Some Feedback of winners**Sneha Jaiswal, Christ (Deemed to be University) First Prize Winner**

“Not everyone gets an opportunity, but when one gets, we must make best use out of it. The Judgement Writing competition was intended to provide a platform to the law students across the country for their participation and showcasing their research and writing skills and abilities.

Firstly, my greatest appreciation goes to Prof (Dr.) Saroj Bohra Ma'am, Director, Amity Law School. “Writing is all about three things, research, expression and thought process, and editing. The more you write, the better you get” has motivated me in excelling this competition.

Secondly, I would like to thank the Event Coordinators of Amity Law School for organizing the National Judgement Writing Competition and providing us such a platform to present our ideas.

The whole process of writing and researching was really enriching. I really think that such contests help your personal growth and give you confidence. Every time I think about how our Indian Legal System is, a thought would arise in my mind that if certain changes are imposed it would be the best. I felt I had got a better chance to convey my ideas and I must use it to the fullest. This Judgement Writing competition helped me to think deep over the topic and learn new information on the subject while researching the same”.

In a few days Amity University sent me an email announcing the results. I was excited to see my name on that list. It was an accomplishment that I made by myself. And since writing have always been important to me this competition will serve as an encouragement for any future events that I would wish to participate in. I thank Amity University to organize this event and open its doors to people all over India.”

**Swastik Shekhar Panigrahi & Dipanwita Chaterjee, KIIT School of Law
(Second Prize Winner)**

“Firstly, I would like to thank you for this incredible award, National Judgement writing competition really had been a magical competition for me; it was a dream come true to compete with such a top talent of India and winning this competition. I would like to thank to respected Director professor Dr. Saroj Bohra and thank Event Co-ordinator for arranging this best-in-class Judgement writing competition and for making this Even a great success with seamless execution.

Thanks again for such an opportunity and recognition.”

Kind Attention: Principal/Teachers/Students

Object: Invitation to Design and Cultural Event, “Arch-O-Lunio 2022” in Amity School of Architecture and Planning, Amity University Rajasthan

Dear Sir,

Greetings!

We would like to extend our warmest invitation to you and your school on the occasion of our annual design and cultural event, “Arch-O-Lunio”. The event themed: *Colesco-The World is a Global Village*, is expected to highlight various design and cultural activities to engineer deep-learning through experiential hands-on activities and interactive processes amongst invited speakers, moderators, and participants from various esteemed institutions.

The event is to be held on 06.05.2022 at the Amity School of Architecture and Planning (ASAP), Amity University Rajasthan (AUR). We are confident that students could gain much from a plethora of architectural and design workshops to be conducted by experts, guest lectures from eminent speakers, on the spot competitions on various creative and intuitive based activities, interactive sessions, national and international theme exhibitions, and exciting cultural events.

The artistic exhibitions could be a way to enhance the cognitive thinking development and capture the imaginations of students. While it could be a way to nurture creative imagination, it could prepare them to the basics of design skills, thinking and innovation through a series of visual, tactile, and self-experiential exhibits, workshops, lectures, and on the spot competitions.

The flyers for the event and coordinators from faculty and students are attached for your kind information and contact, as required. We shall be much obliged and grateful for your kind consideration, and acceptance.

Sincerely,

Dr. K Tungnung

WHAT SETS US APART

Trashcon Banyan Nation

- A normal waste collection service, use call and pickup method. They have to go 50 different houses for collecting 50 different waste package and have to segregate from beginning.
- We use subscriber method, where we tie up with societies. Hence making waste collection at one place, plus our *modified dustbin gives us advantage of less time going in segregation.*

THE NEED FOR SUSTAINABILITY

- Common clothing dyes contain carcinogens.
- "GREEN-WASHING" is actually misleading.
- The fashion industry uses copious amounts of water.
- The economy needs support for its local, secondhand or vintage fashion brands.
- Fewer animals are harmed.

Detailed Report

SAYONARA 2021: Farewell on Virtual Mode

Organised by

Amity University Rajasthan

Introduction

Sayonara (AUR Farewell Party) Although Sayonara does not need any introduction, the convention urges to introduce it. The online event was started in **2017** as an Annual event to bid farewell to the final year students and wish them luck for their future endeavours of success. The event has become a **mega hit with students** and eagerly awaited by all.

SAYONARA 2021 was held on **May 23, 2021**. Amidst the COVID-19 second wave, the event was organised on virtual mode; it was chiefly premeditated and executed by **DSW Board members and student Coordinators of Performance Arts Club, AUR**. This time the event was indeed a fun and frolic for organisers and performers. There were three sessions. Each session was taken care of by two anchors. Total six anchors were there to entertain the virtual audience. The technical issues were taken care of by Mr Shivam Singh and Ritik, Students CSE second semester Amity University Rajasthan.

Feedback

Inauguration: Sayonara 2021 was held on virtual mode using Zoom platform. The Hon'ble Pro. President, AUR, Prof. Amit Jain welcomed the students and extended wishes of good luck and bright future to the final year students. Prof Rakesh Bhatnagar Vice Chancellor AUR also wished the passing out students best of windfalls.

Sessions: The event was divided into three sessions; starting from 10:00am in the morning the event ended at 04:45 pm. Each session was of two hours. Students' active participation paved the event to its glory

Award Ceremony: The award ceremony started just after the inaugural address by the Pro President, AUR. Students who were active in all curricular and extracurricular activities of AUR were graced by giving titles to them. 40 plus students were given titles by their juniors.

Fun Sessions with Final Year Students: The anchors did fun sessions with the title holders by asking them questions related to their days spent at Amity. Students were delighted to share their experiences. They were excited on getting the titles and it appeared hard for them to hide their emotions.

Feedback from Final Year Students: Students were spell bound to see the efforts done by their juniors. Though the organisers did not aim to make them emotional, some students were in tears saying goodbye to Amity and their lovely friends and faculties. It was unexpected for the students to receive farewell amidst pandemic times.

Amity once again proved to be beyond expectations.

The event ended with a formal vote of thanks by DSW & CL Mr SS Bhal.

It was smoothly conducted with the help of IT team AUR and Noida.

Coordinators and Volunteers did their best to give it a figure of achievement.

Contribution of Social Media Team AUR cannot be overlooked in capturing the huge admiration of the event.

Independence Day Celebration at AUR

Introduction: The 73rd Independence Day was celebrated on 15 August 2019 with traditional fervour and gaiety. The enthusiasm and josh in all members of AUR family was evident from the members that joined the celebrations. More than 600 members of faculty, staff and families along with students participated in the event.

Patriotic Environment. The campus was abuzz since morning with 'Desh Bhakti Sangeet' and songs on loudspeakers. One could see groups of students singing along. The whole atmosphere was mesmerizing and charged with the spirit of 'MERA BHARAT MAHAAN' culture.

Flag Hoisting. Flag hoisting started at sharp 9.15 AM. Chief Guest for the event, Prof (Dr) Arun Patil, Hon'ble President setting personal example of punctuality, steamed in at 9.14 AM. The Chief Guest was greeted by students, ladies and children dressed in National dress and tricolour. The front lawns of AUR Main Office were full to the capacity. As the National Tricolour unfurled, the gentle breeze made it flutter with pride.

National Anthem. The flag hoisting was followed by chorus singing of National Anthem as all the participants stood in attention. The chorus was led by Performing Arts Club members including faculty, students & Children from the campus.

Address by the Chief Guest. Prof. (Dr.) Arun Patil, Hon'ble President AUR addressed the attentive audience of jam-packed front lawns of AUR. He exhorted the youth not to forget the sacrifices of those who took part in freedom struggle and nation building. He also encouraged all to take part in all Amity activities as they are integral to nation building. He highlighted the Education Standards set by Nalanda University in ancient India. He mentioned that we should draw inspiration from tireless efforts of our Founder President Dr. Ashok K Chauhan and Hon'ble Chancellor. They are contributing immensely towards development of higher education in India and bringing it to global standards.

6 Floral Tributes to National Martyrs. The Hon'ble Vice Chancellor followed by other dignitaries, ladies, staff and students paid rich tributes to those who laid their lives for the country. The supreme **sacrifice of the many unknown soldiers was remembered with moist eyes and pride.**

Decoration by Fine Arts Club. Students of Fine Arts Club took keen interest in decoration of the Main Lobby and auditorium **with Tricolor theme.**

8. Cultural Programme. The performing arts club of the AUR presented an excellent musical extravaganza with national patriotism theme. The first-year students also actively took part in the event. The packed auditorium witnessed fancy dress by tiny tots, dances on national integration and **skit on jalianwalla Bagh and tribute to brave soldiers. Self-written poetry narration** and making portrait of Shaheed Bhagat Singh on stage won everybody's heart. Programme closed on a high note with National Anthem.

9. Sweets Distribution. Sweets were distributed to all present. National festival was closed on a sweeter note with all **participants enjoying the laddoos.**

Sports Events: Sports and friendly games always bring in camaraderie friendship, competitive spirit with national integration.

Conclusion- **The Jasn-e- Azaadi** Celebration was a great patriotic idea enacted by Amity University Rajasthan. It was a unique experience with nationalistic feeling, which went on to touch everybody's heart. All national festivals will be celebrated with same josh and enthusiasm.

Republic Day celebration 2020

Amity Universe has a culture of gloriously celebrating the national festivals of the nation. On this celebration the morning was tinted with the color of patriotism which was visible in all the members of the institution/University.

IMAGES

The day started with the flag hoisting and encouraging speech by the Vice -president of AUR. Through his speech he reminded us of the sacrifices done to attain the constitutional achievement.

IMAGES

A short cultural programme was organised by the students. It was a day after the grand 11th convocation ceremony of AUR. The campus appeared to be a small India in itself because of the

presence of the students from diverse states who came to take their degree. This added to the beauty of the occasion.

IMAGES

As the tradition of Amity, sweet distribution was done at the end of the celebration.

Concurrent conduct of annual fest at other universities and colleges in Jaipur, at the same time..

Discipline and Security

22. **Overall, the conduct was smooth and spectacular.** Discipline committee was alert and **fool proof security arrangements** were made. **No untoward incident was reported.**

Recommendations

23. It is recommended that **ALF from 2019 onwards should be conducted in last week of Feb.** The reasons are as follows:-

Adequate funds with sponsors in the financial year.

Better and cooler weather .

Time separation from annual fests of other universities/colleges leading to **better outside participation.**

Conclusion

Students participated with great enthusiasm and zeal. Almost **over 2000 students participated** in various activities. **ALF 2018** was a **mega event**, with a difference with **many firsts to its credit.** The **new format was very much liked by all students.** Coming years will see the **growth of this Leadership Festival** in all dimensions and **larger participation.**

Conduct

Visit by Hon'ble President: **Hon'ble President** accompanied by **DSW & CL** visited Hostels and all Department Registration Venues from 1030h to

1300h on 01 and 03 August 2018. The registration process was in progress and being carried out with due sincerity and dedication. The Hon'ble President appreciated the efforts put in by hostel and all officials for efficient management of orientation programme.

Havan: The Orientation Programme started with Havan on 01,02 and 03 Aug to welcome all new students and invoke the blessings of almighty as they start their new academic session. Even the weather Gods smiled and showered their blessing in the form of pleasant weather, all through the process. Central Havan was carried out from 1130h to 1230h on 03 August 2018 once all new students had joined. It was participated by almost 150-200 students, staff and faculty members.

Welcome Address by Senior Dignitaries: On the first day, senior dignitaries like Hon'ble President, Dean Academics and Dean Student Welfare welcomed all students and provided an overview about life at Amity. The students keenly listened and imbibed the words of wisdom from such learned and experienced officials.

Conduct of Programme: The orientation programme was smoothly conducted with student volunteers and faculty coordinators doing their role well. Talent Hunt and ice breaking were the most popular programmes.

Detailed Orientation by Respective Departments: Detailed orientation, briefing and presentations were carried out by respective Departments. The Hols/HoDs Took keen interest in the process to ensure that new students are made comfortable and welcomed in stress free environment. The synergized efforts by all Depts. for this important event is praiseworthy.

New Initiatives: Some new initiatives were taken to take the process further. Towards creating better awareness amongst new students, briefing on Amity Incubation Center and NSS was included.

Tree Plantation by NSS: As a new initiative to highlight the serenity of our green campus, Plantation drive was organized by National Service Scheme Units of Amity University Rajasthan Jaipur on 3rd of August 2018. On this occasion 150 plants of Amaltash were planted on road sides in the campus. On this occasion, Hon'ble President AUR appreciated the efforts of volunteers

and support of horticulture and administrative staff. Amity University Rajasthan in last three years, has planted more than 750 plants, out of them **60% could survive. Honorable President, Prof (Dr) Arun Patil planted a ceremonial sapling and appealed to the gathering specially students to plant trees and help in maintaining the campus clean and green.**

Feedback From Parents/Students

Some of the students seeking new admissions and also their parents met the undersigned. **Everybody appreciated the smooth conduct and rich content of the Programme.** Interaction with parents/students **indicated following difficulties faced** by them :-

Bank Draft: Many of the parents from rural background had **brought cash to pay the fee.** After demonetization, the banks do not make draft by taking cash beyond Rs. 25000/-. It can only be made from an existing bank account. Hence the **problem to get draft made.** Recommended that **Axis Bank should be asked to open a “draft making counter” for the duration of orientation programme.**

Payment by Credit/Debit Card: presently, the **accounts section, AUR does not have facility for card swipe/payment by Credit/Debit Card.** This can be **easily provided by Axis Bank.** All vendors in the AUR campus are now accepting Credit Card/PayTm Payments. **The accounts section should also upgrade to card payments..**

Conclusion

The **Orientation Programme** is the **foundation stone for the new academic session.** The same was seriously taken, well planned, coordinated and **implemented with zeal, enthusiasm and sincerity** with synergized efforts of all.

ABOUT AMITY SCHOOL OF LANGUAGES

Amity School of Languages (ASL) at Amity University Rajasthan is an integral part of the Faculty of Humanities, Social Science and Liberal Arts. The Department is functioning since the inception of the university in 2007 and plays a strategic role in enhancing the language competency of all the UG and PG students of various institutions in languages such as French, German, Spanish and Chinese. It also runs English Literature courses at under-graduate & post-graduate levels. Recently, ASL has come up with new programmes: Ph.D in French and BA (Hons) French.

In today's era, multilingualism has become more than just 'important'. Knowing a foreign language other than the native language has evolved to be extremely beneficial to make 'real' connection with people. In recent days, there is a growing demand from Academia to make successful professionals in language, literature, culture and civilization pertaining to world literature and culture, be it in French, German, Spanish or Chinese. Needless to say that over the time, a growing demand for language professionals in the corporate fields has been felt as well. Moreover, the state of Rajasthan gives a special thrust on its booming tourism sector. Keeping all this in mind and with a bid to produce good professionals in corporate as well as in academics, ASL lays special stress on innovative curricula by orienting the students to open up to the world and explore the same through sincere research work.

Amity University Rajasthan has always laid a special emphasis on languages. The 60 computer Language Laboratory with sophisticated Language softwares bears evidence to this fact. BHASHAYOG 2017 makes a promise to carry this rich legacy further.
