Subject: Fw: Course Module of Aptitude and Reasoning Ability Course

Dear Sir,

Greetings from AICE!

This is to request you to kindly refer our last telecom and virtual meeting held in December 2021 regarding the training of Aptitude and Reasoning Ability course for the students of AUR.

I hope that the requisite meetings and decisions must have taken by the academic advisory committee and approvals must also have sorted. This is to request you to kindly send the confirmation of the commencement of the course. Further to request to your kind self to take the needful action to give us the access of the following information from the departments to start the process of course implementation for AUR students.

Department-wise list of students in the following format:

Sr. no.	Enrollment Department	Students Name No.	Course	Semster	updated Mobile nos.	E-mail- id

2. Please nominate the Programme Leaders (PL) and Time Table incharges department-wise and course-wise in separate lists

Sr. no.	Name of PL / Time table incharge	Department	Batch/es	Semster	updated Mobile nos.	E-mail-id

3. Slots planned to allot to AICE for ARA in the time table. Time table may get freezed soon so any changes we need can be accomodated in the time table. The two slots of 1 hr. each is to be scheduled per batch in a week. AICE faculty shall be available for the classes as per the following slots:

- Tuesday and Wednesday - from 9am to 6:15 pm.
- Thursday - 9am to 1:30pm
- Friday - 9am to 5:30pm

Thanking You

With Kind Regards

✓ Dos

1. Update your LinkedIn Profile today
2. Add links to Github, Hackerrank, coding websites in your resume. If you do not have an account, create one.
3. Make your CV in a chronological manner (ideally reverse)
4. Tables are easy to understand
5. Non work internships are important too
6. Mention state level, national level achievements
7. Mention Hobbies/ Passions/ Side hustles but have an answer to substantiate them
8. Springboard links - use QR codes

✗ Don'ts

1. Don't use first person i.e. 'I'
2. Instead of listing people as reference, refer testimonials from LinkedIn
3. Subjective skillset - Beginner, Intermediate, Advanced, Expert
4. Formatting is essential
5. More is not better
6. Parent details are not required
7. Never use first person 'I'
8. Declaration not required

Learned about different types of body language like use eye contact, use natural gestures, engage your audience, and smile.

Assignment: Pick one famous male and female leader and observe their grooming style.

Training (DAY7):

The seventh day of the training was initiated with the activity of making a pictograph of the things which are famous in your city and speaking about it in detail in front of all the participants to enhance public speaking skills.

Learned about the group discussion that it is a technique and a comprehensive tool to judge the worthiness of the student and his appropriates for the job.

Learned about the “Dos” of group discussion like always be appropriate to the issue, make accurate points and support them by substantial reasoning and listen to the other participants carefully.

Learned about the “Don’ts” during group discussion like don’t be shy\nervous, interrupting another participant, speak in favour and don’t change opinions.

Assignment: All the participants were divided into two groups where the first team got the topic “Work from home” and the other the team got the topic “National Education policy 2020”, both of the teams took actively participation.

Training (DAY8):

The eight day of the training was initiated with the task of speaking about your favourite movie, book or your tv series.

Learned about personal interview questions they ask like about your personality, your work style, your work ethic, how you handle stress and what you expect from an employer.

Learned about the preparations one should make before the interview round like research about your company, practice many times, prepare and anticipate question and at last know about your resume contents.

Learned about the preparation on the day of the interview like maintain personal attire, proper hygiene and arrive on time at the correct location.

Learned about the preparations during the interview session like speak directly to the interviewer, make an eye contact, focus on employer’s need, don’t fake yourself and be confident.

Assignment: Four questions were asked to all the participants about their strengths - weaknesses, how they handle stress, what are their work ethics and at last what they expect from the employer?

Training (DAY9):

The last day training was initiated with the task of speaking about your favourite travel destination and the experience of first day at college.

Learned about the importance of resume

Learned about the essentials of a resume like personal details, educational qualification, professional experience, technical qualification, skills, achievements and references.

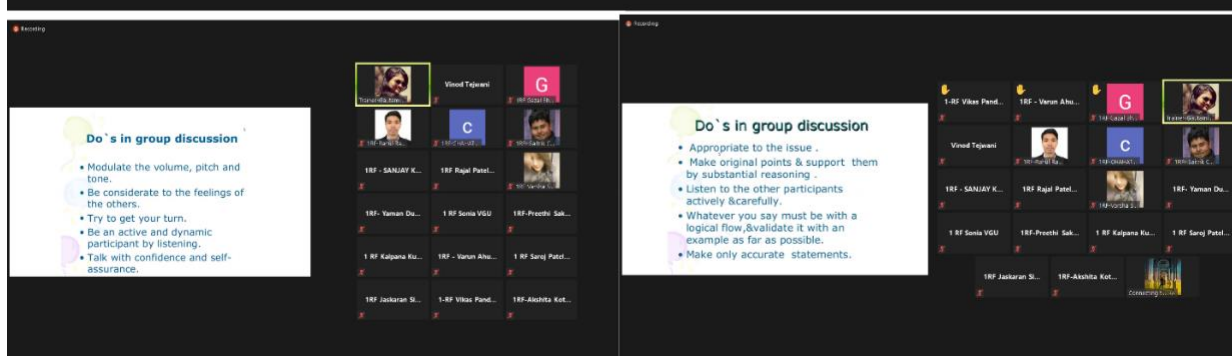

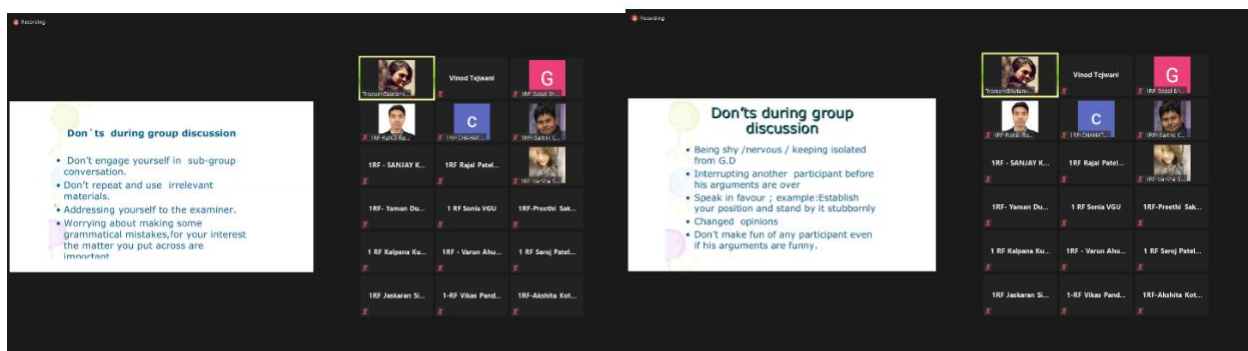

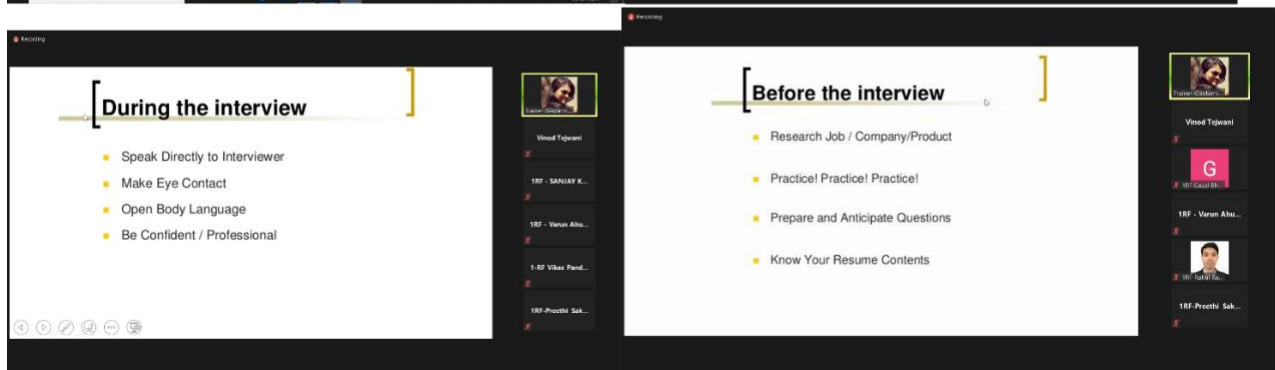

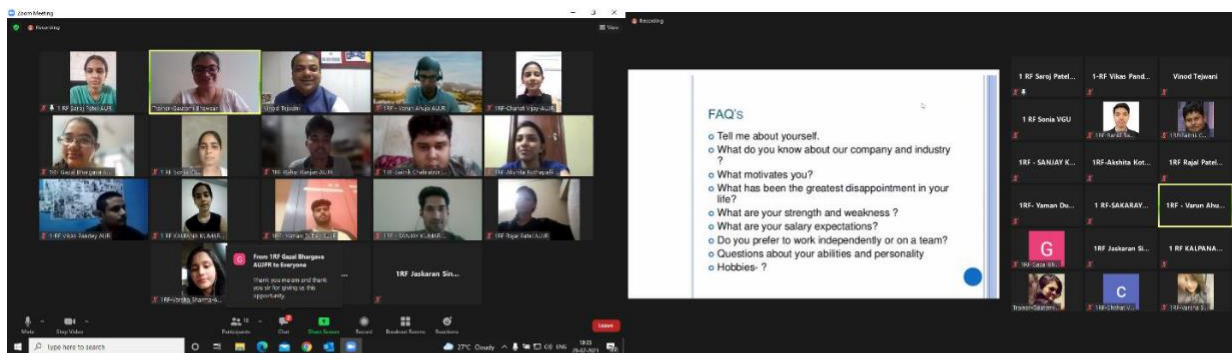

Learned about the “Don’ts” for an effective Resume writing like don’t state your expectations, don’t disclose the salary, don’t be wordy and use simple and plain language.

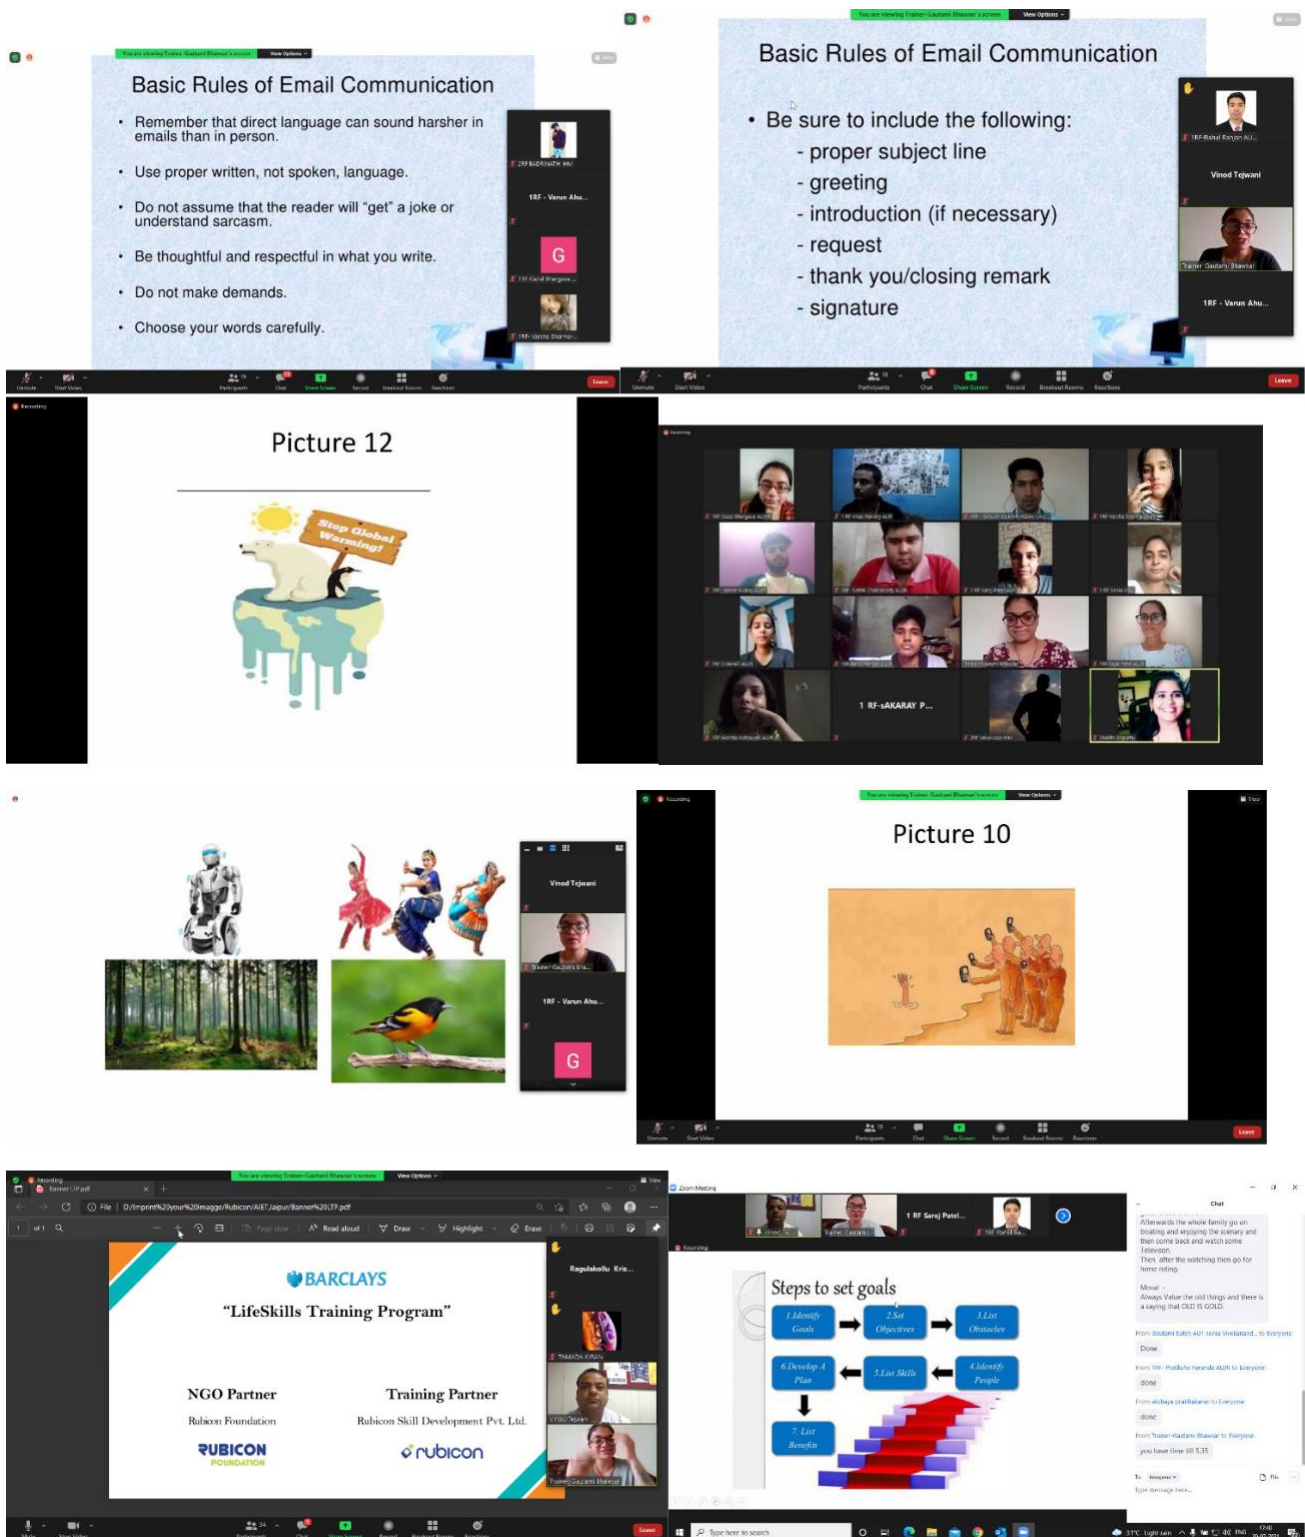

At last, Mr. Vinod Tejwani who conducted this meaningful and important training session for all the students of Amity University Jaipur, Rajasthan gave the token of appreciation to the trainer Mrs. Gautami Bhawsar for cooperating and giving all the participants her guidance for making a good impact in the corporate sector.

Students Feedback:

Name	Batch	Department	Feedback
Chahat vijay	Bsc (hons.) Biotechnology 2019-2022	AIB	It was a great pleasure of being a part of such training sessions. The training session was very interactive and briefed us about all the basic details which will help us to create good impression in The Corporate Sector. Every question was answered by the trainer. Overall, it was a good experience and we would like to thanks the CRC for organising such training session for us. We would like to attend more trainings like this in future.
Vikas pandey	Bsc (hons.) Biotechnology 2019-2022	AIB	It was a good experience, get to know a lot about corporate world, helped me build up my speaking skills a lot, and this 9-day workshop has been quite helpful and good

to AUR on 09th December 2020 (Wednesday) Importance: High

Dear Colleagues,

Greetings for the day !

Mr. Vineet Kumar (CEO) Cyber Peace Foundation (CPF) along with his colleague is visiting AUR on Wednesday 09th Dec 2020. They will reach AUR at 6:30 am and will be with us for the day.

They will also deliver E Session on Cyber Peace and Cyber Security with the students between 11:30 am- 12:30 pm in MS team. Dr. Swapnesh is arranging for the link . The banner for the same will be shared shortly.

We are also planning to have MOU between AUR and CPF with special focus on Community Driven Collaborative Open Source Framework for Research and Development' for academia and allied institutions. This will also help us in Live projects, Internships, Incubation , Placement, joint conferences on the subject etc. (MOU send to HO for approval) .

About Mr. Vineet:

Vineet Kumar is a Social Entrepreneur, Founder and President of CyberPeace Foundation. He studied Cyber Defence and Information Assurance at Cranfield University, United Kingdom. He is also an alumnus of Cambridge University, the UK where he studied Leadership. He served at the significant position of "Chief Technology Officer (CTO) & Head of the State Government agency, Cyber Defense Research Centre (CDRC) of Government of Jharkhand". He has received 8 International and 18 National Awards for his work on CyberPeace and CyberSecurity.

About Cyber Peace Foundation:

CyberPeace Foundation (CPF) is an award-winning civil society organization, think tank of cyber security and policy experts with the vision of pioneering Cyber Peace Initiatives to build collective resiliency against cybercrimes & global threats of cyber warfare. Key areas of Cyber Peace Foundation work are in Technology Governance, Policy Review and Advocacy, Capacity and Capability creation and building through partnerships with various government organizations, academic institutions and civil society entities.

We are delighted to share the concept note of CyberPeace COE which is our 'Community Driven Collaborative Open Source Framework for Research and Development' for academia and allied institutions.

The idea is to bring together loosely coupled cyber space research groups specifically cyber security on an institutional platform. It's an end-to-end framework for cyber security research which will have working groups, open source repository and a collaboration platform, first of its kind developed by the community for the community. The institution takes up the real –life use case as a research and development project and develops a solution

It is a plug and play model of research and innovation in academic campuses wherein the participants (Industry, Govt., CSO, Individual) join hands for innovation and research. Having said that the idea is to get the problem statements from the participants and develop solutions utilizing the academic resources. Incubating innovative Ideas and Starts-up. Creating an ecosystem where we translate research into market ready products.

Our Vision is to create a bed/cluster of research in academic and allied institutions consisting of participation from academia, industry, government and civil society organizations to nurture and support ideas and solutions and develop innovations in cyber space through research. The aim is to address and solve the challenges and problems in the cyber space, thereby making cyber space stable and safe for everyone.

Student Start up Exposure Program

Student Start up Exposure Program was implemented to create a strong entrepreneurship pipeline among the youth of the state.

90+ students were sent to an all expense paid residential learning program in Silicon Valley for two weeks.

The delegation was hosted by leading educational institutes, tech giants, startups hubs and corporates in Silicon Valley.

Not only in Silicon Valley, selected students also got a chance to undergo a similar residential program in India.

The delegation was trained in various aspects of building a tech product startup from renowned experts in the global startup ecosystem.

water it.

Sir as a recruiter do you respond to all the job applications?

And sir do you also believe that most employees don't leave a job just for money. Instead they leave, because of toxic work culture like unhealthy gossips and personal talks in middle of work.

From Ayushmaan Datta to Everyone:

how to deal with rejections..how to modify your application to the next job so as to increase the probability of getting hired?

From Varun Ahuja to Everyone:

Good question by Ayushmaan

From SHIWANI JOSHI to Everyone:

great session, thank you sir

Attachments: List of absentees - AUR.pdf; Mock test Attendance detail 06th Jan 2020.xlsx

Dear All Concerns,

Apropos to the trail mail regarding the Mock test done by Amity Institute For Competitive Examinations in association with CRC for all Final Year students of AUR , please find below the statistics:

Total Students enrolled (AUR 2021 passing out batch): 830

Total students appeared for Mock test: 139

Total students Absent: 696 (List attached)

We have also received the compiled result of all the 139 students, that will be shared with individual student separately and a compiled copy with the HOI of respective department for their record.

This is really disheartening that despite so many efforts by CRC and all the departments of AUR and pain taken by all the HOI's, Deans, Directors , Faculties and staff , the seriousness among the students towards their career is not seen.

We have again requested Amity Institute For Competitive Examinations to reschedule the test for all the students who are in ABSENT category. They have accepted our request , but have asked for assurance from us for maximum participation as there is lot of energy, resources, exercise they put in.

We will be sharing the schedule for the test soon (Tentatively the test will be conducted on Saturday 09th Jan 2021 at 4:00 PM) .

We request for your support in participation of the students for the Mock test.

Regards,

Vinod

Subject: Online Mock Test for 2021 passing out batch (AUR) on 06th Jan 2021 @ 4:00 PM

Dear Esteemed Colleagues

Greetings from Corporate Resource Center- AUR!

In order to make students aware about the pattern followed by industries visiting AUR for Campus Hiring and at the same time help our students to identify their weak areas, CRC- AUR in association with Amity Institute For Competitive Examinations is organizing an Online Practice Test for all Final Year students (passing out in 2021).

The test has to be taken up by each and every student of AUR seeking placement or even planning to go higher studies. The test would help them to have clear understanding of the patterns and format of Online Test typically followed by organizations. However, it is mandatory for those students who are looking forward to receive placement assistance from CRC- AUR.

The schedule for the same is as under:

Date of Online Test : 06th January 2021 (Wednesday)

Time : 4.00 pm sharp

I request you to kindly circulate this information to all the students at your respective Schools to get them prepared for the scheduled Placement Aptitude Test. The highlights of online test are placed below for your ready reference:

Irrespective of specialization and eligibility all students passing out in 2021 can appear in this test (test is compulsory for all students seeking placements from the University)

If any student fails to appear in this preparatory /mock test than they would not be given any placement assistance from CRC and shall be considered under NIP (Not Interested in Placements).

Pattern of Online Test:

MCQ based Test

No Negative Marking

Quantitative Aptitude, Logical Reasoning, Data Interpretation & English

Duration 75 minutes including registration on the day of online test

I request you to kindly give wide publicity of the same and notify students of your respect schools passing out in 2021 about the test. Please ensure that all students interested in Campus Placements must appear in the Aptitude Test and start preparing hard to obtain deserving placements.

Please let me know for any assistance if any.

Aside Team CRC: Please take it forward with your respective Faculty Placement Coordinators and SPR's

Thanks & Regards,

Special attention of AUC: Only one student participated in the test, hence the details are not given in the above table.
Request to encourage all the placement seeker students to take these exams seriously.

The results of above mentioned tests are very dismal and reflect very poor performance. We request you to focus your attention on detailed planning for preparing Students through Training and mentoring which may help them to improve their low performance.

I request you to please give due emphasis to this matter and direct the persons responsible to take necessary steps for better results.

With my best regards

Kamal

Dear All Concerns,

Greetings from CRC- AUR and ATPC!

This is with reference to the Campus Placements of 2022 Passing Out Batch Students.

The consistent efforts and coordination of Placement Teams across Amity across have remain successful in engaging good number of reputed companies for placements of 2021 Batch students. A large number of students are already placed, whereas for the students who are seeking placements or are unplaced, CRC- AUR and ATPC will continue to bring opportunities for them.

Further, as per our discussion with some of the close connects within Top Grade Companies, the recruitments may continue to be in virtual mode. Only few companies have expressed their interest to meet students in person for campus placements. In order to make students of Amity from 2022 passing out batch about the upcoming recruitment scenario, Amity Placement Aptitude Test (APAT) and expectations from them, Corporate resource Center – AUR in association with Amity Technical Placement Cell (ATPC) centralized online pre placement Session

Guest speaker from industry Dr. Puneet Mohan, Former Professor- Lal Bahadur Shastri National Institute of Administration, Mussorie (IAS Academy) and Centre Head, Leadership & Competency Assessment Cell, National Institute of Administrative Research, Gol, briefed the students about the importance attributes and traits play in defining anyone’s career, how different attributes are required for different job profiles. This session involved discussion on an instrument known as "Managerial Style Questionnaire"; This is a behavioral type instrument which helps to do the SWOT analysis of an individual. The session involved. Theoretical framework and instructions followed by Filling of instrument, its Analysis and Individuals' report. Post the session a detailed analysis report for each student highlighting his/her strengths & weakness was also shared.

Objective(s) of the Event (Point-wise)

To help students to enhance their knowledge, skills and attitude and prepare them for their final placements.

To find out the strengths and weakness of the individual students and accordingly guide them for opportunities.

To determine the role of Amity University Jaipur in Career building.

Envisaged Vs Achieved Outcomes

Sn	Envisaged Outcome	Is the outcome tangible or intangible?*	Achieved Outcome	Remarks, if any
----	-------------------	---	------------------	-----------------

	To help students understand their strengths and weaknesses	Intangible	Outcome achieved	
	To motivate students to do a SWOT analysis basis on which they should decide for various career options.	Intangible	Outcome achieved	
	To build industry collaborations with help of industry experts	Intangible	Will call many more experts in future	

Actionable Progressive Outcomes

Outcomes requiring prolonged monitoring are as under:

Sn	Envisaged Outcome (a)	Outcome activity yet to be achieved (b)	Is the outcome tangible or intangible?*	Action plan to achieve the Outcome activity described in column “(b)” (c)	Target Date (d)	Responsibility (e)	Remarks, if any (f)

– *Tangible outcomes should have a specific target date. Intangible outcomes need not have a specific target date.*

Scientific/ Technological/ Administrative strengths of the institution/s visited.

Establishing linkages or possibilities of collaboration with other Organization(s)/ Participants and their strengths.

Since at one time only 25 participants could be there in the session, hence there were 25 participants from Management & engineering background. In future we will plan many more such session conducted by Dr Mohan for all the students of AUR, so that maximum students can benefit from it.

Please find below the feedback from the participants:

1) The Future of the World is in my Classroom Today” - Ivan Velton

It was a great session.

The simplicity of renowned professor was authentic.

Learned a lot of concepts regarding behavior.

Lot of old concepts are brushed up with correct explanations.

I would hope these type sessions more to be conducted in our campus.

Lastly I would like to present my gratitude towards our CRC team for giving us such a great opportunity to grow.

It was a great experience for us to get such an acknowledging session which leads us to introspect us thoroughly. Sir has told us about how our behavior affects in the corporate world. Also, he guides us where we are suitable for which work we can justify our ability. This online seminar was fruitful for our personal evaluation about our personality.

To,

**Mr. Praveen Saiwal,
Assistant Director (CRC),
Amity University, Jaipur.**

Greetings from KVCH!!!

We hope you, your family and friends are safe and healthy. Our well-wishes are with all of you to fight against COVID-19 pandemic. Today we stand amid uncertainty, which most of us have not witnessed in our lifetimes. No one can predict how long this will last or how deep it will impact all of us.

I firmly believe that learning will always remain an integral part of our lives; hence Students will always keep on learning. We see online learning/tutoring as a unique opportunity for all of us, to strongly traverse through these challenging times. Hence we encourage all of you to start tutoring online as well.

Being a leading training provider in Delhi NCR from the last 29 years, KVCH brings virtual classrooms at your doorstep. We have been successfully running “Live Online Trainings” on the latest technologies.

Company Profile:

KVCH was established in 1991. KVCH is committed to impart industry oriented training programs to produce world class technically sound manpower so that they can meet the industry requirements.

We are Oracle WDP Partner for conducting the Project/Industrial Training Program on Live projects. Oracle Workforce Development Program (WDP) helps educational institutions around the world prepare a new generation of IT specialists to enter the workforce with the most in-demand Oracle Skills.

Lack of project exposure is one of the biggest challenges faced by IT companies while recruiting new hires. To bridge this gap, ORACLE WDP provides an opportunity in Experiential learning to work on projects based on real-world problems, rather than industry simulations. Make the right beginning with a project that requires practical knowledge to back-up the theories students have mastered

We have been authorized by Cambridge Assessment English a part of Cambridge University U.K as an authorized exam center to conduct exams and provide training for all the qualifications offered by Cambridge English. Our Centre Code is: IA114

KVCH is a proud partner with IDP IELTS Australia and authorized to prepare and register students for IELTS.

We wish to offer Live Online training to your students on the following domains,

Subject: RE: Result Online Mock Test for 2021 passing out batch on 06th Jan 2021 @ 4:00 PM

Dear All Concerns,

Apropos to the trail mail regarding the Mock test done by Amity Institute For Competitive Examinations in association with CRC for all Final Year students of AUR , please find below the statistics:

Total Students enrolled (AUR 2021 passing out batch): 830

Total students appeared for Mock test: 139

Total students Absent: 696 (List attached)

We have also received the compiled result of all the 139 students, that will be shared with individual student separately and a compiled copy with the HOI of respective department for their record.

This is really disheartening that despite so many efforts by CRC and all the departments of AUR and pain taken by all the HOI's, Deans, Directors , Faculties and staff , the seriousness among the students towards their career is not seen.

We have again requested Amity Institute For Competitive Examinations to reschedule the test for all the students who are in ABSENT category. They have accepted our request , but have asked for assurance from us for maximum participation as there is lot of energy, resources, exercise they put in.

We will be sharing the schedule for the test soon (Tentatively the test will be conducted on Saturday 09th Jan 2021 at 4:00 PM) .

We request for your support in participation of the students for the Mock test.

Subject: Online Mock Test for 2021 passing out batch (AUR) on 06th Jan 2021 @ 4:00 PM

Dear Esteemed Colleagues

Greetings from Corporate Resource Center- AUR!

In order to make students aware about the pattern followed by industries visiting AUR for Campus Hiring and at the same time help our students to identify their weak areas, CRC- AUR in association with Amity Institute For Competitive Examinations is organizing an Online Practice Test for all Final Year students (passing out in 2021).

The test has to be taken up by each and every student of AUR seeking placement or even planning to go higher studies. The test would help them to have clear understanding of the patterns and format of Online Test typically followed by organizations. However, it is mandatory for those students who are looking forward to receive placement assistance from CRC- AUR.

The schedule for the same is as under:

Date of Online Test : 06th January 2021 (Wednesday)

Time : 4.00 pm sharp

I request you to kindly circulate this information to all the students at your respective Schools to get them prepared for the scheduled Placement Aptitude Test. The highlights of online test are placed below for your ready reference:

Irrespective of specialization and eligibility all students passing out in 2021 can appear in this test (test is compulsory for all students seeking placements from the University)

If any student fails to appear in this preparatory /mock test than they would not be given any placement assistance from CRC and shall be considered under NIP (Not Interested in Placements).

Pattern of Online Test:

MCQ based Test

No Negative Marking

Quantitative Aptitude, Logical Reasoning, Data Interpretation & English

Duration 75 minutes including registration on the day of online test

I request you to kindly give wide publicity of the same and notify students of your respect schools passing out in 2021 about the test. Please ensure that all students interested in Campus Placements must appear in the Aptitude Test and start preparing hard to obtain deserving placements.

Please let me know for any assistance if any.

Aside Team CRC: Please take it forward with your respective Faculty Placement Coordinators and SPR's

Subject: RE: Result Online Mock Test for 2021 passing out batch on 06th Jan 2021 @ 4:00 PM

Dear All Concerns,

Apropos to the trail mail regarding the Mock test done by Amity Institute For Competitive Examinations in association with CRC for all Final Year students of AUR , please find below the statistics:

Total Students enrolled (AUR 2021 passing out batch): 830

Total students appeared for Mock test: 139

Total students Absent: 696 (List attached)

We have also received the compiled result of all the 139 students, that will be shared with individual student separately and a compiled copy with the HOI of respective department for their record.

This is really disheartening that despite so many efforts by CRC and all the departments of AUR and pain taken by all the HOI's, Deans, Directors , Faculties and staff , the seriousness among the students towards their career is not seen.

We have again requested Amity Institute For Competitive Examinations to reschedule the test for all the students who are in ABSENT category. They have accepted our request , but have asked for assurance from us for maximum participation as there is lot of energy, resources, exercise they put in.

We will be sharing the schedule for the test soon (Tentatively the test will be conducted on Saturday 09th Jan 2021 at 4:00 PM) .

We request for your support in participation of the students for the Mock test.

Regards,

Vinod

Subject: Online Mock Test for 2021 passing out batch (AUR) on 06th Jan 2021 @ 4:00 PM

Dear Esteemed Colleagues

Greetings from Corporate Resource Center- AUR!

In order to make students aware about the pattern followed by industries visiting AUR for Campus Hiring and at the same time help our students to identify their weak areas, CRC- AUR in association with Amity Institute For Competitive Examinations is organizing an Online Practice Test for all Final Year students (passing out in 2021).

The test has to be taken up by each and every student of AUR seeking placement or even planning to go higher studies. The test would help them to have clear understanding of the patterns and format of Online Test typically followed by organizations. However, it is mandatory for those students who are looking forward to receive placement assistance from CRC- AUR.

The schedule for the same is as under:

Date of Online Test : 06th January 2021 (Wednesday)

Time : 4.00 pm sharp

I request you to kindly circulate this information to all the students at your respective Schools to get them prepared for the scheduled Placement Aptitude Test. The highlights of online test are placed below for your ready reference:

Irrespective of specialization and eligibility all students passing out in 2021 can appear in this test (test is compulsory for all students seeking placements from the University)

If any student fails to appear in this preparatory /mock test than they would not be given any placement assistance from CRC and shall be considered under NIP (Not Interested in Placements).

Pattern of Online Test:

MCQ based Test

No Negative Marking

Quantitative Aptitude, Logical Reasoning, Data Interpretation & English

Duration 75 minutes including registration on the day of online test

I request you to kindly give wide publicity of the same and notify students of your respect schools passing out in 2021 about the test. Please ensure that all students interested in Campus Placements must appear in the Aptitude Test and start preparing hard to obtain deserving placements.

Please let me know for any assistance if any.

Aside Team CRC: Please take it forward with your respective Faculty Placement Coordinators and SPR's

Subject: RE: Result Online Mock Test for 2021 passing out batch on 06th Jan 2021 @ 4:00 PM

Dear All Concerns,

Apropos to the trail mail regarding the Mock test done by Amity Institute For Competitive Examinations in association with CRC for all Final Year students of AUR , please find below the statistics:

Total Students enrolled (AUR 2021 passing out batch): 830

Total students appeared for Mock test: 139

Total students Absent: 696 (List attached)

We have also received the compiled result of all the 139 students, that will be shared with individual student separately and a compiled copy with the HOI of respective department for their record.

This is really disheartening that despite so many efforts by CRC and all the departments of AUR and pain taken by all the HOI's, Deans, Directors , Faculties and staff , the seriousness among the students towards their career is not seen.

We have again requested Amity Institute For Competitive Examinations to reschedule the test for all the students who are in ABSENT category. They have accepted our request , but have asked for assurance from us for maximum participation as there is lot of energy, resources, exercise they put in.

We will be sharing the schedule for the test soon (Tentatively the test will be conducted on Saturday 09th Jan 2021 at 4:00 PM) .

We request for your support in participation of the students for the Mock test.

Regards,

Vinod

Subject: Online Mock Test for 2021 passing out batch (AUR) on 06th Jan 2021 @ 4:00 PM

Dear Esteemed Colleagues

Greetings from Corporate Resource Center- AUR!

In order to make students aware about the pattern followed by industries visiting AUR for Campus Hiring and at the same time help our students to identify their weak areas, CRC- AUR in association with Amity Institute For Competitive Examinations is organizing an Online Practice Test for all Final Year students (passing out in 2021).

The test has to be taken up by each and every student of AUR seeking placement or even planning to go higher studies. The test would help them to have clear understanding of the patterns and format of Online Test typically followed by organizations. However, it is mandatory for those students who are looking forward to receive placement assistance from CRC- AUR.

The schedule for the same is as under:

Date of Online Test : 06th January 2021 (Wednesday)

Time : 4.00 pm sharp

I request you to kindly circulate this information to all the students at your respective Schools to get them prepared for the scheduled Placement Aptitude Test. The highlights of online test are placed below for your ready reference:

Irrespective of specialization and eligibility all students passing out in 2021 can appear in this test (test is compulsory for all students seeking placements from the University)

If any student fails to appear in this preparatory /mock test than they would not be given any placement assistance from CRC and shall be considered under NIP (Not Interested in Placements).

Pattern of Online Test:

MCQ based Test

No Negative Marking

Quantitative Aptitude, Logical Reasoning, Data Interpretation & English

Duration 75 minutes including registration on the day of online test

I request you to kindly give wide publicity of the same and notify students of your respect schools passing out in 2021 about the test. Please ensure that all students interested in Campus Placements must appear in the Aptitude Test and start preparing hard to obtain deserving placements.

Please let me know for any assistance if any.

Aside Team CRC: Please take it forward with your respective Faculty Placement Coordinators and SPR's

Thanks & Regards,

Hello Sir

Greetings from GeeksforGeeks!

Hoping that you are doing well and are safe in these uncertain times, I would like to bring to your notice a proposed collaborative initiative between your esteemed college and GeeksforGeeks.

Without wasting much of your valued time, allow me to share some information with you-

Over the years, with our continuous and integral presence in the Computer Science & IT industry, and with the help of the millions of interactions we have had with the students, GeeksforGeeks has narrowed down on some important points and would like to draw your attention to them-

90% weightage is given to the subject Data Structures & Algorithm in the screening rounds of the interview of most Product-Based companies like Amazon & Microsoft and startups like Zomato & Paytm

More than 80% of students are rejected in the screening round itself because of lacking skills in DSA

DSA also comes out as the most important subject in the Technical Coding rounds conducted after screening.

The open coding contests conducted by the leading MNC's, like CodeVita by TCS and HackWithInfy by Infosys, are heavily DSA oriented.

Seeing the big gap between the students and the industry standards when it comes to DSA, and following its aim to help the coding community, GeeksforGeeks proposes to conduct the following for the benefit of your students:

DSA Assessment Test: A free of cost contest designed just for the students of your college to measure their skills against industry requirements.

EXCLUSIVE ANALYTICAL REPORT BY GEEKSFORGEEKS:

Upon successful completion of the contest, we will share a detailed analytical report with you. This report will help you assess the knowledge of your students at intra and inter-college level. This means that we would also hold competitions at the inter-college level and which will help your students to understand where they stand in the real world! With the help of this report, your students can devise an improvement plan for themselves according to their performance.

This report will also help you to invite companies for placement drives by letting them know about your good performing students.

With the help of these tools, your students will be able to understand the current nature of the industry, their own DSA skills and the efforts required on their end.

We are keenly looking forward to working with you, your students and your campus, in the spirit of coding and student upliftment, and would love to hear back from you soon!

Score Between 120 - 150	02 Students

Take a look at what the scores of your Students mean-

On the basis of the marks scored by the students, we have classified them into 3 categories. These categories will be indicative of the kind of efforts required to be put in by the students in order to be placement ready.

Students in the score range 120-150: The students who fall in this category are quite well prepared for the industry. Their technical, coding and problem-solving skills are up to the mark and you can expect them to shine during placements. We congratulate your campus for producing such gems. For the students nearing the lower end of the range, a bit of touch-up is required.

Students in the score range 80-120: Not at all prepared for Product based companies but these students are having even chances of qualifying into companies like TCS, Infosys. Their knowledge of the subject is superficial which requires strengthening of the fundamentals along with learning new concepts. We recommend you to work with these students to provide them with in-depth knowledge of DSA which helps them get ready for the real world.

Students in the score range 0-80: These students need serious coding assistance. At their present level, they hardly match the coding standards required for Service-based companies, let alone the Product based ones. To assist these students to develop better skills, we would recommend you to provide them with extra classes and online courses.

EVEN REPORT

of

UNDER 25 SUMIT

Under 25 Sumit under the aegis of CRC – Corporate Resource Centre in association with Under 25 Club was organized by Amity University Rajasthan on **18th October 2019**.

The “Under 25 Club”, now “Under 25” is a network to connect new ideas and educate the youth of the country. Under 25 is a platform to inspire millions of students for the discovery of new opportunities. Their main flagship property is the ‘Under 25 Summit’, which is India’s Largest Youth Festival! The Under 25 Summit was put together to create a festival that the youth could call their own. We tried to curate various experiences at the Summit that could cover different passions and interests that the youth have today. Whether you are a musician, a designer, a food enthusiast, a traveler, a tech wizard or even a storyteller, there was something for every one of these youngsters and more.

The Submit began with the welcome address delivered by Honorable Vice Chancellor- Prof. Dr. Arun Patil, followed by a welcome note by Pro Vice Chancellor- Prof. Dr. Amit Jain. Mr Sheyans Jain Co-founder under 25 Club expressed his gratitude and thanked the Amity University Rajasthan for their hospitality and all the arrangements made for the event.

Artist from different genres were invited to come and interact with the students and be a part of this youthful event. The event included many activities, interactive sessions, talent showcase and a wide spectrum of entertainment with knowledge & experience sharing.

The students also showcased their talents in the form of Rap singing, poetry recitation, beat boxing, live instrumental singing. The students of Amity University Rajasthan also performed a dance sequence for the guests.

The event concluded on a musical note with Naezy giving live performance which was thoroughly enjoyed by the audience.

Director Corporate Resource Center- Mr Vinod Tejawani, proposed a vote of thanks.

It was evening to remember.

REPORT ON HR CONCLAVE 2019 AMITY UNIVERSITY RAJASTHAN

Amity University Rajasthan, Jaipur under the aegis of Corporate Resource Center organized a two-day HR Conclave 2019 on 15-16 November 2019 *aptly themed* **“Digital Transformation of Work and Workplace- Opportunities, Challenges and the Way Forward...”**

The inaugural of the conclave began with welcome address by Vice Chancellor/ President, Prof. (Dr.) Arun Patil where he expressed his gratitude to all the Industry Leaders and Speakers of Eminence for the conclave. He also shared the Vision, Mission and Values along with the milestones achieved by Amity University Rajasthan. Prof. Patil shared that a good number of organizations are using human machine integration for hiring workforce and it is possible that in future entire recruitment process might be carried out by computers using Machine Learning and AI.

The conclave introduction was given by Pro Vice Chancellor/ Pro President Dr. Amit Jain. He shared the brief about the conclave and its importance in today's time. Dr. Jain emphasized that in this era of disruptive innovation businesses are getting transformed due to digitalization and Workforce of future generation will have to develop relevant skills to survive and succeed.

The chief Guest of the Conclave Capt. B.B. Sinha, Advisor, Great Eastern Shipping Corporation and Ex CMD The Shipping Corporation of India shared his opinion about Creative destruction and digitalization as a tool for adding value to human life. He said, “Digitalization should help in adding value to the life and exploring beyond boundaries”.

In the keynote Address Mr. Anoop Bartaria, Chairman & MD, Sincere Group of Companies and World Trade Park said, “In the growing world of digitalization, it is important to know that there is no replacement of Human Excellence”.

The **Speakers of Eminence** for the conclave were Industry Leaders, and Heads of top corporates from different sectors such as Great Eastern Shipping Company, ITC Group, Karvy group, Expedia Inc, Aditya Birla Group, Poly Cab Ltd, ABP Ltd., Hiranandani Group, RBS, Carrier Midea, Samsung, American Express, Medi Teck etc.

The Conclave included 4 learning sessions based on subthemes:

The topic for session-1 was **“Paradigm Shift: Evolution of Traditional Organizations into Technological Organizations”** with speakers Mr. Anil Kaushik, Chief Editor Business Manager HR Magazine, Mr. Subhamoy Chakraborti, Head IT from ABP Pvt.Ltd, Mr. Vikas Gupta, CIO & Head IT from Hiranandani Group, Mr. Vishal Sinha, President & CIO from Tranzlease Holdings.
