2021-2022

AMITY SCHOOL OF ARCHITECTURE & PLANNING

MINUTES OF 14TH BOARD OF STUDIES MEETING, B.ARCH PROGRAM

DATE 29TH NOVEMBER 2021; TIME 02:30 PM

BOS Members:

1. Prof. Anurag Varma, Professor & Director –ASAP, Chairman
2. Prof. Alok Ranjan, Professor, MNIT, Jaipur, External Subject Expert
3. Ar. Rashmi Gupta, Senior Practicing Architect-Jaipur, External Subject Expert
4. Ar. Prashant Vijayvargiya, Assoc. Prof- ASAP, Internal Subject Expert – B. Arch
5. Ar. Swechcha Roy, Assistant Prof- ASAP, Internal Subject Expert – B. Arch

Special Invitees:

1. Ar. Ankita Saxena (Asst. Prof.-ASAP)
2. Ar. Ishani Gogoi (Asst. Prof.-ASAP)
3. Ar. Priyanka Kumar (Asst. Prof.-ASAP)
4. Ar. Kushal Kumar (Asst. Prof. ASAP)
5. Ar. Lokenath Saha (Asst. Prof.-ASAP)

Agenda:

1. Revision of Program Structure:
 - i. Increase in the Credits by introduction of mandatory elective 'Road Safety and Civic Sense' as an additional domain
 - ii. Removal of Core & Elective Courses
 - iii. Addition of Elective Courses
 - iv. Renaming of Title of courses
 - v. Re-assigning of BAR-908 Interior Design from 9th Semester to 7th Semester
 - vi. Revision of Credits in courses and course content
2. Revision of syllabi in existing courses.

Minutes of Meetings

Following are the meeting proceedings and key decisions:

1. The meeting started with welcome of the experts and introducing the external experts with the new faculties who have joined ASAP AUR post the last BOS meeting. The diverse expertise of faculties in the department was appreciated by the externals.
2. On suggestion of the External Experts, ASAP apprised the BOS members on the Action Taken Report over suggestions of the previous BOS Meeting

Recommendations from the 13 th BOS	Action Taken
To engage in community projects	<p>Achrol has been visited and academic program has been evolved. Can only be undertaken upon presence of students on campus.</p> <p>Discussions have been initiated for coordination of settlement study at villages under AUR for program for Unnat Bharat Abhiyaaan.</p>

AV

	Urban Design problems for previous three years have been on local precincts.
Conducting FDP's with practitioners	A FDP program is being conducted at ASAP in Dec-Jan 2021-22 with involvement of practitioners.
Conducting Non-Credit Certificate Program	Had been planned but rescheduled in view of non-availability of students from campus

The initiatives were discussed and appreciated by the BoS.

3. ASAP presented the curriculum related agenda points as follows:

3.1 Program structure revised through (Agenda #1) (Annexure A)

Increase in the Credits by including/introduction of mandatory 'Road Safety and Civic Sense' Course

- As per the Council of Architecture (COA)'s 75th Meeting held on 28-29.08.2021 new course related to Traffic Awareness shall be introduced from the academic session 2022-27, as a 1 credit elective.
- Due to the addition of the new course the Overall Credit is now revised from present 299 Credits to 300 credits.
- Contents of new course – “Road Safety & Civic Sense” was presented to BOS committee for review & approval. The course was approved by the committee and it was suggested that the modules can be revised as per the institute's requirements. (Annexure A).

Removal of Core & Elective Courses

- Core Courses
BAR-107 - Theory of Design
BAR-109 - Presentation Techniques
- Elective Courses
BAR-707 – Colours
BAR-709 - Professional Presentation Techniques

Addition of Elective Courses

- Road Safety and Civic Sense in 6th Semester
- Glass Architecture and Design in 7th Semester
- Principles of Planning in 9th Semester

Renaming of Title of Courses

Course Code	Existing Title	Proposed Title
BAR-105	History of Built Environment	History of Architecture- I
BAR-205	History of Architecture- I	History of Architecture- II
BAR-305	History of Architecture- II	History of Architecture- III
BAR-405	History of Architecture- III	History of Architecture- IV

Re-assigning of BAR-908 Interior Design from 9th Semester to 7th Semester

AV

Revision of Credits in courses

Course	Existing	Proposed
BAR-106 - Architectural Workshop	1	2
BAR-108 - Visual Art & Appreciation	1	3

3.2 Revision of syllabi in existing core courses (Agenda #2)(Annexure B)

- Course content of 11 core courses (BAR 105; BAR 205; BAR 305; BAR 405; BAR 306; BAR 406; BAR 506; BAR 606; BAR 106; BAR 203, BAR 108 have been revised .

#3.1 and #3.2 were approved by the BoS.

4. External experts were inquisitive about the pedagogical initiatives in view of adoption of hybrid teaching-learning methods.
ASAP presented initiatives undertaken by faculty through demonstration of innovative pedagogy being adopted in design and urban design programs which was well appreciated by the BoS. The BoS members were also informed as to how students' previous studio works are being compiled in form of booklets for reference for students.
5. External members suggested ASAP to undertake following future endeavours:
 - A one-day conference/seminar can be held on the topic, "Impact of NEP on pedagogy and professional practice of Architecture in the coming semesters.
 - ASAP can make proposals to the Department of Science and Technology, Center and State for identified projects.
 - More frequent site visits can be organized for students.
 - Exhibition rooms can include full-scale real detailed electrical and plumbing models.

AMITY SCHOOL OF ARCHITECTURE & PLANNING

MINUTES OF 13TH BOARD OF STUDIES MEETING

DATE 19TH MAY 2021; TIME 11:00 AM

BOS Members:

1. Prof.(Dr.) Anurag Varma,(Professor & Director –ASAP),Chairman
2. Prof.(Dr.).Alok Ranjan (MNIT,Jaipur),External Subject Expert
3. Ar. Rashmi Gupta (Senior Practicing Architect-Jaipur), External Subject Expert
4. Ar. Abhishek Sharma (Prof.-ASAP), Internal Subject Expert – B. Architecture
5. Ar.Prashant Vijayvargiya (Assoc.Prof.-ASAP),Internal Subject Expert – B. Architecture
6. Dr. Pratheek Sudhakaran(Assoc. Prof – ASAP), Internal Subject Expert – B. Interior Design
7. Ar. Shailendra Kumar (Asst. Prof – ASAP), Internal Subject Expert – B. Interior Design

Special Invitees:

1. Ar.Anjani K Shukla (Asst. Prof.-ASAP)
2. Ar.Ankita Saxena (Asst. Prof.-ASAP)
3. Ar.Ishani Gogoi (Asst. Prof.-ASAP)
4. Ar.Swechha Roy (Asst. Prof.-ASAP)
5. Ar.Shoeb Jafari (Asst. Prof.-ASAP)
6. Ar.Priyanka Kumar (Asst. Prof.-ASAP)
7. Er.Bhavesh Joshi (Asst. Prof.-ASAP)

Agenda:

- Presentation of newly introduced PhD Course Content for recommendation and approval.
- Presentation of Proceedings from 2nd Industry Advisory Council (IAC) meeting held on 26th April 2021 for recommendations.
- Discussion and Recommendations for permitting credit transfer in B. Arch/B.ID programs for courses offered by Swayam/NPTEL in Architecture and Planning.

Following are the meeting proceeds and key decisions:

1. Contents of new course – “DAR-103 Human and Built Environment” under PhD was presented to BOS committee for *post-facto* review & approval. The new course explores the interface between human and built environment offering broad possibilities for research studies to the enrolled scholars. This course was introduced in 2020-21 academic session as part of PhD coursework. **The course was approved by the committee without any change or modifications** (Annexure A).
2. Role of IAC, proceedings from its second meeting held on 26-04-2021 and meeting outcomes were presented to the BOS Committee. The committee agreed to the envisaged action plans that aim to make the undergraduate programs of ASAP, i.e. BArch and B.ID – more industry oriented and job ready. **The committee approved:**
 - i. **Only one Design project as studio exercise per semester but conducted in detail to include services, structural technology, materials and construction.**
 - ii. Community Projects
 - iii. FDP and Student workshops with practitioners

AMITY UNIVERSITY

— RAJASTHAN —

- iv. Conduct of **5-days (30 hrs) Non-Credit Certificate Programs** from 5th semester onwards for both B. Arch and B.ID to improve professional communication and employability skills as well as to provide orientation towards internship and placements. These programs may be introduced from Academic Session 2021-22 onwards with immediate effect.
3. List of available courses on SWAYAM/NPTEL portal under Architecture and Planning section was presented to the BOS Committee. **The committee approved that the online courses from SWAYAM/NPTEL be permitted for B. Arch & B.ID, provided:**
- online course schedule does not clash/ restrict the student from attending the core course.
 - only Suitable courses, that match the intent of the university program in terms of content, challenge level and outcomes, are permitted. A list of such course may be notified at the beginning of each semester.
 - The credit accrual/substitution process shall be as per the regulations of the University.

Respected **Prof Alok Ranjan Sir** and **Ar. Rashmi Gupta Madam**

Greetings!!

The Minutes based on 13th BOS meet (online) conducted on 19-05-2021 for programs at Amity School of Architecture and Planning, Amity University Rajasthan, Jaipur are attached along with appended PhD Departmental course content - **DAR103- Human & Built Environment** . Meeting Presentation is also provided for reference.

We request you to kindly endorse the approved program structure by **providing your digital signature** in the MOM word file. After adding signatures, they may be converted into pdf files and emailed to us. *Alternatively, you may provide approval consent through email itself.*

The Academic Council meet is due first week of June 2021 and the endorsed files shall be presented. We humbly request you to please provide the needful at the earliest.

Please feel free to contact me in case of any assistance required at your end.

Thanks & Best Regards

Abhishek Sharma

DAR- 103 HUMAN AND BUILT ENVIRONMENTS STUDIES (HBE)

Human and built environment explores the interface between human and natural environment that influence the spatial development of built environments. It will examine theories and some approaches to recognize the diverse aspects of this interface to understand the heterogeneity of the built environment around the globe. This course will enable a researcher to broadly identify aspects of the human-built environment interface of places as reflected in their development patterns, and recognize temporal layers of its spatial development.

COURSE OBJECTIVES

- Demonstrate the ability to conduct an environment-behaviour research study.
- Demonstrate an understanding of approaches to identify, analyze, synthesize and apply the information from a variety of sources and diverse stakeholders to respond appropriately to user needs.
- Demonstrate an understanding of the interrelationships of human experience and behaviour with the natural and/or built environment in a variety of settings
- Comprehend theories upon which environment-behaviour studies are commonly based.

Module 1

The meaning of built environments; theory and a study of their meanings.

Reading material:

- Environment, Behaviour and Society: Gary Moore
- Environment-Behavior Studies - Past, Present, And Future: Amos Rapoport
- Further thoughts on culture and environment: Amos Rapoport
- House form and culture: Amos Rapoport
- On the cultural responsiveness off Architecture: Amos Rapoport
- Research methods for environmental psychology: Robert Gifford

Chapter:

i. *Qualitative Approaches to Environment–Behavior Research: Understanding Environmental and Place Experiences, Meanings, and Actions*

- The meaning of the built environment: Amos Rapoport

Chapters:

i. *The Meanings of Environments of Users' Meanings and Designers' Meanings Perceptual and Associational Aspects of the Environment*

ii. *The Semiotic Approach The Symbolic Approach @The Nonverbal Communication Approach*

iii. *Theoretical Examples of application*

Formatted: Font: 10 pt

*Manuscript based on Presentation, Discussions and Minutes of Meetings of 13th B.O.S held on 19th May 2021

Module 2

How cities are experienced and comprehended by their users; the effects of values, images and schemata — and human behaviour — on the shaping of urban form; the link between the physical form of the environment and how people live in and use cities; the insights to be gained by broadening the sample to include vernacular urban design as well as grand design.

Reading Material:

- Further thoughts on culture and environment: Amos Rapoport_2008_
- Houses generated by patterns: Christopher Alexander
- Human aspects of urban form: Amos Rapoport
- On the cultural responsiveness off Architecture: Amos Rapoport_1984_
- Research methods for environmental psychology: Robert Gifford

Chapter:

- i. *Behavioral Mapping and Tracking: Cheuk Fan Ng*
- The Process of Creating Life - The Nature of Order 2: Christopher Alexander
- The Timeless Way of Building: Christopher Alexander

Module 3

Short Paper: A study of a settlement development to explore human-built environment linkages from a temporal perspective.

Module 4:

Term Paper: Exploring human and built environment interface through a lens related to a scholarly research domain viz.

- Design & Advocacy: Environmental Design Research and Policy
- Environmental Infrastructure, Natural Resources and Urban Ecology
- Global Climate Change — Attitudes and Behavior
- Heritage and Cultural Infrastructure
- Participatory and Evidence-Based Strategies for Sustainable Design
- Place-making: Personal, Social and Cultural Meanings of Space
- Resilient Community Planning, Housing and Design
- Sustainable Lifestyles and Behavior
- Urban Sustainability, Equity and Globalization
- Children, youth and environments
- Environmental experience, perception and cognition, including affective experience, aesthetics and the restorative benefits of natural environments
- Social and cultural factors in architecture and urban planning including culturally appropriate, social and elderly housing, issues of homelessness and improving the life of slum dwellers
- Ethnic identify, social values and urban form,
- Environmental comfort, satisfaction and productivity
- Environment, behaviour and social issues in the Asia-Pacific

Formatted: Font: 10 pt

*Manuscript based on Presentation, Discussions and Minutes of Meetings of 13th B.O.S held on 19th May 2021

Special Invitees:

1. Ar. Ankita Saxena (Asst. Prof.-ASAP)
2. Ar. Ishani Gogoi (Asst. Prof.-ASAP)
3. Ar. Priyanka Kumar (Asst. Prof.-ASAP)
4. Ar. Kushal Kumar (Asst. Prof. ASAP)
5. Ar. Lokenath Saha (Asst. Prof.-ASAP)

Agenda:

1. Revision of Program Structure:
 - i. Increase in the Credits by introduction of mandatory elective 'Road Safety and Civic Sense' as an additional domain
 - ii. Removal of Core & Elective Courses
 - iii. Addition of Elective Courses
 - iv. Renaming of Title of courses
 - v. Re-assigning of BAR-908 Interior Design from 9th Semester to 7th Semester
 - vi. Revision of Credits in courses and course content
2. Revision of syllabi in existing courses.

Minutes of Meetings

Following are the meeting proceedings and key decisions:

1. The meeting started with welcome of the experts and introducing the external experts with the new faculties who have joined ASAP AUR post the last BOS meeting. The diverse expertise of faculties in the department was appreciated by the externals.
2. On suggestion of the External Experts, ASAP apprised the BOS members on the Action Taken Report over suggestions of the previous BOS Meeting

Recommendations from the 13 th BOS	Action Taken
To engage in community projects	Achrol has been visited and academic program has been evolved. Can only be undertaken upon presence of students on campus. Discussions have been initiated for coordination of settlement study at villages under AUR for program for Unnat Bharat Abhiyaaan.

	Urban Design problems for previous three years have been on local precincts.
Conducting FDP's with practitioners	A FDP program is being conducted at ASAP in Dec-Jan 2021-22 with involvement of practitioners.
Conducting Non-Credit Certificate Program	Had been planned but rescheduled in view of non-availability of students from campus

The initiatives were discussed and appreciated by the BoS.

3. ASAP presented the curriculum related agenda points as follows:

3.1 Program structure revised through (Agenda #1) (Annexure A)

Increase in the Credits by including/introduction of mandatory 'Road Safety and Civic Sense' Course

- As per the Council of Architecture (COA)'s 75th Meeting held on 28-29.08.2021 new course related to Traffic Awareness shall be introduced from the academic session 2022-27, as a 1 credit elective.
- Due to the addition of the new course the Overall Credit is now revised from present 299 Credits to 300 credits.
- Contents of new course – “Road Safety & Civic Sense” was presented to BOS committee for review & approval. The course was approved by the committee and it was suggested that the modules can be revised as per the institute's requirements. (Annexure A).

Removal of Core & Elective Courses

- Core Courses
BAR-107 - Theory of Design
BAR-109 - Presentation Techniques
- Elective Courses
BAR-707 – Colours
BAR-709 - Professional Presentation Techniques

Addition of Elective Courses

- Road Safety and Civic Sense in 6th Semester
- Glass Architecture and Design in 7th Semester
- Principles of Planning in 9th Semester

Renaming of Title of Courses

Course Code	Existing Title	Proposed Title
BAR-105	History of Built Environment	History of Architecture- I
BAR-205	History of Architecture- I	History of Architecture- II
BAR-305	History of Architecture- II	History of Architecture- III
BAR-405	History of Architecture- III	History of Architecture- IV

Re-assigning of BAR-908 Interior Design from 9th Semester to 7th Semester

AV

Revision of Credits in courses

Course	Existing	Proposed
BAR-106 - Architectural Workshop	1	2
BAR-108 - Visual Art & Appreciation	1	3

3.2 Revision of syllabi in existing core courses (Agenda #2)(Annexure B)

- o Course content of 11 core courses (BAR 105; BAR 205; BAR 305; BAR 405; BAR 306; BAR 406; BAR 506; BAR 606; BAR 106; BAR 203, BAR 108 have been revised .

#3.1 and #3.2 were approved by the BoS.

4. External experts were inquisitive about the pedagogical initiatives in view of adoption of hybrid teaching-learning methods.
ASAP presented initiatives undertaken by faculty through demonstration of innovative pedagogy being adopted in design and urban design programs which was well appreciated by the BoS. The BoS members were also informed as to how students' previous studio works are being compiled in form of booklets for reference for students.
5. External members suggested ASAP to undertake following future endeavours:
 - o A one-day conference/seminar can be held on the topic, "Impact of NEP on pedagogy and professional practice of Architecture in the coming semesters.
 - o ASAP can make proposals to the Department of Science and Technology, Center and State for identified projects.

MINUTES OF 14TH BOARD OF STUDIES MEETING, B. ID PROGRAMDATE 29TH NOVEMBER 2021; TIME 02:30 PM**BOS Members:**

1. Prof. Anurag Varma, (Professor & Director –ASAP), Chairman
2. Prof. (Dr.). Alok Ranjan (MNIT, Jaipur), External Subject Expert
3. Ar. Rashmi Gupta (Senior Practicing Architect-Jaipur), External Subject Expert
4. Ar. Shailendra Kumar, Asst. Prof-ASAP, Internal Expert-BOS- B.ID
5. Er. Bhavesh Joshi, Asst. Prof-ASAP, Internal Expert-BOS- B.ID

Special Invitees:

1. Ar. Prashant Vijayvargiya (Assoc. Prof-ASAP)
2. Ar. Ankita Saxena (Asst. Prof.-ASAP)
3. Ar. Ishani Gogoi (Asst. Prof.-ASAP)
4. Ar. Priyanka Kumar (Asst. Prof.-ASAP)
5. Ar. Kushal Kumar (Asst. Prof.-ASAP)
6. Ar. Lokenath Saha (Asst. Prof.-ASAP)
7. Ar. Swechcha Roy (Assistant Prof- ASAP)

Agenda:

- Revision of Training norms for B.ID program for BID batch 2022- 26 onwards.

Following are the meeting proceedings and key decisions:

1. To ensure that students choose competent professional firms for undertaking of their internship ASAP proposed to have robust criteria for selection of the firms. are selected by students for the Semester Training. Modifications made in existing syllabus of BID 701 Professional Training. It was emphasized by the external experts that there should be a criterion for selecting a firm for professional training by the interior design students.
2. Through inputs of External Experts the following criteria has been agreed upon for shortlisting of a professional firm to undertake internship:

‘The Professional Firm offering internship is required to have at least 5 Years of professional experience. Further, Principal/s shall have at least a Bachelor degree in Architecture/ Interior Design from a recognized Indian University, and/ or shall be affiliated with professional bodies like IIA/IIID, etc.’

Amity School of Architecture & Planning (ASAP)

a. To approve the following amendments in the Programme Structure of B.Arch. from the Batch 2022 onwards (Annexure A):

(i) Increase in the Credits by including/introduction of mandatory 'Road Safety and Civic Sense' Course.

Existing	Proposed
2018-23 Batch: 272 Credits	2022 Batch Onwards: 300 Credits
2019-24 Batch: 287 Credits	
2020-25 Batch: 299 Credits	

(ii) Removal of following courses:

Core Courses

- BAR-107 - Theory of Design
- BAR-109 - Presentation Techniques

Elective Courses

- BAR-707 - Colours
- BAR-709 - Professional Presentation Techniques

(iii) Addition of following Elective Courses:

- Road Safety and Civic Sense in 6th Semester
- Glass Architecture and Design in 7th Semester
- Principles of Planning in 9th Semester

(iv) Renaming of 'Course Title' of following courses:

Course Code	Existing Title	Proposed Title
BAR-105	History of Built Environment	History of Architecture- I
BAR-205	History of Architecture- I	History of Architecture- II
BAR-305	History of Architecture- II	History of Architecture- III
BAR-405	History of Architecture- III	History of Architecture- IV

(v) Re-assigning of 'BAR-908 [Interior Design]' from 9th Semester to 7th Semester of B.Arch.

(vi) Revision of Credits in following Courses:

Course	Existing	Proposed
BAR-106 - Architectural Workshop	1	2
BAR-108 - Visual Art & Appreciation	1	3

(vii) Revision of Course Content/Syllabi in the following 11 courses (Annexure B):

- BAR-105 - History of Architecture - I
- BAR-205 - History of Architecture - II
- BAR-305 - History of Architecture - III
- BAR-405 - History of Architecture - IV
- BAR-306 - Building Services - II
- BAR-406 - Building Services - III
- BAR-506 - Building Services - IV

- BAR-606 - Building Services - V
- BAR-106 - Architectural Workshop
- BAR-108 - Visual Art & Appreciation
- BAR-203 - Structural Design and Systems - II

b. To approve the revision of 'Training Norms' of B.ID. Programme from the Batch 2022 onwards:

A clause 'The Professional Firm for undertaking internship is required to have at least 5 Years of professional experience. Further, Principal/s shall have at least a Bachelor degree in Architecture/ Interior Design from a recognized Indian University, and/ or shall be affiliated with professional bodies like IIA/IIID, etc.' has been included in the training norms, to ensure robust choice of professional firms by students for pursuit of their one semester training.
