separately by securing a minimum Semester Grade Point

Average (SGPA) of 5 on a 10-point scale

- For successful completion of a programme, the student should secure a minimum Cumulative Grade Point Average (CGPA) of 5.0 at the end of final year of an Under Graduate programme (UG) and CGPA of 6.0 at the end of final year of Post Graduate Programme (PG).
- A student who has secured passing marks in each theory & practical subject (s), but not having mandatory SGPA in each semester which is 4.5 for UG and 5.0 for PG, shall be allowed two chances to reappear in the examination to improve his SGPA and CGPA, by repeating the Semester Examination(s) in the Course Unit(s) of his choice when these examinations are held in normal schedule or in super supplementary examination.

### **Re-Appearing**

- There is no provision for reappearing in a midterm test which is one of the components of continuous assessment.
- A student, who has failed to secure PASS MARKS in theory/practical course (s) and has been awarded 'F' grade, is required to reappear when these examinations are held on normal schedule like odd semester subjects during 'odd end courses examination' and even semester courses during 'even end course examination'.
- A student, who has failed to secure the required passing SGPA, in order to secure a passing SGPA, has the option to repeat the end term examinations also of the Course Units of the concerned semester in which he desires to improve his performance, when these examinations are held on normal schedule.
- If a student has poor performance in several courses in a particular semester, he may opt to take the academic break of one year, and re-register for both the semesters of that academic year in the next academic year.

### **Unfair Means Case**

- Students accused of UFM in any type of examination are asked to appear before Examination Disciplinary Committee (EDC) on a specified date and time.

- Accused students are also given a chance to present their case both verbally and in writing.

### **Promotion To The Next Year /Academic Probation/Academic Break**

- At the end of each academic year i.e., after completion of two (02) semesters, the academic performance of the student is reviewed.
- If the student has obtained SGPA of minimum 4.5 in two (02) semesters of the academic year, then he/she may be registered for the next semester/year of a programme.
- If any student has SGPA between 4 and 4.5 in not more than two preceding semesters, then he/she will be promoted to the next year with a precondition that he/she will have to clear all back papers and improve his/her SGPA to minimum 4.5 of two (02) previous semesters and this is called ACADEMIC PROBATION.
- If a student fails to secure SGPA of 4 in any of the semester of an academic year and CGPA of 4 in an academic year, he/she will be asked to repeat the year and make-up the deficiency by re-appearing in the relevant examinations and this is called ACADEMIC BREAK.
- A student who has been given ACADEMIC BREAK may prepare for reappearing in all back papers and improve his/her SGPA as well as CGPA in two ways. During ACADEMIC BREAK, he/she may prepare from home or repeat all courses of previous academic year after re- registration.

## ATTENDANCE
