INTERNSHIP CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

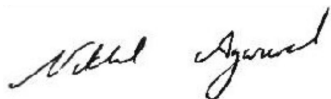

This is to certify that Miss Bhoomika Punjabi, a 4th year student of Amity College of Engineering (BTech BioInformatics), Amity University, Jaipur, Rajasthan has successfully completed an internship period of six (6) months from 22nd December 2020 and 30th June, 2021 under our supervision and guidance. During this period, Bhoomika has completed the following technical assignments on an internal web application project:

- Developed frontend of the web application using nextjs and tailwind css;
- Onboarded content on the web application;
- Debugged frontend of the web application;
- Developed backend serving the web application using prisma; postgresql along with firebase Authorization.

Bhoomika has shown good aptitude and grasp for technical issues and non-technical content. She is bright, perceptive, and meticulous and shows keen interest in attending to the work entrusted. She maintains a professional approach. She will be an asset to any institution or organization she joins.

I wish her best wishes in all her endeavors.

Regards,

Nikhil Agarwal
Director, Codepend Private Limited

**ICMR – National Institute for Implementation Research
on Non-communicable Diseases, Jodhpur**

CERTIFICATE

I certify that Mr Rishabh Gaur pursuing B. Tech. Bioinformatics from Amity University Rajasthan, Jaipur has done excellent work under my guidance on the project "Study of changes in MDR-MTB genes and protein expression, ligand binding through molecular docking tools". He has also tested gastric aspirate samples from remote areas of Rajasthan for TB using TruNat under my guidance. In COVID pandemic time, he had also supported lysis of swab samples in laboratory. He took part in Journal club meetings and presented the concepts of bioinformatics and clinical bioinformatics.
