CERTIFICATE

This is certify that Sushmita Marskole, M.Sc. IV semester, Amity Institute of Biotechnology, Amity University Rajasthan, has worked on the dissertation thesis "The molecular investigation of immune genes expression using Real Time PCR in COVID 19 recovered patients". She has successfully completed the dissertation thesis for partial fulfilment of the degree of Master of Science in Biotechnology, during 16th January, 2021 to 30th June, 2021.

I further certify that above work is an original piece of work done by her. The result presented in thesis not submitted or presented anywhere.

I wish her all the success in her future endeavors.

Signature of the supervisor

Dr. Deepak Bharti (PhD, PDF-IISER)
Director, Centre for Molecular Biology
Bhopal (MP)

CERTIFICATE BY THE GUIDE

This is to certify that the project entitled “**Structural Studies of Sortase A from *Enterococcus faecalis***” is an original research/project work carried by **Vratika** in partial fulfilment of the requirement for the degree of **Masters of Science in Biotechnology IV Semester**, during period of six months from 6th January 2021 to 30th June 2021, under my direct supervision.

Dr. Sanket Kaushik

Assistant Professor

Amity Institute of Biotechnology

Amity University Rajasthan

CERTIFICATE BY THE GUIDE

This is to certify that the project entitled “Exploring antibacterial activity of biosurfactant obtained from seeds of *Balanites aegyptiaca*” is an original research/project work carried by Pooja Sharma_in partial fulfilment of the requirement for the degree of Postgraduate in M.Sc. Biotechnology during period from January, 2021 to June, 2021.

Name & Signature of the Guide
