There are two ways you can submit your appeal. You can use the Appeals guide or submit your appeal in writing.

Appeals guide

The easiest way to submit your appeal is to do so online using the Appeals guide. Log in to your account, go to 'Documents' and follow the instructions for appeals. You'll see what must be included in your appeal.

Written appeal

You can also submit your appeal in writing. In your letter, include the following information:

- what decision you're appealing
- why you think the decision should be changed
- what change you're requesting
- which university the appeal concerns

Begin the appeals letter with "To the Higher Education Appeals Board".

You're welcome to use the appeals form we've created, though it is not required. You can find it at www.universityadmissions.se/en/selection-and-admissions-results/admissions-results/

The easiest way to send in your written appeal is by scanning your appeals letter/form and uploading it here in your account.

UHR, c/o SGA, Box 4030, 171 04 Solna

Time frame and response

The appeals form must reach University Admissions in Sweden no later than three weeks from the date you read your admissions results. First, the university will review your appeal to see if there are grounds to reverse their decision. The university will then forward your appeal to the Higher Education Appeals Board. The decision that the Appeals Board makes is final and cannot be appealed.

Exceptions

Is your appeal for Chalmers University of Technology, Ersta Sköndal Bräcke University College, Stockholm School of Economics, Jönköping University, The Red Cross University College of Nursing, Sophiahemmet University College, Johannelunds Theological University College or University College Stockholm? If so, your appeal must begin with "To the Vice-Chancellor" as these universities themselves are the decision-making authority for the appeal.

TUITION FEES, WITHDRAWALS AND REFUNDS

Fees are due by the payment deadline listed above. Payments hold your seat in the program and must be made by this deadline. Please include your student name and student number on all correspondence and payments sent to Georgian College. Once the payment has been received, a PDF receipt will be emailed to you or your agent if you have applied through an agency. STUDY PERMITS

After you receive your official Letter of Acceptance, you may apply for a study permit. Visit www.cic.gc.ca for information about obtaining a study permit. Once your study permit has been approved, upload a copy to the IAS Applicant Portal along with your student number and confirmation of your arrival date.

HEALTH INSURANCE

As an international student, health insurance is mandatory and is included in quoted tuition fees. You must be registered into courses in an academic semester or registered for a work term/co-op term in order for health insurance coverage to begin for that term. If you arrive early, you may need to purchase additional insurance. Please visit the [Health Insurance](#) web page for more information. If you officially withdraw from the College (or transfer to another institution) after the Add/Drop deadline, your health insurance coverage will not be refunded.

CO-OP INFORMATION

International students in work integrated learning programs, such as co-op, internships, practicum, field placements, must have a valid co-op work permit in order to complete their work term in Canada. Due to lengthy Immigration processing times, we recommend students apply for this as soon as possible, prior to arriving in Canada, as any delay can impact their eligibility to work. Co-op Consultants provide resources and support including job postings; however, students must also complete an independent job search to maximize their success in securing co-op positions. Students can increase their opportunity for success with a valid driver's licence and flexibility with work term locations. **Students should apply for their co-op work permits when they apply for their study permit.**

REGISTRATION

Students are required to register themselves in classes **prior to arrival**. Registration is permitted for students who have provided confirmation of an approved study permit. Study permits should be uploaded to the IAS Applicant Portal. Accommodations will be considered for students experiencing delays in processing. Dear Officer,

Please allow us to address a few COVID-19 related concerns for admitted UMBC students.

Spring 2022 Course Delivery Method

UMBC is operating with a combination of online, hybrid and face-to-face modes of instruction as defined by the Student and Exchange Visitor Program (SEVP) Broadcast Message: “Coronavirus Disease 2019 (COVID-19) and Potential Procedural Adaptations for F and M nonimmigrant students” issued on March 9, 2020, and SEVP’s subsequent “Clarifying Questions for Fall 2020 Based On March 9 Spring Guidance Broadcast “on July 24, 2020. The U.S. Department of State’s Bureau of Consular Affairs clarified in their July 24, 2020 update and FAQ entitled “SEVP Online Course Guidance for F and M Students for Fall 2020” that students who satisfy SEVP requirements may be eligible for a visa.

UMBC is committed to ensuring that all new international students meet these requirements and participate in non-online course options. Thus, admitted UMBC students are eligible to apply for a student visa and should be granted admission to the United States as an F-1 student. Thank you for assisting the student in this process.

Electronically Issued I-20

Please accept the electronically signed I-20 carried by this student. This I-20 has been issued in accordance with the SEVP COVID-19 guidance, which also assures cooperation from DOS and CBP.

The SEVP’s COVID-19 FAQ can be found here:

<https://www.ice.gov/doclib/coronavirus/covid19faq.pdf>

From the May 12 2020 update, the following language is relevant to this situation:

Electronic Form I-20 Issuance (page 6):

1. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?

A. Yes, due to COVID-19, DSOs may electronically send Forms I-20 to student email addresses listed in SEVIS.

2. What methods can DSOs use to sign and send Forms I-20?

A. SEVP has identified the following methods to sign and send the Form I-20:

- Email a scanned version of the physically signed Form I-20;
- Email a digitally signed Form I-20 using electronic signature software; or
- Email a digitally signed Form I-20 that contains a digitally reproduced copy of a physical signature.

5. Has SEVP worked with both the U.S. Department of State and U.S. Customs and Border Protection (CBP) in developing the policy to accept the use of electronic signatures during the COVID-19 emergency?

A. SEVP coordinated with both the Department of State and CBP regarding the policy to allow electronic issuance and signing of Forms I-20 for the duration of the COVID19 emergency. Both agencies are in support of this action. SEVP continues to respond to any issues raised or questions from both agencies about this policy and will provide clarity as needed.

Thank you in advance for honoring this guidance and accepting this student's electronically issued and signed I-20. We appreciate your understanding in this unusual time.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Officer,

Please allow us to address a few COVID-19 related concerns for admitted UMBC students.

Fall 2022 Course Delivery Method

UMBC is operating with a combination of online, hybrid and face-to-face modes of instruction as defined by the Student and Exchange Visitor Program (SEVP) Broadcast Message: “Coronavirus Disease 2019 (COVID-19) and Potential Procedural Adaptations for F and M nonimmigrant students” issued on March 9, 2020, and SEVP’s subsequent “Clarifying Questions for Fall 2020 Based On March 9 Spring Guidance Broadcast “on July 24, 2020. The U.S. Department of State’s Bureau of Consular Affairs clarified in their July 24, 2020 update and FAQ entitled “SEVP Online Course Guidance for F and M Students for Fall 2020” that students who satisfy SEVP requirements may be eligible for a visa.

UMBC is committed to ensuring that all new international students meet these requirements and participate in non-online course options. Thus, admitted UMBC students are eligible to apply for a student visa and should be granted admission to the United States as an F-1 student. Thank you for assisting the student in this process.

Electronically Issued I-20

Please accept the electronically signed I-20 carried by this student. This I-20 has been issued in accordance with the SEVP COVID-19 guidance, which also assures cooperation from DOS and CBP.

The SEVP’s COVID-19 FAQ can be found here:

<https://www.ice.gov/doclib/coronavirus/covid19faq.pdf>

From the May 12 2020 update, the following language is relevant to this situation:

Electronic Form I-20 Issuance (page 6):

1. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?

A. Yes, due to COVID-19, DSOs may electronically send Forms I-20 to student email addresses listed in SEVIS.

2. What methods can DSOs use to sign and send Forms I-20?

A. SEVP has identified the following methods to sign and send the Form I-20:

- Email a scanned version of the physically signed Form I-20;
- Email a digitally signed Form I-20 using electronic signature software; or
- Email a digitally signed Form I-20 that contains a digitally reproduced copy of a physical signature.

5. Has SEVP worked with both the U.S. Department of State and U.S. Customs and Border Protection (CBP) in developing the policy to accept the use of electronic signatures during the COVID-19 emergency?

A. SEVP coordinated with both the Department of State and CBP regarding the policy to allow electronic issuance and signing of Forms I-20 for the duration of the COVID19 emergency. Both agencies are in support of this action. SEVP continues to respond to any issues raised or questions from both agencies about this policy and will provide clarity as needed.

Thank you in advance for honoring this guidance and accepting this student's electronically issued and signed I-20. We appreciate your understanding in this unusual time.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. The master's degree requires a minimum of 31 credits, of which at least 25 must be taken from the Computer Science Department at the University at Albany, SUNY. The M.S. program, excluding undergraduate deficiency subjects, typically takes two full years.

PROGRAM OF STUDY AND RESEARCH - COMPUTER SCIENCE M.S.

1. A proficiency examination in Discrete Mathematics is given at the beginning of the first semester of graduate study. Students who fail this examination are required to pass a departmentally approved remedial program.
2. Computer Science core (13-14 credits): CSI 503 and CSI 518 plus two courses chosen from CSI 500, CSI 508, CSI 519, or CSI 609. A 3.0 average must be attained in these core courses. Full-time students are expected to complete these courses in the first year, or as soon as possible if undergraduate deficiencies are being made up.
3. Elective subjects (15 credits): Computer Science courses or courses in other academic departments as approved by the department. Approval of non-departmental electives is based on the individual student's overall academic program and preparation.
4. Master's Project, Thesis, or Internship (3 credits): Satisfactory completion of (a) any Master's Project course (CSI 68X). The project includes the design and implementation of a computer program of significant scope, unless this is waived by the project faculty supervisor for a student who has sufficient programming experience. The project must include a written report.; (b) CSI 699, Master's Thesis; or (c) CSI 698, Internship.

ADMISSION TO FORMAL CANDIDACY FOR MASTER'S DEGREE

The student is admitted to formal candidacy for the master's degree upon (a) the completion of the core computer science courses with at least a 3.0 average and (b) the removal of all undergraduate deficiencies. The academic status of students who do not achieve candidacy by the third semester of full time study will be reviewed. Failure in the proficiency examination in Discrete Mathematics is considered to be an undergraduate deficiency that must be removed before admission to candidacy.

Please note: The program you have been admitted to offers an internship, field experience, study abroad component, or clinical experience in the course listing as an option to fulfill course requirements. Students who have previously been convicted of a felony are advised that their prior criminal history may impede

their ability to complete the requirements of certain academic programs and/or to meet licensure requirements for certain professions. If you have concerns about this matter please contact the Dean's Office of your intended academic program.

Important Information Regarding COVID-19

Due to government restrictions relating to COVID-19, UNSW Sydney programs are currently available online until further notice. It is expected that gradually and in the near future some face-to-face teaching will resume, and students will be notified by email of developments, including when students who are currently in Australia can return to campus.

Given the current travel restrictions you may not be able to come to Australia but we are doing our utmost to ensure you can continue your studies in your home country. When you accept this offer you will be issued with a CoE (Confirmation of Enrolment) which you should use to apply for a student visa as soon as you are able to. For information as to the current status relating to applying for a student visa, please refer to the Department of Home Affairs dedicated website - <https://covid19.homeaffairs.gov.au/coming-australia>.

Once travel restrictions are lifted you should come to Australia to complete the remainder of your program on campus, since there are likely to be some parts of the course that are best experienced on campus. If your application for a student visa is refused and you do not wish to continue studying online you will be granted a refund of any unspent portion of your deposit. Note that no refund can be granted for tuition fees for courses already completed, or for courses you remain enrolled in after the census date.

Important Information

Complaints and Appeals

UNSW follows a three stage complaints handling model.

1. Local Resolution: If you feel comfortable handling your issue then the best resolution of a complaint is near its source.
2. Central Resolution: This is a formal process for more serious or complex complaints, or for matters unresolved by or inappropriate for the local process and involves the Student Conduct and Integrity Unit.
3. Appeals: An appeal in respect of a decision following a Stage 2 process may only be lodged on the grounds of a lack of procedural fairness in the investigation process.

External Review: If you are dissatisfied with the outcome of the appeal you may seek external review, for example by an agency such as the NSW Ombudsman.

Further Information about the complaints and appeals process can be found at student.unsw.edu.au/complaints

Refund and Program Discontinuation Policy

Applicants who notify the University in writing that they wish to withdraw/discontinue from their program in their commencing term, will receive a full refund of all tuition fees and unspent non-tuition fees paid, less a discontinuation fee.

Any Refund and Discontinuation Fee will apply as per the following table:

Refund and Discontinuation Fee	
Visa refusal, documented illness/misadventure	Full refund
Accepted a full offer of admission and paid the deposit fee	50% of the deposit fee
Where a student has been found to have submitted false information and/or fraudulent documentation	No refund
Enrolled and requests withdrawal/discontinuation after Census date	Student remains liable for full tuition costs

For more information about the UNSW Student Fee Policy and Student Fee Procedure visit student.unsw.edu.au/fees-policy. This policy, and the availability of complaints and appeals processes, does not remove your right to take action under Australia's consumer protection laws.

In the unlikely event that UNSW is unable to offer an alternative course or pay a refund you can contact the Australian Government Tuition Protection Service (TPS) for assistance. Please go to <https://tps.gov.au>. The TPS ensures that overseas students are able to either complete their studies in another course or with another education provider or receive a refund of their unspent tuition fees.

Overpayments

Overpayments arising from changes to enrolment will automatically be allocated to future charges for enrolment and related fees, unless a refund is specifically requested.

UNSW adheres to the Payment Card Industry (PCI) Data Security Standards (DSS) and will, in all cases attempt to return any overpayment back to the originating card or cardholder in Australian dollars. To request a refund complete the Refund Request Form which can be found at student.unsw.edu.au/fees-refund-request.

For more information about the UNSW Student Fee Policy and Student Fee Procedure visit student.unsw.edu.au/fees-policy. This policy, and the availability of complaints and appeals processes, does not remove your right to take action under Australia's consumer protection laws.

Dear Officer,

Please allow us to address a few COVID-19 related concerns for admitted UMBC students.

Fall 2022 Course Delivery Method

UMBC is operating with a combination of online, hybrid and face-to-face modes of instruction as defined by the Student and Exchange Visitor Program (SEVP) Broadcast Message: “Coronavirus Disease 2019 (COVID-19) and Potential Procedural Adaptations for F and M nonimmigrant students” issued on March 9, 2020, and SEVP’s subsequent “Clarifying Questions for Fall 2020 Based On March 9 Spring Guidance Broadcast “on July 24, 2020. The U.S. Department of State’s Bureau of Consular Affairs clarified in their July 24, 2020 update and FAQ entitled “SEVP Online Course Guidance for F and M Students for Fall 2020” that students who satisfy SEVP requirements may be eligible for a visa.

UMBC is committed to ensuring that all new international students meet these requirements and participate in non-online course options. Thus, admitted UMBC students are eligible to apply for a student visa and should be granted admission to the United States as an F-1 student. Thank you for assisting the student in this process.

Electronically Issued I-20

Please accept the electronically signed I-20 carried by this student. This I-20 has been issued in accordance with the SEVP COVID-19 guidance, which also assures cooperation from DOS and CBP.

The SEVP’s COVID-19 FAQ can be found here:

<https://www.ice.gov/doclib/coronavirus/covid19faq.pdf>

From the May 12 2020 update, the following language is relevant to this situation:

Electronic Form I-20 Issuance (page 6):

1. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?

A. Yes, due to COVID-19, DSOs may electronically send Forms I-20 to student email addresses listed in SEVIS.

2. What methods can DSOs use to sign and send Forms I-20?

A. SEVP has identified the following methods to sign and send the Form I-20:

- Email a scanned version of the physically signed Form I-20;
- Email a digitally signed Form I-20 using electronic signature software; or
- Email a digitally signed Form I-20 that contains a digitally reproduced copy of a physical signature.

5. Has SEVP worked with both the U.S. Department of State and U.S. Customs and Border Protection (CBP) in developing the policy to accept the use of electronic signatures during the COVID-19 emergency?

A. SEVP coordinated with both the Department of State and CBP regarding the policy to allow electronic issuance and signing of Forms I-20 for the duration of the COVID19 emergency. Both agencies are in support of this action. SEVP continues to respond to any issues raised or questions from both agencies about this policy and will provide clarity as needed.

Thank you in advance for honoring this guidance and accepting this student's electronically issued and signed I-20. We appreciate your understanding in this unusual time.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. The enrolment process will only be formalised after payment of the first instalment and once the general enrolment conditions and the LOE have been signed and returned to EDHEC.

In accordance with French law, students have the right to withdraw within 14 days of the first payment being made.

After this deadline, enrolments will be considered to be final and the fees for the year commenced will be due in full.

In the event of repetition, the student accepts that the repeated year will be invoiced in addition to previous years, on the basis of the rate for one year of the course.

For students enrolled in MIM, and in the event of departure for an "Apprenticeship", which may take place during the second semester of the 1st year of the Master's degree, the student shall remain liable for the tuition fees for the first semester of the 1st year of the Master's degree which will be invoiced accordingly.

Certain choices of streams made during the course (e.g.: GETT) will give rise to additional tuition fees. These options will be invoiced separately, which the student expressly accepts.

Furthermore, the tuition fees indicated in the Letter of Enrolment must be paid in full by the student in the event that EDHEC must ensure educational continuity at the School through the implementation of resources other than those stipulated during enrolment.

2.2 Tuition fees in the event of departure before graduation

All courses commenced are payable in full. A student may therefore leave any courses they have enrolled for during the school year but shall remain liable for all tuition fees corresponding to the current school year.

2.3 Penalties and conditions in the event of late payment

2.3.1 The payment date stated in the Letter of Enrolment is the deadline beyond which penalties for lateness will be applied. In accordance with the NRE Law of 15/05/01, penalties at the legal rate of the ECB (European Central Bank) will be invoiced in the event of late payment.

2.3.2 The School reserves the right to entrust cases of non-payment to its debt collection firm, the costs of which will be borne by the Student.

2.3.3 In addition to penalties for late payment, the costs incurred in the recovery of unpaid student fees will be borne by the Student, who will also be liable to pay a fixed amount of 15% of the outstanding amount with a minimum of €150 when formal notification is unsuccessful.

2.3.4 Suspension of services: **Failure to pay tuition fees will result in the immediate and automatic suspension of courses** (blocking access to the EDHEC Group student's platform, schedules, notes, roll calls, etc.).

Furthermore, as is indicated in the internal regulations, entry into the upper year and presentations to the official Board of Examiners may only take place if the student's administrative and financial situation is regularised.

Article 3. Subscriptions related to enrolment

Joining one of the higher education courses offered by the EDHEC Group implies **being aware, before enrolment**, of several forms of compulsory and optional expenses related to annual tuition fees:

3.1 Student supplementary health insurance

The Student Orientation and Success Act (ORE), definitively adopted on 8 March 2018, has simplified the social security system for students.

Affiliation to the French social security system is free for all French and international students. It covers the reimbursement of healthcare costs on a flat-rate basis.

NB: *non-European and Swiss international students are strongly recommended to take out insurance covering their initial period in France before registering for the French general scheme.*

You also have the option of taking out supplementary health insurance. Before applying for supplementary health insurance, check that you are not still entitled to your parent's coverage and that your supplementary health insurance has not been tacitly renewed for the next school year, or that you have any other type of health insurance.

3.2 The Student and Campus Life Contribution (CVEC): a legal obligation

The Student Orientation and Success Act (ORE) established the Student and Campus Life Contribution (CVEC).

Students enrolling at higher education institutions are required to pay this fee on enrolment.

The level of the contribution is set by the State each year to cover the costs of hosting, as well as social, health, cultural and sports events.
It applies to ALL French and International students.

It must be paid to the CROUS (Centre Régional des Œuvres Universitaires et Scolaires) at www.etudiant.gouv.fr. Scholarship students must register but do not have to pay the contribution.

Once you have paid, CROUS provides students with a certificate which must be downloaded using the School's enrolment app. Failure to provide the certificate will block enrolment and re-entry into the establishment.

3.3 Membership of the EDHEC ALUMNI Association

By agreement with EDHEC, students who have paid their tuition fees automatically become life members of EDHEC ALUMNI (the association for students and graduates of the EDHEC group). In accordance with the provisions of article 4 of the law of 1 July 1901, membership can be cancelled at any time.

Article 4. Student cards

The school issues magnetic access cards which must be kept for the duration of your course.

If it is lost you will be charged for a new one.

Article 5. Waiver

Unless formally accepted by EDHEC in writing, no individual condition may prevail over the general conditions of enrolment. The fact that EDHEC has not availed itself, at any given time, of an obligation arising from this contract, may not be interpreted as a waiver of the right to avail itself of any of said conditions at a later time.

EDHEC reserves the right to modify this contract and/or any documents indicated in the Annex.

EDHEC shall not be held liable in the event of suspension or cancellation of programmes due to force majeure or for any reason that cannot be attributed to it.
