Dear all

Thank you to all of the teaching, non-teaching staff and our student volunteers that have helped to make **Orientation 2019** a huge and successful start for our new students. The **orientation** program was conducted between 29 July and 5 August 2019.

For the year 2019, we welcomed a total of 760 new students; from across all states of India. Within this commencing student cohort, there were approximately 80% undergraduates and 20% postgraduates.

Each cohort requires a tailored induction experience, and we are getting more and more system ready to deliver this.

I would like to thank everyone involved in welcoming our incoming students. The collaboration of various departments, divisions, and areas across the university continues to strengthen, ensuring Amity's **Orientation** program continues to improve the student's **orientation** experience.
