AUR Collaborations with International and National Universities/Organizations

Amity University Rajasthan (AUR) is committed to fostering meaningful partnerships with reputed national and international universities, research organisations, government bodies, professional associations, and industry partners through Memoranda of Understanding (MoUs). These collaborations aim to promote academic excellence, research and innovation, knowledge exchange, skill development, and faculty and student engagement.

Through these partnerships, the University seeks to strengthen industry–academia linkages, facilitate collaborative research, encourage professional development, and create opportunities for knowledge sharing and global academic engagement.

The list of active International and National MoUs is provided below, reflecting the University's commitment to quality enhancement, institutional development, and national and international collaboration.
