Dear Bharat Ramrakhiani:

Congratulations! We are excited to inform you that you have been selected by our team for the 2022 HPAIR Asia Conference, hosted in New Delhi, India. On behalf of the entire team at the Harvard College Project for Asian and International Relations (HPAIR), please accept our warmest congratulations!

Our team thoroughly reviews each written application and considers every interview with great care, only accepting those delegates who show the greatest promise and potential, and who we think will bring about the greatest contributions at our HPAIR Asia Conference 2022 (ACONF). Based on your previous experiences, your merit, and your passion, we hope that you, Bharat, will share your own unique ideas with fellow delegates from around the world at ACONF 2022.

The theme of this year's HPAIR Asia Conference is Finding Our Future, chosen to reflect the potential that we hold as individuals to create innovative, sustainable, and resource-efficient solutions. As we at HPAIR reflect on our 30 years of history, we too are looking ahead to what the future holds as we bring together yet another generation of future leaders. This conference we are proud to hear from pioneers and trailblazers in their field, including Dr. Krishna Ella (Chairman of Bharat Biotech), Michael Horvath (Founder and CEO of Strava), Debby Soo (CEO of OpenTable), and many others. In the past, our conferences have featured Government Leaders (Former President of South Korea, Former President of Singapore, Former Prime Minister of Australia), Global Business CEOs (Global Managing Partner at McKinsey & Co., CEO and Founder of Infosys), International Celebrities (Lan Yang, Priyanka Chopra, Steve Aoki), Nobel Prize Winners (Muhammad Yunus, Tawakkol Karman), among many others! This upcoming conference will take place from August 20 - 24, and will allow you to engage with even more renowned speakers, network with fellow delegates, and create lifelong memories and connections.

As the Co-Presidents of HPAIR, we wanted to personally congratulate you on your acceptance through our highly-selective process, and welcome you to HPAIR. We can't wait to meet you in August in New Delhi!

Warmly,

Mr. Yoel Hawa & Mr. Joaquín Cortacáns Sosa

We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheets. This is only an offer letter and you will be eligible for the certificate only after satisfactory completion of the fellowship. You will be working with Dr Joveeta Joseph, LV Prasad Eye Institute, Hyderabad (e-mail: joveeta@lvpei.org).

We have tried as far as practicable to assign you to a guide who works in your area of interest. **Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.**

This Fellowship is subject to the following norms:

- The duration of the Fellowship is eight weeks (56 days – including Sundays and General Holidays). However, due to COVID-19 Pandemic, this year it has been decided to allow summer fellows to work for at least 6 weeks if they cannot undertake 8-week fellowship. Fellowship amount will be regulated accordingly.
- You will be provided a second class [sleeper class] train fare from Bhopal or Jaipur to LVPEI, Hyderabad and back.
- If you are NOT an INSPIRE/KVPY Fellowship holder, you will be paid a Fellowship of Rs. 12,500/- per month towards your boarding, lodging, local transport expenses*. For those working virtually, a fellowship amount of Rs. 1,250/- per month to cover internet expenses will be paid. Your guide will decide on the mode of fellowship (real/virtual) depending on the circumstances. Those who are in receipt of INSPIRE/KVPY Fellowship will be covered by a separate arrangement, the details of which will be sent later.
- As regards accommodation, please contact Dr Joseph as the Academy is not able to help you in this regard.

Please also go through carefully & comply with **all the Instructions** given in the attached sheet.

You are advised to get in touch with Dr Joseph immediately to work out the exact period of your visit. In the meantime please communicate with Mr C S Ravi Kumar, Coordinator, Science Education Programme, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.
