7.1.1 ANNUAL GENDER SENSITIZATION ACTION PLAN

Amity University Rajasthan strongly believes in and practices gender equality in all its academic, administrative, and social functions. The university is committed to offering a bias-free supportive environment to its students and staff with an inclusive approach. Through various curricular and co-curricular-based activities; efforts are made not only to sensitize university staff and students but neighbouring communities also, on the key areas related to gender equality and to bring out a change in attitudes through debate, discussion, and dialogue.

Strategic approach towards implementing Gender Equality at Amity University Rajasthan

The Gender Cell of Amity University Rajasthan strives towards activities and programs to create a gender-aware and gender-just environment within the campus. At the same time, it contributes to preparing and capacitating young people as 'Gender Champions' with appropriate perspectives, attitudes, and skills to work towards creating gender-just spaces where all genders are treated with dignity and justice.

Following are the key areas addressed by the Gender Cell, Amity University Rajasthan:

1. Conducting activities to sensitize the university members towards issues related to gender.
2. Providing support and creating a conducive environment for sharing anxieties, problems, and difficulties faced by university members on account of gender and sexuality through personalized counselling and quick complaint redressal.
3. Redressal of the complaints related to sexual harassment, violence, discrimination, and ragging against the member so the university, and submission of the appropriate recommendations to the higher authorities.
4. Implementation of guidelines issued by UGC relating to addressing the issues of sexual harassment, violence, discrimination, and ragging against the members of the university.
5. Reviewing and recommending the policies to ensure the safety, freedom and security of women within the university campus; along with the opportunity to lead, participate and benefit from equal opportunity and access to the resources with the university.
6. Ensuring a decent, supportive, healthy, and dignified work environment for women staff of the university.
7. Sensitizing Gender champions and enabling them to create awareness through workshops and other activities towards creating a gender-bias-free community.

D.O No.F.91-9/2015 (GS/MHRD) 5th July, 2018

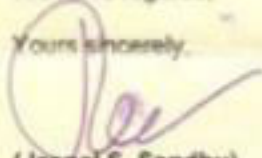

Dear Sir/Madam,

14 JUL 2018

University Grants Commission has notified *University Grants Commission (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015* in the Gazette of India which are available on UGC website i.e. www.ugc.ac.in. These Regulations clearly describes responsibilities of the higher educational institutions, grievance redressal mechanism, process for making complaint and conducting inquiry, Interim redressal, punishment and compensation, consequences of non-compliance etc. UGC Regulations being statutory in nature are binding for Universities and Colleges.

The Ministry of Women and Child Development, Government of India has also published a "Handbook on Sexual Harassment of Women at Workplace". The Handbook clearly describes the issues like what is workplace sexual harassment, its prevention, prohibition and redressal along with the global norms and good practices followed in this regard. A copy of the Handbook is also available on UGC website.

You are requested to kindly ensure implementation of UGC Regulations in your esteemed University and affiliated colleges. Also ensure wide circulation of the Handbook amongst faculty, students and staff of your University and affiliated colleges and also upload the same on the university website for their use.

With kind regards,
Yours sincerely,

(Jaspal S. Sandhu)

Details of Expert/Speaker/Resource Person/Judge:

Country Name: India
Expert Name: Dr. Sameer Saxena
Organization: AIIT
Designation: Assistant Professor
Specialization: Data Science, Database Management System

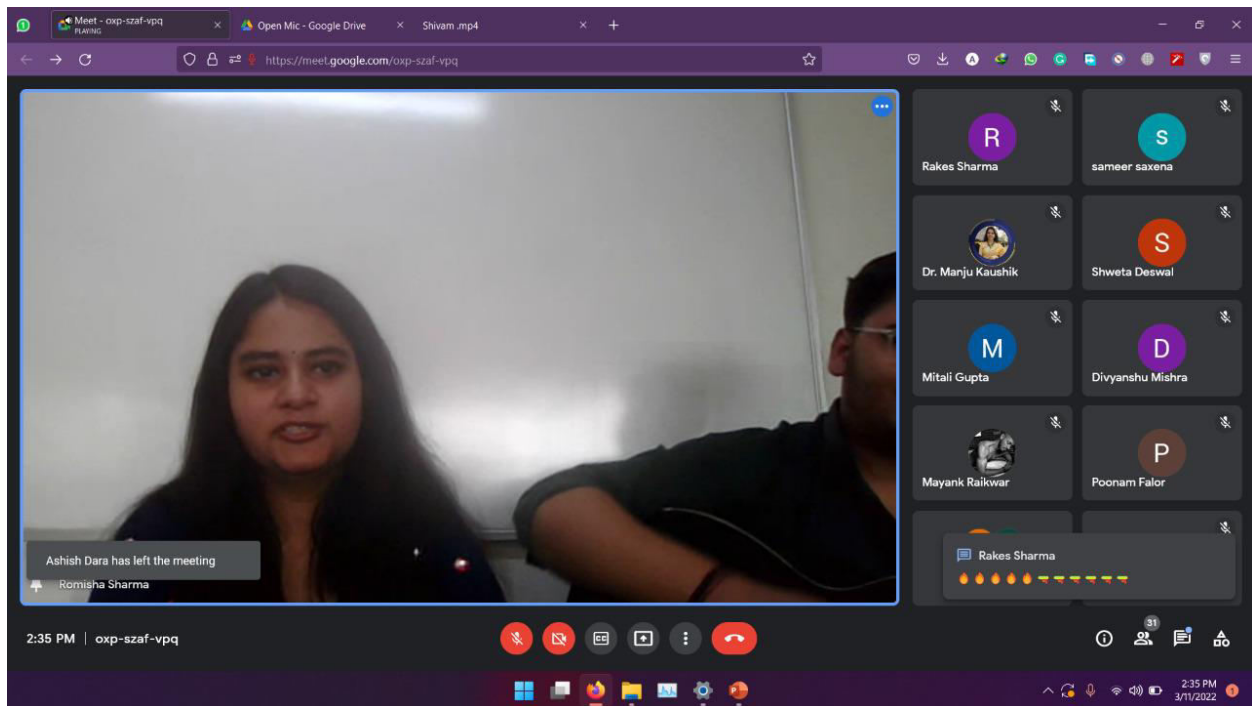

Point wise Outcome Report:

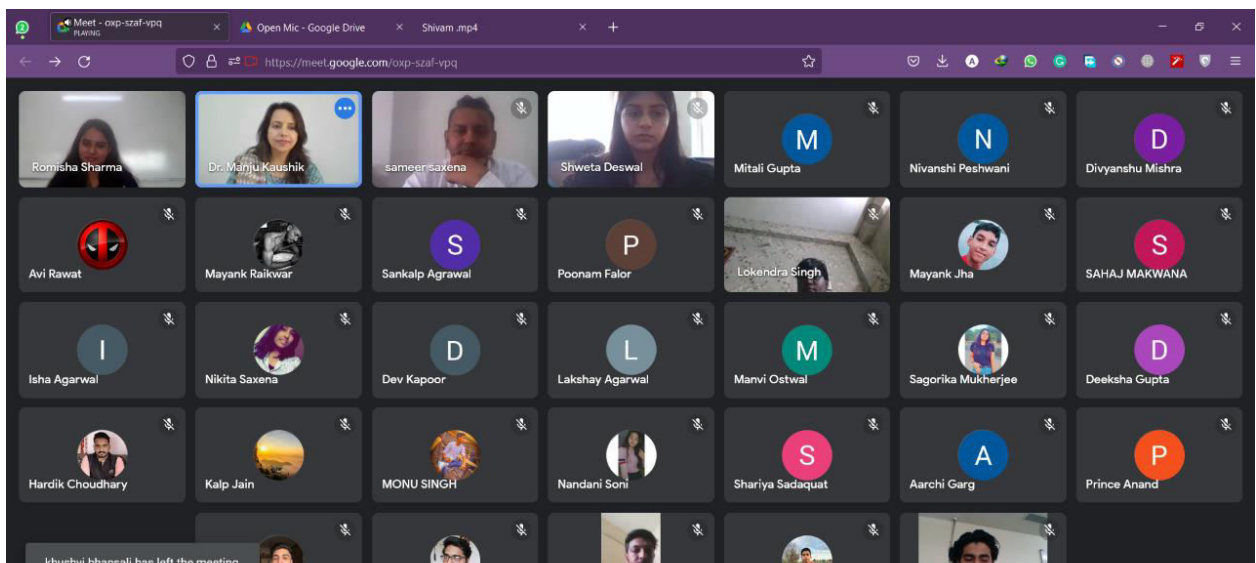

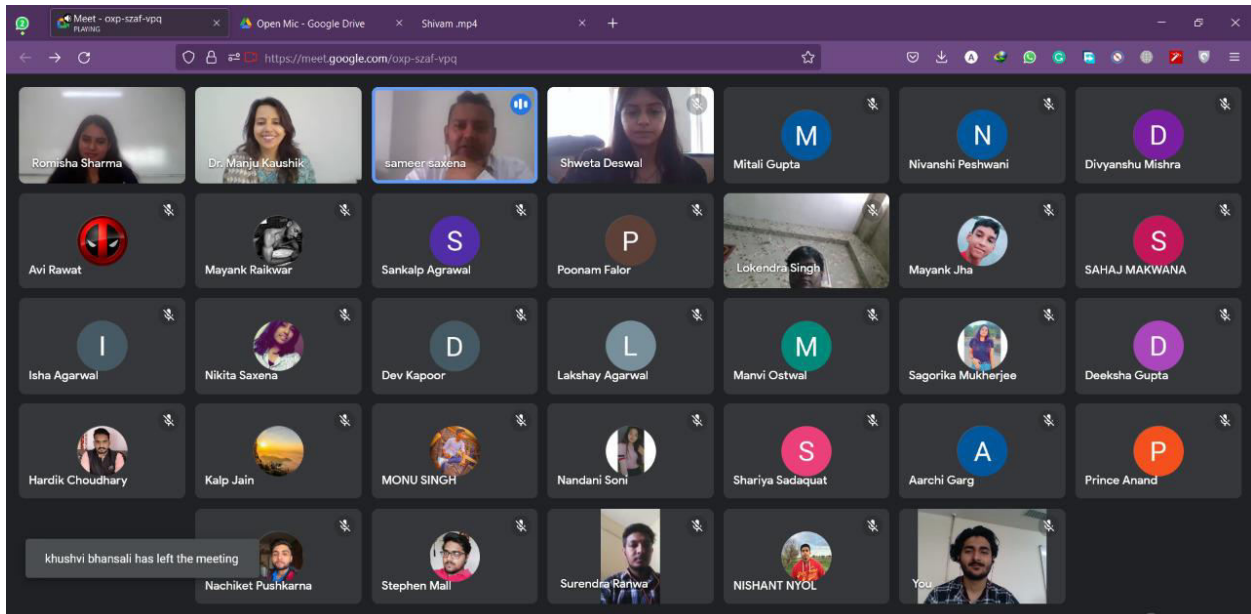

- 1) The purpose of organizing the webinar was to inculcate the value of respecting the women and to show the status of women in our society. Because many of the times, women are mistreated, inside the house or outside the house. There's an urgent need to empower women in the society.
- 2) The Criteria for inviting the Various Individual Guests was to involve them in the empowering women reform and wanted them to share their point of view on Gender equality, women empowerment and other issues faced by women.
- 3) AIIT, Coordinator, Dr. Swapnesh Taterh and Dr. Manju Kaushik, Associate Professor, AIIT, organizer of the event were the main appearances of the event. We were enlightened to have the

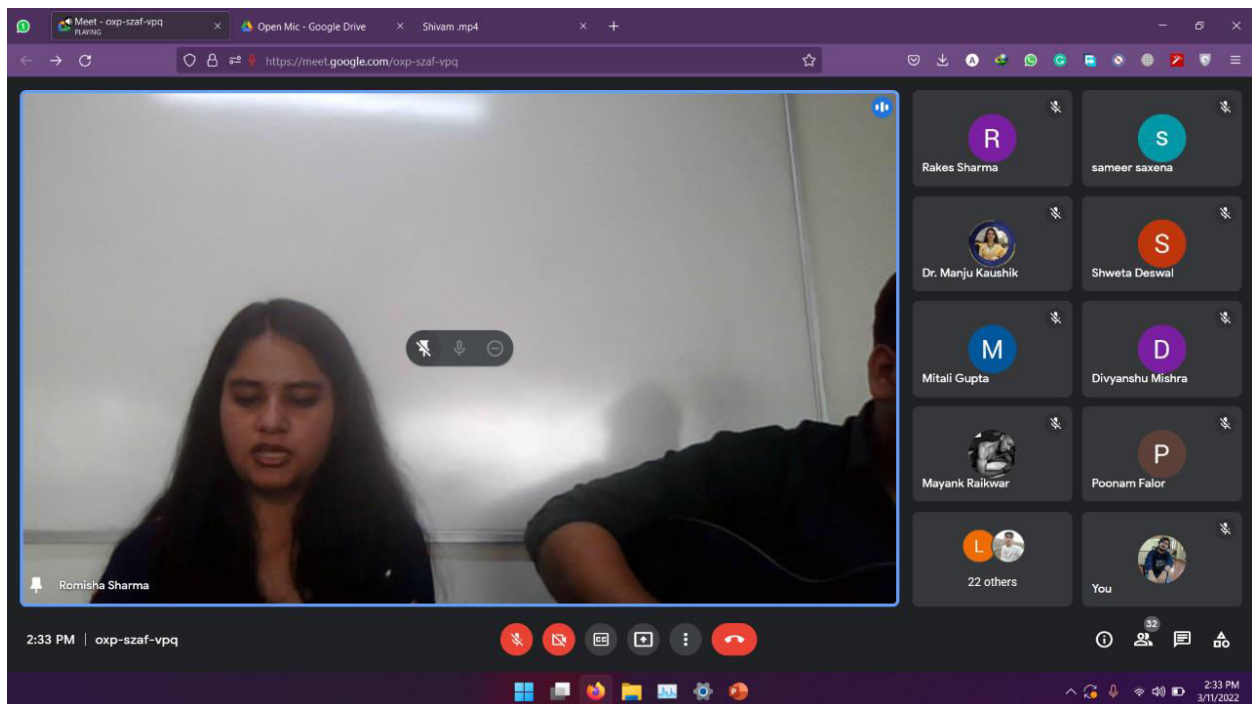

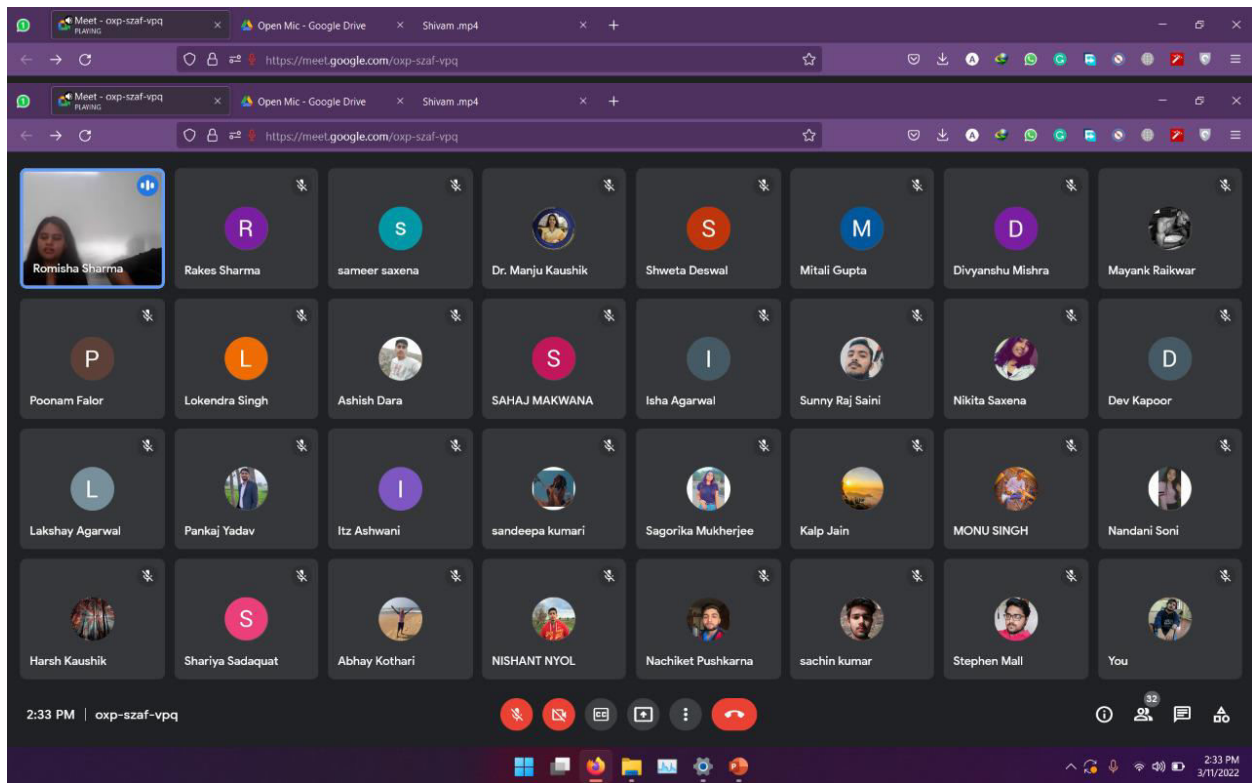

Judge of the event, Dr. Sameer Saxena, Assistant Professor of AIIT. The total numbers of attendees of the event were around 56 to 60, including the faculties and the students of AIIT. We had poster making competition and an open mic for the participants of the event.

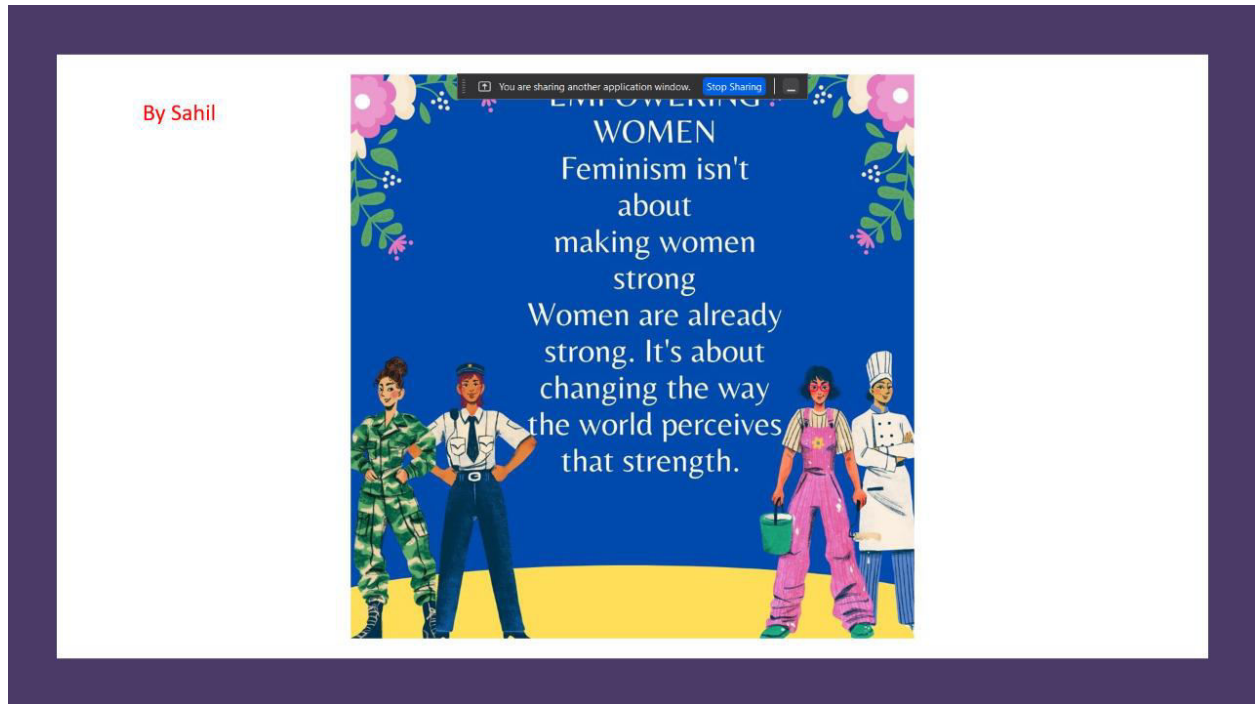

- 4) Women are considered as the property of men, men are superior to them, and they bestow them as well as oppress them, also subdue their rights. Domestic violence against women had been at the peak, bit by bit the bonds of superiority of men over women are broken by empowering women. Apart from it, at workplaces, women are paid less than men, this unfair and unjust practice will be perished if women are empowered, and they are given quality education.
- 5) Hopefully from now onwards, men will respect women and not consider them inferior. Women should be given importance not only in their house but outside the house also. We should not forget that women are our strengths, and they are the real architects of the society. They should be given equal important as of men.

The event was held on 7th March 2022 from 11:00 AM to 1:00 PM. It was organized by GENDER CELL and presented by AMITY BUSINESS SCHOOL. The event was organized on the occasion of International Women's Day to celebrate the strong

and powerful women and men who have been a mother, daughter or an aunt to someone. The purpose of this event was to celebrate not just women but men who have played an influential role in your life either by motivating you or by encouraging you to do better by practising gender equality.

The event coordinator Prof. Preeti Yadav welcomed all the faculties and students and offered thoughtful insights related to gender equality and what the word “Ehsaas” truly means for her. She shared meaningful experiences of her own to encourage students to be active and participate in the event by sharing their own views and experiences.

The event started with high energy and enthusiasm with a strong message – “Where women are honoured, divinity blossoms there. And where they are dishonoured, all actions remain unfruitful”, followed by a beautiful dance performance by Miss. Poorva as dance is the most beautiful way to express human feelings. The event was carried forward by the hosts, Ms. Ashi Jain and Ms. Akansha Pareek. They spoke about the importance of women and how gender equality is not an option but a necessity in today’s competitive world as everyone deserves to be seen and heard by all. They took this opportunity to mention that International Women's Day is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating gender parity. This women’s day, we rooted for **gender equality today for a sustainable tomorrow**. As advancing gender equality in the context of the climate crisis and disaster risk reduction is one of the greatest global challenges of the 21st century.

In order to address gender inequality and discrimination in more depth, Ms. Priyanka Ratnu, student of B.com (H) and student coordinator of the event spoke on issues people are still not aware of. She emphasised gender equality for a sustainable tomorrow and that women should have equal rights and opportunities. After an extremely motivating and thought-provoking speech, the students thanked the person who played an instrumental role in their life **to recognize and celebrate their heroes and she-roes!**

The event was quite interesting as the students celebrated not only women but also men who have been a mother, a daughter, or an aunt to someone. Mr Harsh Yadav, the student of B.com (H), shared a beautiful poem penned by him on her mother, Shriya Chajeer, student of MBA, Amisha Jain, student of BBA and many others

shared an inspiring story where they talked about the motivation and the constant support they got from their parents,

The hosts thanked all the participants who shared their experiences. The messages were heart touching as sometimes the simplest things means the most. The students of ABS not only thanked their mother, father but also their teachers and mentors who always helped them and encouraged them to do better.

Ms. Utkarsha, student of BBA captured everyone's attention with her soothing voice and amazing musical performance.

Before moving ahead, the hosts conducted a game called CHARADES where the students were given few words related to women empowerment and gender equality to address these issues and for entertainment as well. The students participated with great enthusiasm. For words like female activists and feminism, students responded by mentioning renowned, strong and powerful females like Priyanka Chopra, Greta Thunberg, Laxmi Agarwal, Michelle Obama.

Ms. Amisha Jain continued the event by stating her interesting yet fun facts. For instance, she shared with the audience that there are 3 colours of International Women's Day. Purple, Green and White, Purple signifies justice and dignity. Green symbolizes hope and White represents purity. The audience was really delighted to know such interesting facts.

It was time to end the main session and invite the participants on the virtual stage to express their views, time for the Open Forum and virtual platform was opened for all as the event was conducted by students and for students. Students from B.com (H), BBA, and MBA participated in the discussion and shared their opinions. The hosts thanked all the participants for sharing their stories and talent and for making people realise that there is so much inspiration around.

As the event concluded, the slogan "Gender equality today for a sustainable tomorrow" was adopted. Whether deliberate or unconscious, the bias makes it difficult for women to move ahead. Knowing that bias exists isn't enough. Action is needed to level the playing field. The event was ended with the hope that there will be equal opportunities, as well as constraints, to empower women and girls to have a voice and be equal players in decision-making without any gender bias. The hosts thanked the audience for joining this event and making it a huge success.

AIB Events 2022
Women's day Report 2022
Theme of the Event- "Break the Bias"

"THERE IS NO FORCE MORE POWERFUL THAN A WOMAN DETERMINED TO RISE."

To celebrate womanhood and to raise awareness about feminism, with huge zeal and enthusiasm, Amity Institute of Biotechnology organized an open mic, extempore and poetry on the theme, "BREAK THE BIAS" This event was organized under the aegis of Gender Cell, Amity University Rajasthan on 7th of March 2022 Monday from 3:45 PM to 4:45 PM.

The event was hosted by **Akshata Mandloi, B. Tech (Biotechnology), 6th Semester** under the guidance of faculty coordinator, **Dr. Ravneet Chug**. It started with the welcome address of Professor **Dr. Vinay Sharma Sir**, Director Amity Institute of Biotechnology and Dean Research AUR by Dr Ravneet. He was appreciative of the event organized and in detail talked about the current situation of women in India. As he specified that there is a need for women to rise on the top of the hierarchy as not many women are on the CEO level posts. In Indian society, women are traditionally discriminated against and excluded from political and family related decisions. Despite the large amount of work women must do on a daily basis to support their families, their opinions are rarely acknowledged and their rights are limited.

The address was followed by the stage performances of **Inderpreet Singh(BTech Biotechnology 6th Sem)**, **Salil Gupta (BTech Biotechnology 4th Sem)** and **Gauri Baheti (B.A. Economics IV sem)** They talked about the Bias faced by women in workplace and Bias faced by women in everyday life.

Professor Dr. Manali Datta talked about The Gender statistics that describe changes in society from a gender equality perspective. The statistics show the condition of women and men, girls and boys in a large number of areas.

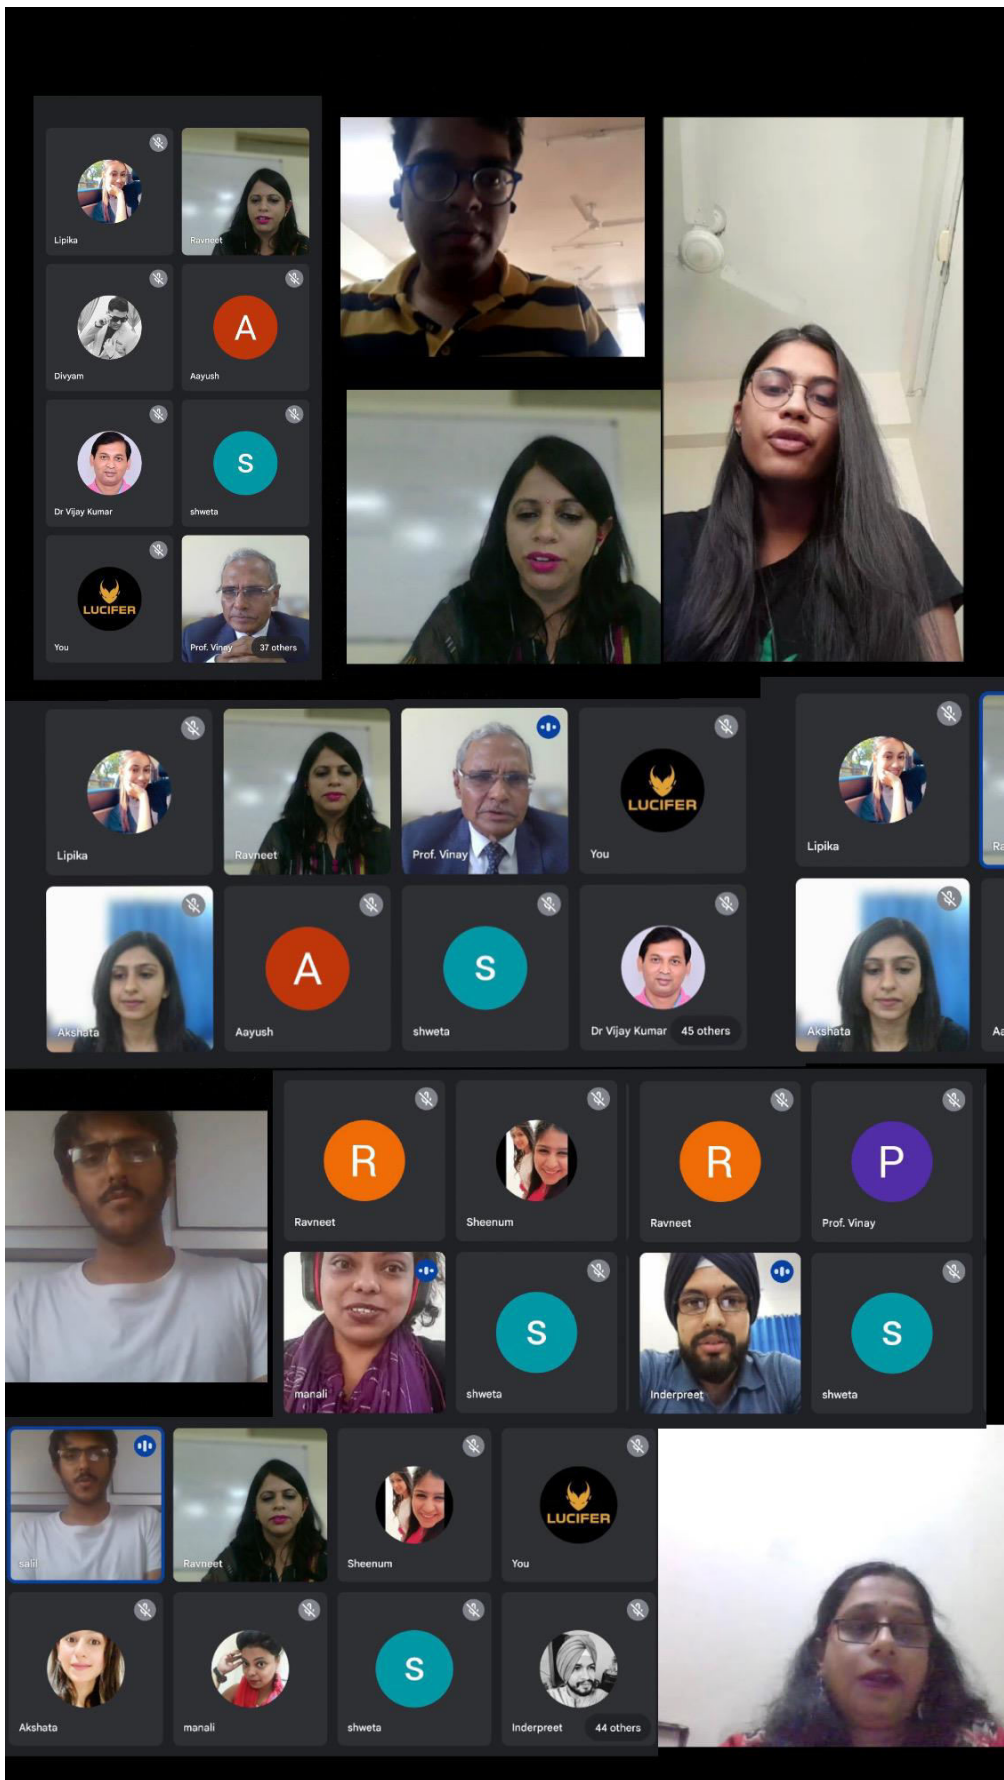

On one hand, the audience were numb and speechless by the soulful thoughts of Gauri Baheti .

Dr. Shweta Kulshreshtha shared her views on gender equality as women should be treated equally in social, economic and all other aspects of society, and no discrimination should be there on the basis of their gender. Gender equality is one of the objectives of the United Nations Universal Declaration of Human Rights.

Then the session was open for students. **Naman (BA History IV sem)** actively participated and presented a poem on women empowerment in his mesmerizing voice. **Akshata**, then handed over the Dias to Dr Ravneet for vote of thanks.

Last but not the least, the event culminated by the impactful speech of **Dr. Ravneet Chug**. She beautifully explained the essence of theme, i.e., Break the bias to promoting gender equality all over the world.

Overall, the event was quite impactful and worth attending.

Report on
'Expression'

Organized by Amity Business School in Collaboration with Gender cell on 10th March 2021.

Guest: Ms. Saba Kabir, Co-founder, Planet Profit Jaipur

Coordinator- Dr Swati Sharma

To celebrate International Women's day, Amity Business School in collaboration with gender cell organized 'Expression' on 10th March 2021. Total 18 students participated in four different categories viz., poster making, poetry, open mic performance and mono act.

The theme of the session was 'Woman in leadership: Achieving an equal future in COVID-19 World' as declared by UN. Session started with the welcome address by student coordinators. It further continued with poster display of nine students from different courses. Poster demonstrates the true colours of women leadership and entrepreneurship in achieving equal future in COVID-19 world. Session proceeds with the poetry of four students who beautifully created and orated their thoughts on women leadership. To add more spark to the event, open mic and mono act performances held by participants wherein they showcased their artistic talent through act. Guest shared her thought on women entrepreneurship and emphasized on the importance of saving and investment and it how it played an important role during COVID-19. 'Expression' had four winners from all the four categories.

Event ended with the thank you note.

Women's Day Celebrations

Amity School of Architecture and Planning
Amity University Rajasthan
March 2021

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality. Amity School of Architecture and Planning celebrated this day with the objective of raising awareness about women's equality.

The idea was to engage the students in activities like group discussions and finally making them produce some artwork based on the discussed themes. Discussions with students of all the semesters in the programs of Bachelor of Architecture and Bachelor of Interior Design was done. Student's views on the topic of gender quality, women empowerment and the idea of celebrating women's day were discussed. Based on these discussions, a theme was decided on which all the artworks had to be based. The decided theme was “**#my life my choice**”.

About the theme: #my life my choice

The organizations worldwide have been trying to uplift the personal, social and professional lives of women in various ways. There are several constraints which prevent the upliftment of the women in society. One of the major ones are the judgements that women have to face in every facet of their life, be it their attire, their words, their preferences, and so on. We decided to celebrate this Women's day expressing the message of no more judgements for women. Let us wish them a

Happy Women's Day by conveying them that they are free to take any decision of their lives **#my life my choice**.

Problem introduced to students:

On a A5 (148mm X 210mm) sized sheet, prepare a 2D composition on the theme of #my life my choice. The composition can be of any of the following styles:

1. Collage- A physical collage or a software made collage can be prepared on the given theme.

The canvas size should be A5.

2. Calligraphy- You have to write “#my life my choice” in a good calligraphy style. You are free to choose any medium of colors and shade.

3. Quilling- A quilling composition can be made on the given theme. The size of the canvas should be A5.

4. Sketching- A sketch can be made on the given theme. The medium of sketching can be pen or pencil. There is no restriction on colors or shade.

5. Painting- A painting can be made on the given theme. There is no restriction on the medium used.

6. Cartoon making- A cartoon can be made depicting the given theme.

The submission should also include a small write up (not more than 100 words), explaining your idea in the composition.

Mode of submission:

The submission should include the scanned copy (pdf) of your composition along with its write up. The submissions have to be done on online mode before 7pm on 08.03.2021.

The link to onedrive folder to upload their compositions was shared.

At My Life My Choice, it is our daily fight. Our holistic, battle-tested approach is grounded in survivor experiences of those who have lived the ugly realities of exploitation and come back fierce, wise, and strong. Without parents and teachers no one right to order us. It is my life and I try to choose always best way. At the end I need a safe peaceful moment which give me a lot of happiness. In our daily life we just focus on our work not on goal. No one can't judge my choices without understanding my reasons. It's my choice, to choose how to live my life.

Women, this is just a normal human being like others but in our country and as well as in other countries it is not just a gender or a normal personality.

A woman does all those things which her family likes and do as her family says. She feels the pain of periods every month. She feels the pain of pregnancy for 9 months. She feels the pain of imbursement when males stare at them. She is responsible for all the respect of her family. She always need security from males. She deserves a good life but most of the women cannot get a happy and tension free life. This is wrong and this must be stopped by us and our government.

The Gender Cell of Amity University Rajasthan organized a **Panel Discussion** on **"Women in Leadership: Achieving an Equal Future in a COVID-19 World"** on 8th March 2021, to mark the celebration of International Women's Day. It brought eminent speakers on one platform. The session was initiated by **Prof. Dr. Vinita Agrawal**, Chairperson Gender Cell. The speakers were **Prof Amit Jain**, Pro-Vice-Chancellor, Dean, faculty of Management, Amity University Rajasthan, **Mrs. Deepa Mathur**, Entrepreneur, Founder- NGO Qualis, **Ms. Deeti Dave**, Technologist, Entrepreneur, TEDx Speaker, **Mr. Mathew Cherian**, Global Ambassador for Ageing HelpAge International. **Dr. Vigi Chaudhary** helped in coordinating the event.

The speakers highlighted upon the strength of women, they being more evolved and mentally strong during COVID-19 challenging times, inequality in the leadership roles for women in the corporate sector, etc. The outcome of the discussion came out as the need to train boys to develop gender equality in the society and change their mindset right from childhood to accept women into leadership roles. While work from home option will tend to the practical gender needs of a woman, it will curtail the strategic needs of leadership roles women could effectively play.

खुद की खोज

तु खुद की खोज में निकल,
तु किस लिए हताश है।
तु चल तेरे क्युद की,
समय को भी तलाश है। *2

जो तुझे सपटी बेड़ियां,
समझ न इनको वस्त्र तु। *2
ये बेड़ियां पिघाल कर,
बना ले इनको वास्तु तु। *2
तु खुद की खोज में निकल,
तु किस लिए हताश है।
तु चल तेरे क्युद की,
समय को भी तलाश है। *2

चरित्र जब पवित्र है,
तो क्यों है ये बना तेरे। *2
ये पापियों को हक नहीं,
कि लें परीक्षा तेरे। *2
तु खुद की खोज में निकल,
तु किस लिए हताश है।
तु चल तेरे क्युद की,
समय को भी तलाश है। *2

PANEL DISCUSSION BY STUDENTS

It has been 70 years since India got independence and there cannot be a more right time to analyse the position and 'space' that women in India enjoy today. The journey of women in India has been truly dynamic with women participating in nationalist movements, to being pushed into the domestic household space, to their resurgence as super-women today; women in our country have seen it all.

The panel discussion event took place on 03 March 2020 at the Amity University, Rajasthan in the light of the International Women's Day. The topic for the discussion was "**I am Generation Equality: Realizing Women's Rights**". The theme is aligned with UN Women's new multigenerational campaign, Generation Equality, which marks the 25th anniversary of the Beijing Declaration and Platform for Action.

Details of Panel Members:

Ms. Muskan Sharma, Student of Law, Amity University, Rajasthan.

Ms. Drishti Sharma, Student of Law, Amity University, Rajasthan.

Mr. Ajay Pareek , Student of Law, Amity University, Rajasthan.

Ms. Lata Ladercha, Student of Law, Amity University, Rajasthan.

Mr. Yash Johari, Student of Law, Amity University, Rajasthan.

Ms Aayushi Agwaral, Student of Business and Management, Amity University, Rajasthan.

Ms. Yashika Vijay, Student of Business and Management, Amity University, Rajasthan.

Details of Moderator:

Ms. Deepti Meena, Research Scholar, Amity University, Rajasthan.

Event proceedings:

Ms. Deepti Meena as the moderator of the panel discussion welcomed all participants and opened the event by briefly establishing a background for the theme.

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

No one government, NGO, charity, corporation, academic institution, women's network or media hub is solely responsible for International Women's Day. Many organizations declare an annual theme that supports their specific agenda or cause, and some of these are adopted more widely with relevance than others. International Women's Day is a collective day of global celebration and a call for gender parity.

International Women's Day is all about unity, celebration, reflection, advocacy and action - whatever that looks like globally at a local level. But one thing is for sure, International Women's Day has been occurring for well over a century - and continues to grow from strength to strength.

Ms. Muskan Sharma initiated the discussion by expressing her opinion and she outlined the link between women equality and generation gap by stating the position of women in traditional and modern generation.

Ms. Drishti Sharma recounted the various global agenda for gender equality based on Beijing Declaration. She further introduced the Beijing Declaration and its action plans, by stating that it is unanimously adopted by 189 countries, as in its agenda for Women Empowerment.

Ms. Aayushi Agrawal discussed the experience of the women who are facing violence and she concluded by stating the harsh truth of today's world that women tolerate violence at different stages because they don't want to hamper their career and life.

Mr. Ajay Pareek mentioned that many challenges remain, and there is an ongoing need to ensure that adequate attention is given to the current issue to attain equality. As he concluded by stating that, *"This can only be achieved when the females and males stand on the same platform of opportunities"*.

Ms. Yashika Vijay pointed out the various problems in the implementation of laws in our country. She expressively stated that, *"Laws are made but not followed up. Feminism is just not about equal position on work places but in little things of life."*

Ms. Lata Ladrecha failed to agree with Ms. Yashika Vijay and as she critically stated that, *“The space and position of a women has so far has drastically been improved since independence and a lot more has to be done. The changes though are slow and minute yet visible and impact full. Today, there are several of women who have reached to the pinnacle of success and the society has accepted their victory and position. In neutralising this gap and bringing equality the laws and policies has a vital role to play.”* She quoted the Indian constitution and various other acts such as Maternity Benefit Act, Equal Remuneration Act, Commission of Sati Act, Dowry Prohibition Act, etc and further she also took reference from Justice Verma Committee and cited landmark Court Legislation like Vishaka vs. State of Rajasthan, Laxmi vs. Union of India and Devika biswas vs. Union of Indi in context of her arguments.

Mr. Yash Johari highlighted the current issue by analyzing the laws related to women protection and he concluded by stating that, *“...but looking at the bigger picture we see that there is almost no proper implementation of these laws...”* he further contradict Ms. Lata ladrecha by mentioning the death of the victims like Priyanka reddy and Nirbhaya. He concluded by quoting *Emma Watson, Actress - Feminism is about giving women choice. Feminism is not a stick with which to beat other women. It's about freedom, it's about liberation, it's about equality.*

Ms. Deepti Meena concluded the session by acknowledging the contributions of the panellists and audience members and stated women empowerment may be expected that with a strong determination, commitment, and involvement of people and organisations with philanthropic motive and a rational outlook, the problem that women faced, can be solved and hurdled be overcome for promoting national rejuvenation and development.

He is a life member of ISTD (Indian Society for Training & Development) and is Honorary Secretary of Jaipur Chapter from 2018. As a start-up mentor he is presently working on 3 upcoming ventures with budding entrepreneurs.

The Panel Discussion was initiated by the moderator on a very interesting note that "Why are we even having a discussion on Gender Equality?". The first panellist Dr. Veena Arora emphasized that the scenario is changing with various corporate sectors giving equal opportunities to women, giving an example of JCB where they have fixed a percentage as 35 for recruiting female candidates. She also contradicted that there are organizations who still do not recruit female candidates in the core technical sectors, keeping the gender bias even today. The second panellist Dr. Pramila Sanjaya elaborated upon the disparity which is evident in the society. The Government of India has initiated many schemes for women empowerment and to increase the income of women for their upliftment but in reality the

effect is not penetrating the masses and reaching to the grassroots level where the disparity is more apparent. Mr. Mukesh Vyas stressed upon the concept of practising Gender Equality rather than preaching it and he mentioned about practising it from one's own homes which is the fundamental unit of society. Prof. Vinay Sharma mentioned about the glass ceiling effect of gender inequality prevailing in Academics and research sectors. He specified special role of guide and mentors who can hand hold the candidate and motivate them to come with better ways to move ahead in their careers as well as balancing their responsibilities at home.

A Day Dedicated to Gender Sensitization Activities, AUR

Gender issues and problems have always been a major area of social concern and one of the most debatable topic for years. Various initiatives in the direction of addressing gender problems have been taken both by the government as well as voluntary organizations from time to time to raise awareness about these issues among the masses and to restore gender justice and gender equality.

To dedicate a day to these major social issues, Amity School of Communication under the aegis of Gender Cell organized a number of competitions to showcase various areas of great concern related to gender issues. The students actively participated in the various activities like Skit, Debate and Poster Presentation Competitions and their excellent performances enthralled the audiences and made them rethink on such issues which we come across every day.

The event was graced by Prof. (Dr.) Amit Jain, Pro Vice Chancellor & Dean Faculty of Management, Prof.(Dr.) G.K.Aseri, Dean Academics & Director AIMT, Prof. S.S. Bahl, Dean Students Welfare, Brig (Retd). Govind Singh Rathore, OSD, Mr. Rahul Tripathi, Proctor, AUR and Dr.Jayati Sharma, Coordinator, ASCO and all other faculty members and students of ASCO. Speaking on the significance of the event Prof. Jain commented that such events play a major role in creating awareness about these major grass root problems which are very much talked about in various circles. He also praised the exemplary efforts of the students and commented that the event was excellently coordinated and that many more such events should be organized in future.

The Gender Sensitization Activities included Debate Competition in English and Hindi on the topics, “Bollywood Filmon mein Mahilayon ka Chitrangan” and “Do Women really require Empowerment in today’s times?”. The Skit performances of the students enlightened the esteemed gathering about the basic rights of marriage of LGBT Sections of people and beautifully exhibited their inner feelings and sentiments. The flawless performances of the students made the audience emotional and thoughtful. The event was coordinated by Dr. Tanushri Mukherjee, Dy-Director Outcome, AUR & Associate Prof. ASCO.

Title:- Report on Gender Sensitization

Date:- 04 September, 2019

Venue:-LT-04, Ground Floor, Amity School of Engineering & Technology, Block –B, AUR.

Organized By:- Amity School of Engineering & Technology.

To promote gender awareness among students, the gender cell proposes ‘Gender Sensitization activity’, to be conducted by Amity School of Engineering & Technology in the University and the **Debate Competition** and **Poster making competition**. were conducted.

The topic of debate competition was “**What is the origin of sexual orientation?**”and for poster presentation competition was “**Gender Sensitization**”,the reason to select this topic was

- Men should look after the Finances and Women should take care of Home.
- Boys shouldn’t cry.
- Men don’t cook food.
- You should wear certain types of clothes to be safe.
- Women should take care of their families only.
- And the most important is children learn from cartoon character and fixed their mindset like that ChotaBheem, Shiva and Doraemon, the male characters are strong and female characters seek help from them.

Because, In India, everyone heard these lines at least once. This may lead to serious threats in developing country like INDIA. To overcome from these kinds of issues two-way communication and interaction with numerous personal incidents is the solution and awareness. Many initiatives are taken by various NGO, private sector, organizations and government of India for awareness, justice and equality among people. Gender sensitization helps us to examine our personal attitudes and beliefs and question the ‘realities’ that we thought we know. The need for this sensitivity has been felt and realized through times immemorial and in almost all kinds of human existence, across the globe.

To enhance the awareness among students about these social issues, ASET organized debate competition and poster making competition. Students were enthusiastically participated in the activities.

Dr. Pankaj Kumar Pandey, Coordinator ASET and Chemical engineering department, Dr. Preeti Gupta, HOD CSE, Mr. Mangal Singh Sisodiya- Coordinator ME, Mr. Amit Chaurasia, Assistant Prof, ECE, Mrs. ShwetaSharma, Assistant Professor CSE, Mr. SachinBansal, Assistant Professor Chemical Engg and number of students, from various discipline were present. Judges and Students expressed their gratitude in exposing them to such talk which gives them a legal awareness as they groom as corporates. We are live in 21st century where everyone is equal and have equal rights to express their own feelings, thoughts, views etc. without any hesitation.

Student elaborated that Gender Sensitization is the process in which the people of all genders are taught to respect everyone irrespective of gender while acknowledging the differences and gender equality originates out of the advancement of human rights and is a fundamental aspect of democratic citizenship. It belongs to the basic and universally recognized civil, cultural, economic, political and social rights.

EVENT REPORT

of

(Gender Sensitization Event)

by

AMITY INSTITUTE OF BEHAVIORAL AND ALLIED SCIENCES

Details of the Events: A panel discussion with 5 panelists from diverse backgrounds was organized on the theme-**Psychological Contributions to Global Gender Equality on 2nd May 2019**. The key insights from the session were as follows.

Key Insights:

1. Women need to support each other; pick each other up, fix each other's crown.
2. Workplace is not just restricted to corporate places. It is beyond that. Hence, inequality exists there also.
3. Equity over Equality: Empower transgender to the level of men or women or other genders, only then they can enjoy the benefits of reservation.
4. Prevalence of mental illness across various genders.
5. Changing law on papers is just Step 1, social change takes time and due emphasis, along with proper planning should be done for the same.

Date & Time of start and end of the event : 02-May-2019, 02:00 PM to 04:45 PM
