Dear Dr. Mukherjee

Thank you for sending me to review the proposed revised courses

I have gone through the agenda and relevant documents. According to the agenda points 1 and 2 revised programme structure of B. Sc. (A&VG) and M.Sc. (G&A) become perfect and well synchronized after changes. I think this will be more helpful in learning to the students.

In my opinion, proposed changes are required in agenda points No. 1 & 2. I also recommend the said changes.

Thanks and regards

Manoj Lodha
