32. 'media and politics in India' should be placed in core papers of fifth semester
33. Shifting human rights in comparative perspective to core paper in sixth semester

MINUTES FOR THE BOARD OF STUDIES(POLITICAL SCIENCE) , HELD ON 23RD OCTOBER, 2018

The Board Of Studies meeting was held on 23rd October, 2018. The meeting was chaired by Dr.Gautam Kumar Sinha. The internal subject experts were Dr. Harshlika Khangarot, Assistant Professor and Dr. Prashant Mishra., Associate Professor. The external subject experts for industry and academia were Shri.S.S.Bissa (Retd.IAS) and Dr.Nidhi Lekha Sharma respectively. The Board of Studies resolved to forward the following suggestions to the Academic Council for the implementation in the next academic session (2019-2020):-

- a. The core paper of '**British Colonialism in India**' should be replaced by a new paper '**Basic Principles of Political Science**' in the **first semester**.
Justification- British Colonialism is more history oriented and its syllabi is overlapping Indian Nationalism(First Semester). The most important justification given is that the student of Honors should first be made familiar with the basic fundamentals of the subject, which are incorporated in Basic Principles of Political Science. A proposed syllabus is attached.
- b. A new paper '**Indian Constitution**' should be included in the **second semester** in place of '**Environmental Politics in India**'. The honors course for Political Science is not complete if it does not have the Indian Constitution study. Such paper must be a core paper for the students so that they can understand the various aspects of the subject better. The paper shall not only give the knowledge of the articles but also about the political structure in India. 'Environmental Politics' is an advanced paper therefore should not be taught at the second semester level but later in programme. Proposed syllabus is attached.

- c. The core paper 'Plato's Political Philosophy' should be shifted to **domain elective** and Indian Constitution should be made a core paper. As already there is a core paper of Political Philosophy in the second semester .
- d. In the paper 'Indian Nationalism', **module Four**, should be renamed as **Significance and Brief History of Revolts Against Oppressive British Rule**. Topics to be added-Early Revolutions and Revolts like Sanyasi Andolan, Santhal Uprising, Barrackpur Mutiny and Revolutions which paved the way to Indian independence.
Contribution of Vinayak Damodar Savarkar, Bhagat Singh, Chandra Shekhar Azad and their companions. The word **revolutionary terrorist should be removed**.
- e. In **module sixth**, The modifications proposed are to add the contribution of Lokmanya Balgangadhar Tilak and Swaraj Leaders, Morley Minto Reforms 1909, Montague Chelmsford Reforms 1919 and Government of India Act 1935 as the preview of Indian Constitution. Sardar Vallabh Bhai's contribution and a brief history of Integration of Princely States should be added.
- f. Sub titles should be added in Indian Political Thought with the main headings.
- g. Machiavelli should be removed from Greek Political Thought as he is not a Greek Thinker.
